Military Honors & Celebration of Life
April 23, 2024

Military Honors at Mountain View Cemetery at 11 am
Celebration of Life at Dillon Elks Lodge 1554 at noon

Honor Guard will depart Brundage Funeral home just after 10 :30 am and lead anyone interested in following to Mountain View Cemetery for the Military Honors at 11 am.

Celebration of life will begin at noon at the Dillon Elks Lodge 1554, 26 E. Center St., Dillon Montana, followed by lunch.

Please join us and share your memories of and stories about Lee!

Raymond Fredrick Hildreth

Raymond Fredrick Hildreth, our gentle, loving soul and quiet pillar of strength, peacefully passed beyond the veil on April 13th, 2025, at the age of 92—Palm Sunday, the Day of Jubilee. What a sacred and fitting day to return home to his Savior and the loved ones who awaited him.

Born on October 7th, 1932, to Bessie Cecilia Olsen and Emphrey William Hildreth, Ray was the fifth of six boys, whom he considered his best circle of friends. His entrance into this world was a memorable one weighing in at a remarkable 12 pounds, a record he held for several decades. Raised on the Medicine Lodge Hildreth Ranch as a young sheepherder, Ray developed a strong work ethic and a deep love for animals and the land. His early years were also spent with shared time on their Armstead ranch, where he attended grade school, before graduating from Beaverhead County High School in Dillon.

Ray married his high school sweetheart, Fae Darlene Goodfellow, the day after he turned 18. Together, they had a beautiful love story full of shared dreams and family. Their 75-year love story produced five children, 27 grandchildren, and soon-to-be 70 great-grandchildren. They built their dream of having a family cabin on a piece of the Medicine Lodge homestead, which has become a beloved gathering place full of lasting memories for their posterity over the past four decades.

Ray was known for his strength and stamina and could outwork anyone. In addition to his early years of ranching, Ray also worked as a logger and later made his living building homes, and apartment complexes, eventually forming the

company Hildreth Homes with his sons. But to his family, Ray was a builder of hearts. No matter where he went, Ray had a unique ability to touch and uplift hearts, and bring a smile to everyone's face. His love and compassion for all living things was a hallmark of his character.

Ray was a patriot and defender of the constitution, a devout Christian and faithful member of The Church of Jesus Christ of Latter-Day Saints. His faith was a cornerstone of his life, and he found peace and strength in his relationship with God. He leaves a legacy of love, his great sense of humor, and unwavering dedication to his family, and his friends, with a lasting impact that will never be forgotten by those fortunate enough to have been part of his life.

Ray was preceded in death by his daughter, Fern Elizabeth; his son, Grant Joel (Deborah); his mother and father Bessie Cecilia and Emphrey William; Brothers; Henry Dalton (Gertrude), Robert William (Gisela), Emphrey Eugene, and Lowell Sterling Hildreth.

He is survived by his devoted wife, Darlene; his sons, Clayton Ray, Bryce Jay (Hazel), and daughter, Amber Fay Jensen (Douglas); 27 grandchildren, 70 great-grandchildren, his brother Edward Barton Hildreth (Ethal-deceased); and numerous beloved nieces and nephews.

A viewing will be held on Easter Sunday, April 20th, at Brundage Funeral Home from 6:00 p.m. to 8:00 p.m. A brief viewing will take place on Monday, April 21st, from 9:30 a.m. to 10:30 a.m. at the Church of Jesus Christ of Latter-day Saints.

A celebration of Ray's life will follow at 11:00 a.m., honoring the beautiful legacy he leaves behind.

Clean Up Day at Bannack State Park

Bannack's Cleanup Day is taking place on May 10th from 9 am to 3 pm. Volunteers are needed to sweep buildings, wash windows, pick up trash and branches, etc. Please RSVP by calling 406-834-3413 or emailing bannackstatepark@mt.gov by May 1st so we can get a head count.

Fish and Wildlife Commission to meet on April 17

The Montana Fish and Wildlife Commission will meet virtually via Zoom on April 17 beginning at 8:30 a.m. The meeting will be streamed live on Fish, Wildlife & Parks' website and YouTube.

The commission will take public comment on agenda items from registered commenters on Zoom. Registration for public comment end at noon on April 16. To register, go to FWP's website.

