Dillon Beavers Softball Team Shines In Season Opener

Jeremy Crawford, Southwestern Montana News

The Dillon Beavers showcased exciting performances in their game today against East Helena, taking a 19 to 2 win.

Highlights from the Game:

Tyler Gibson made a notable impact early on, hitting a deep 3-run home run in the first inning, defying strong winds that challenged both teams. He finished the game with a solid 1-for-1 at the plate, contributing 2 runs and 3 RBIs in just 2 plate appearances.

Adyson Creighton had an impressive outing as well, going 3-for-4 with a highlighted triple, scoring 2 runs, and securing 2 RBIs.

Creighton also started on the mound, delivering a stellar performance in 3.0 innings pitched. She allowed no hits or runs while striking out an impressive 6 batters. In relief, Tymber Barnes followed with 2.0 innings, giving up only 1 hit and achieving 3 strikeouts.

The Beavers were able to utilize their deep bench for this first game of the season, providing valuable experience for players and insights for areas of improvement.

With a break ahead, the team looks forward to their next matchup on April 3 against Butte Central, followed by their first home game on April 11 versus Frenchtown.

Knights of Columbus Fish fry

The Dillon Knights of Columbus will be preparing and serving the 2nd of 3 community Lenten Fish Fry buffets, this Friday, March 28th at the St Rose Family Center from 530 to 7 PM. The menu will include fried and baked Cod, Baked potatoes, baked beans, coleslaw, fruit cocktail, desserts and beverages. Proceeds will be donated to youth and family support ministries. Prices for adults $12, children 12 and under $5, and a family $40. All are welcome. The last fishfry will be Friday, April 11

UMW and MCH Host 2025 Colt Challenge & Sale

The Annual Colt Challenge and Sale, hosted by the University of Montana Western and the Montana Center for Horsemanship, will take place March 28 and 29, 2025, at the Montana Center for Horsemanship in Dillon, Montana.

Students and colts compete in a series of events that demonstrate their wide range of abilities on the first day, and the following day, a public auction features the colts for sale, with all proceeds reinvested in the program to provide scholarships to Natural Horsemanship majors at the University of Montana Western.

This year we will also host our inaugural Alumni Horse Sale where past colt sale students will have the opportunity to showcase their horsemanship skills and their post-graduation accomplishments. There will be six alumni horses ranging from 3-11 years old. We are thrilled to showcase older horses and give buyers an opportunity to purchase horses with extra real-world experience.

Schedule of Events:

Friday, March 28
Colt Challenge: 9:00 a.m.
Saturday, March 30
Preview: 10:00 a.m.
Lunch: 11:30 a.m.
Sale: 1:00 p.m.

Each colt receives approximately 90 days of Natural Horsemanship training from equine students in the Natural Horsemanship/Equine Studies Bachelor of Science Degree program at Montana Western, under the guidance and leadership of the MCH Natural Horsemanship instructors. This year's event will showcase 18 quality colts donated by some of the finest ranches in the region.

The young horses are familiarized with all settings inside and out. They are also exposed to a variety of situations including working with cattle and ropes, loading and unloading from trailers, and many other scenarios a horse and rider might encounter in ranch-work or recreational riding. Simultaneously, both students and instructors develop an in-depth feel for each horse, enabling them to accurately convey this knowledge to potential buyers.

The horses and students are featured on Facebook leading up to

the main event with information about the colts including their color, conformation, personalities, and skills. More information about the 2025 Colt Challenge and Sale, including the sale catalog, is available on the University of Montana Western website.

Those interested in attending the auction can do so in person, online, or by phone. To bid online, participants must pre-register at least one day prior to the sale. To pre-register, please visit bid.northernlivestockvideo.com and click "Get Approved to Bid." Participants can then bid online via desktop by visiting www.northernlivestockvideo.com the day of the sale or by downloading the Northern Livestock Auction mobile app.

To bid by phone, pre-register by calling Northern Livestock Video Auction at 866-616-5035 before the sale day to obtain a bid number. Bidders can then phone in the day of the sale by calling 406-245-0889.

The sale order will be posted on Friday, March 28 by 5:00 p.m. on the Montana Western Colt Challenge and Sale website and Facebook page.

The Annual Colt Challenge and Sale corporate sponsors include CHS Inc., New Generation Supplements, Rocky Mountain Supply, and Zinpro Performance Minerals in partnership with the University of Montana Western and the Montana Center for Horsemanship. Saturday's complimentary lunch is sponsored by Beaverhead Motors and Bryan and Marcia Mussard of Reminisce Angus. Thank you to Stockman Bank for sponsoring this year's saddle for the Colt Challenge winner. We wish to thank our sponsors for their generous support of the event and the students in the program.

The Equine Studies Department at the University of Montana Western offers the nation's only Bachelor of Science degree in Natural Horsemanship with options in management, psychology, science and instruction, and was ranked among the "Best Equestrian Colleges" by ThoughtCo.com.

The Montana Center for Horsemanship is the first and only equine center in the United States that is devoted expressly to promoting natural horsemanship. With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and he has been involved in Natural Horsemanship for many years. The La Cense Method is a progressive, step-by-step process that blends the best of traditional horsemanship training with the art of training and riding horses—all in a manner that works with a horse's behavior, instincts, and personality. Taking a positive and respectful approach, the La Cense Method gradually builds trust, and frees the horses to be confident in all they are asked to perform.

For more information about the Colt Challenge and Sale, please contact Head Natural Horsemanship Instructor, Eric Hoffmann: eric.hoffmann@umwestern.edu or 406-925-1499.

Beaverhead County Varsity Beavers Dominates East Helena Vigilantes, 12-1

Jeremy Crawford, Southwestern Montana News

The Beaverhead County Varsity Beavers had an impressive showing on Friday, defeating the East Helena Varsity Vigilantes 12-1 in a commanding performance.

The Beavers took control of the game early in the top of the second inning. After Jase Alvarez singled to score one run and an error allowed another run to cross the plate, Sawyer Tackett added a single that brought in two more runs, establishing a strong lead.

Continuing their offensive momentum, the Beavers added four more runs in the top of the third inning. Cohen Hartman hit a solo home run to left field, followed by Kanin Englehardt doubling to score two runs. Tackett capped off the inning with a triple, bringing in another run.

On the mound, Tackett earned the win for the Beavers, delivering an outstanding performance over four innings. He allowed only two hits and no runs, while striking out one and walking one. In contrast, Killian Snarr took the loss for the Vigilantes, pitching three innings and allowing eight runs (four earned) on six hits, while striking out four and walking two. Englehardt made an appearance in relief for the Beavers.

Both Alvarez and Tackett collected two hits for Beaverhead County, with Englehardt and Tackett driving in three runs each. Marcus Lagunas led the team with three walks, contributing to the Beavers' patience at the plate as they accumulated a total of seven walks during the game. Additionally, Trenton Moreni and Tackett each stole multiple bases, contributing to the team's impressive tally of five stolen bases.

For East Helena, Kai Richey and Kash Walker each managed to collect one hit in the contest.

The Beaverhead County Varsity Beavers will welcome the Belgrade Varsity Panthers for their next game on Tuesday, aiming to continue their successful run.

Minor Injuries Reported in I-15 Rollover Accident

Jeremy Crawford, Southwestern Montana News

On Sunday evening, Beaverhead County Dispatch received a call from a motorist reporting a white Toyota pickup truck that had left the roadway and rolled multiple times on Interstate 15 at mile marker 38.

Sheriff's deputies arrived at the scene to discover that the two occupants of the vehicle had sustained only minor scrapes and bruises from the accident.

Preliminary investigations indicate that the driver lost control of the Toyota as it veered off the right side of the road. In an effort to regain control and return to the highway, the driver overcorrected, leading the vehicle to roll a total of seven times before coming to rest.

American Legion Post 20 Dinner and Meeting April 2

American Legion Post 20 invites all veterans to dinner and to our General Meeting on Wednesday, April 2, at the Legion Hall. Social time starts at 5:30 pm, and at 6, dinner is Beef Stroganoff, salad, Hawaiian rolls, and lite cherry cheesecake. Dinner is $12, soda $1, and other drinks $2. The General Meeting is after dinner for those who wish to attend. If questions, contact Commander Lois Volkening (406) 925-3774.

Clean Up Day at Bannack State Park

Bannack's Annual Cleanup Day is taking place on May 10th from 9:00 am to 3:00 pm. Volunteers are needed to sweep buildings, wash windows, pick up trash and branches, etc. Please RSVP by calling 406-834-3413 or emailing bannackstatepark@mt.gov by May 1st so we can get a head count.