FWP ensures its meetings are fully accessible to those with special needs. To request arrangements, call FWP at 406-444-7826.

Track & Field Continues Season At Providence

The Montana Western Track and Field team had another successful day at the Providence Open yesterday. 14 personal records highlighted the day as the Bulldogs continue to improve throughout this season.

"We had a lot of good performances at this meet. While I will always tell people you can't expect to get a personal record each week, I know we have had a few individuals able to continue to improve their times or marks week to week," Head Coach Taylor Grove said. "I am excited to see how the team continues to get better each meet."

Highlights: On the men's track side, five Bulldogs earned personal records in the meet with Bridger Wheeler leading the pack earning a pair of personal records in both the 1500m and the 800m races. Kreg Butler also earned a personal record in the 1500m race with his 23rd place finish.

Wade Dahood rounded out the men's side of personal bests on the day on the track with a 5th place finish in the 110m hurdles.

In field events, three Bulldogs earned personal records with a pair earning two on the day. Landon Darsow and Justin Maier both earned personal bests in both the shot put and discus throw. Darsow finished 12th in the men's shot put while Justin Maier finished in 15th. Darsow also finished in 9th in the discus throw with Maier finishing in 7th for personal bests.

Tad Tackes closed out personal bests for the men's team with a 14th place finish in the shot put.

On the women's side, four Bulldog earned personal bests on the day with Ellie Stutsman earning a pair in field events. She finished 9th in the women's shot put and 10th in women's discus throw.

Three Bulldog women raked in personal bests on the track, all recorded in the women's 1500m races. Justene Santi finished in 5th, Ruby Smith in 6th, and Olivia Canney in 8th in the race.

Up Next: The Bulldogs will be back in action next week in Helena, Mont. for the Trudnowski Open hosted by Carroll College on April 17-18.

BLM reminds recreational shooters to prioritize safety and fire prevention on public lands

With warmer spring weather drawing more people outdoors, the Bureau of Land Management is reminding the public to follow safe and responsible shooting practices on BLM-managed lands in Montana, North Dakota and South Dakota.

The BLM encourages recreational shooters to enjoy public lands while helping to protect people, wildlife and natural resources. Over 99 percent of BLM lands nationwide are open to shooting, hunting and other forms of recreation, but safety and respect for others are essential.

"Whether you're hiking, camping, or target shooting, we are excited to welcome you to enjoy your public lands responsibly," said Sonya Germann, BLM Montana/Dakotas State Director. "Responsible shooting starts with awareness of your surroundings, your target and what lies beyond it. Please help keep these shared spaces safe and accessible for all."

Know Your Target ~ Shooting over ridgelines or into areas where you cannot clearly see what's behind your target is dangerous and can result in injury or death. Always be sure of your target and what lies beyond it. Be alert to other visitors who may be hiking, camping or working nearby.

Help Prevent Wildfires

As conditions become drier, so does the risk of wildfires. Shooters should avoid flammable vegetation, carry a fire extinguisher or water, and take extra care with equipment and vehicles:

Leave It Better Than You Found It

Everyone plays a role in protecting public lands. Recreational shooters should pack out all shell casings, targets and trash. Never attach targets to trees, signs or other natural features. Shooting at or damaging public property, wildlife structures or cultural sites is illegal.

Public lands are shared by all. Respectful behavior ensures that everyone, including landowners, wildlife, and fellow recreationists, can continue to safely enjoy these spaces.

For maps, safety tips and shooting guidelines, visit your local BLM field office or www.blm.gov. To report vandalism or illegal activity on public lands, call the BLM tip line at 1-800-637-9152.

April is National Pickleball Month

If you would like to learn to play America's fastest growing sport, free public pickleball instruction is still available on Saturday April 19th at 10:30 a.m. to 12:30 p.m. presented by Beaverhead Pickleball Association. The Association will supply the paddles and balls for the free lesson all you need is a clean pair of tennis shoes. The courts are located at 1573 Overland Road, Dillon in the Chris Kraft Beaverhead County Park. To preregister go to pickleballbcmontana.com/about-1.

If you are interested in playing but need equipment to do so, the Dillon Public Library has pickleball kits with paddles and balls that can be checked out. All you need is a library card.

Beaverhead County Beavers Edge Out Butte Bulldogs, 3-2, In Pitching Duel

Jeremy Crawford, Southwestern Montana News

Both teams showcased strong performances on the mound Friday, but it was the Beaverhead County Varsity Beavers who emerged victorious, defeating the Butte Varsity Bulldogs 3-2.

Cohen Hartman was instrumental for the Beavers, starting the game and recording 18 outs. Hartman pitched six innings, allowing just three hits and one unearned run, while striking out nine and walking one.

The Beavers got on the scoreboard early in the first inning when Marcus Lagunas was hit by a pitch, the Bulldogs committed an error, and Will Hansen walked, each contributing to a run.

Hartman secured the win for Beaverhead County, while Jaxon Williamson took the loss for Butte. Williamson went three and two-thirds innings, allowing three runs (one earned) on no hits, with eight strikeouts and seven walks. Logan Fox entered the game to collect the save.

Offensively, Lagunas and Hansen each drove in a run. Andrew Bartlome went 1-for-3 to lead the team in hits. The Beavers were patient at the plate, drawing seven walks, with Trenton Moreni and Hartman leading with two each. Defensively, the Beavers executed one double play.

For Butte, Cayde Stajcar stood out with two hits in three at-bats. Will Stepan and Karsen Mcewen each drove in a run for the Bulldogs.

The Beaverhead County Varsity Beavers are set to travel to face the Park Varsity Rangers on Saturday for their next matchup.

Dillon Beavers Softball Fall To Frenchtown Broncs

Jeremy Crawford, Southwestern Montana News

The Dillon Beavers Varsity team faced a tough match on Friday, losing to the 2025 Frenchtown High School Varsity Broncs with a final score of 10-1.

Frenchtown made a significant impact in the top of the sixth inning, capitalizing on errors and a single by Makenzie Brush to score five runs. The Broncs continued to dominate in the seventh inning with five more runs, highlighted by a two-run homer from Ryan Lucier.

Adyson Creighton started in the circle for Dillon, pitching six innings and allowing four hits and seven runs (three earned), while striking out nine and walking three. Frenchtown's Ryan Lucier pitched a strong game, giving up five hits and one run over seven innings, with 16 strikeouts and five walks.

Kylie Konen led Dillon with two hits out of four at-bats. Kinzy Creighton showcased speed on the bases, stealing two of the team's six overall stolen bases. Dillon players demonstrated patience at the plate, earning five walks during the game.

For Frenchtown, Lucier and Brush made key contributions, with Lucier driving in two runs and Brush leading in hits. Delanie Magnuson was disciplined at the plate, securing two walks, and the team collectively showed strong fielding with no errors made. Aspen Courtnet was pivotal in defense, making 17 plays.

The Dillon Beavers are set to travel to face the Stevensville Varsity Yellowjackets for their next game on Saturday.