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a $150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
$8.01 per year	*Estimate for a home with a market value of $100,000*
$24.02 per year	*Estimate for a home with a market value of $300,000*
$48.03 per year	*Estimate for a home with a market value of $600,000*

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:
Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:
Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

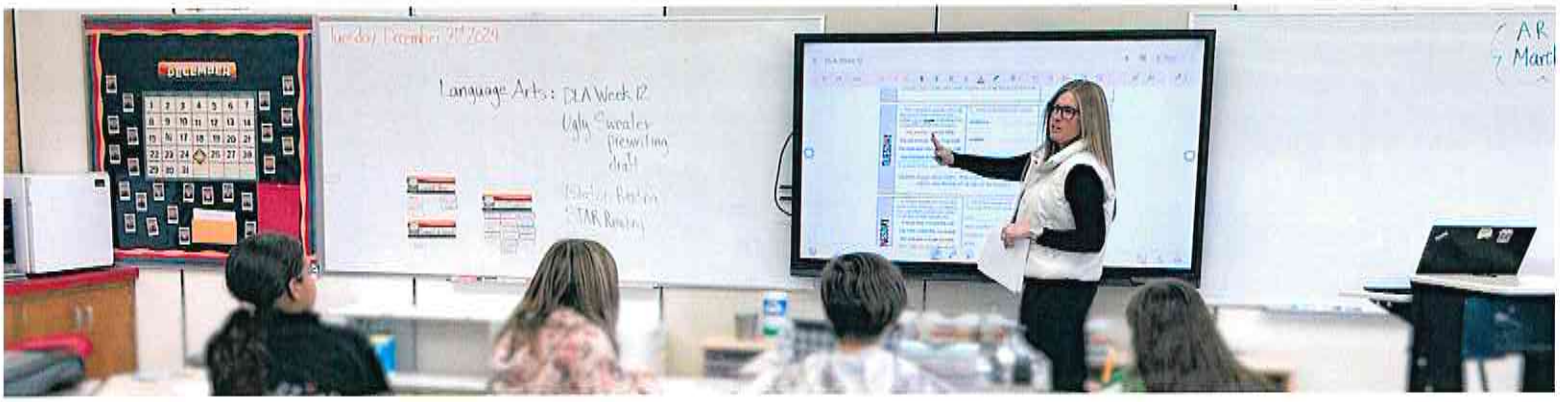

Improving Parent Communication Tools:
Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:
Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at https://www.dillonschools.org/page/2025-technology-levy or scan the QR Code.

Dillon Elementary School District #10

2025 Technology Levy

By the Numbers

$150,000

Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

10 year term for levy

If approved, the technology levy would remain in place until 2035.

14.7% less per-pupil

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent $11,388 per pupil, in contrast to Montana's state average of $13,346, as reported in the 2022-2023 school year.

$50,000 - $1 million

Monetary losses to school districts following a cyber incident ranged from $50,000 to $1 million according to the U.S. Government Accountability Office.

23 years

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a $50,000 annual technology levy.

141%

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

$275,000 current shortfall

Current technology costs exceed the existing $50,000 technology levy by $275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm **Tuesday, March 18th at 6:00pm** **Thursday, April 10th at 7:00pm**

Be the Change 406 Coalition

Our Vision: A healthy and safe Beaverhead County.

Our Mission: To increase healthy opportunities and decrease substance misuse among youth through collaboration, education, and advocacy.

From: Be the Change 406 Coalition

Vacancy Announcement: Nonprofit Director

Special Requirements: An exciting opportunity currently exists for a dynamic individual to impact the reduction of substance use and misuse and promotion of healthy community and youth in Beaverhead County!

The Director position will be expected to develop and maintain community partnerships, provide leadership and support of multiple community sectors and age groups, and maintain grant-required measures and reports with integrity. This position will be working directly with county youth to facilitate the youth coalitions' goals and operations.

To be successful the employee must be a self-motivated, organized person who is able to communicate effectively with diverse populations. Strong writing and computer skills are required including creating visual aids, web content management and utilization of Microsoft Office applications. The employee will be expected to apply for and administer grant projects. This requires reporting, fiscal management, and documentation.

A bachelor's degree in a social services, public health, or related field and/or significant experience as program administrator or project manager required, along with relevant experience relating to our mission. This full-time position requires occasional weekend and evening hours, as well as travel within and outside Beaverhead County. Field, office, and remote work abilities will be necessary. Because of these requirements, the employee will be able to maintain a flexible schedule within the 40-hour work week obligation. Background check required. Full job description is attached to online job application.

Email the Hiring Board at btc406board@gmail.com or call (406) 594-1352 for application information.

Complete online application to submit cover letter, resume, and references.