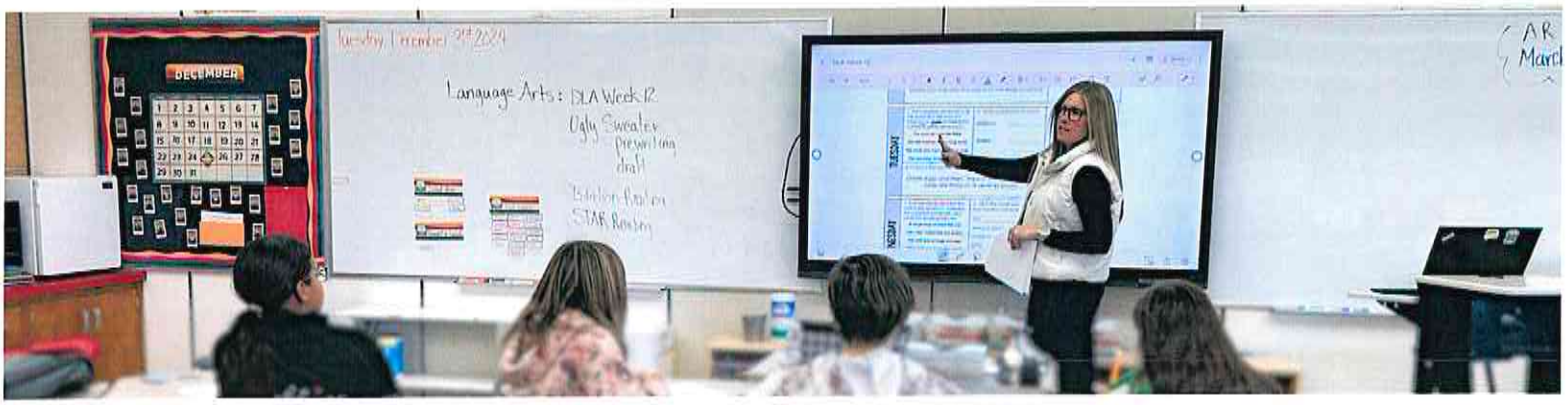
Dillon Elementary School District #10

2025 Technology Levy



By the Numbers

$150,000

Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

10 year term for levy

If approved, the technology levy would remain in place until 2035.

14.7% less per-pupil

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent $11,388 per pupil, in contrast to Montana's state average of $13,346, as reported in the 2022-2023 school year.

$50,000 - $1 million

Monetary losses to school districts following a cyber incident ranged from $50,000 to $1 million according to the U.S. Government Accountability Office.

23 years

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a $50,000 annual technology levy.

141%

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

$275,000 current shortfall

Current technology costs exceed the existing $50,000 technology levy by $275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm **Tuesday, March 18th at 6:00pm** **Thursday, April 10th at 7:00pm**

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a $150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
$8.01 per year	*Estimate for a home with a market value of $100,000*
$24.02 per year	*Estimate for a home with a market value of $300,000*
$48.03 per year	*Estimate for a home with a market value of $600,000*

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:
Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:
Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:
Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:
Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at https://www.dillonschools.org/page/2025-technology-levy or scan the QR Code.

Beaverhead County High School Technology Levy 2025

BCHS Students need help keeping up with the ever- evolving Technological world. We are proposing a Technology Levy this year to keep our students up to date, safe, and ready for the workplace. We have not run a Technology Levy since 2007.

2007 vs 2024

2007	2024
THERE WAS ONLY ONE CYBER ATTACK OF RECORD AND THAT WAS IN ESTONIA	THERE WERE OVER 480,000 CYBER ATTACKS IN THE U.S. ALONE
REQUIRED BENCHMARK AND STATE TESTING WAS COMPLETED ON PAPER	BENCHMARK AND STATE TESTING IS REQUIRED TO BE COMPLETED ONLINE
ALL CURRICULUM IS OFFERED IN PAPER AND BOOK FORMAT	CURRICULUM IS MOVING TO PARTIALLY OR FULLY ONLINE
TRADITIONAL LITERACY SKILLS WERE ESSENTIAL FOR FUTURE SUCCESS	DIGITAL LITERACY SKILLS ARE ESSENTIAL FOR FUTURE SUCCESS

What is Included in the Technology Budget?

The Technology budget supports more than just Computer Hardware and Software.

- Fire Security
- Door Locks & Bells
- Surveillance Cameras
- Student Information System (PowerSchool)
- Cyber Security
- Disaster Communication

Keeping Our Students Safe

The education sector in the United States is consistently among the most targeted for cyberattacks and data theft. K-12 schools are a leading target for ransomware attacks.

Phishing: Cyber attack, primarily on email, appearing to be from a credible source aiming to trick the recipient into providing sensitive information; passwords, bank information, etc.

A Full 35% of our current annual levy is spent on keeping students and database safe.

Beaverhead County High School Technology Levy 2025

Budget VS Current Technology Levy

Current Technology Levy **$50,000**
Annual Technology Expense **$151,000**
(Expenses increase 3%-5% every year)

We are currently investing over **$100,000** to maintain the tools and resources that support student learning, teacher instruction, and essential programs. This gap is unsustainable. We are at risk of losing critical technology services. The levy is not just about funding equipment it's about preserving the innovative programs that make a difference in our students' education every day.

Estimated Tax Increase

Current Tech Levy	$50,000 Annually
Proposed Tech Levy	$175,000 Annually
New Total Tech Levy	**$225,000 Annually**

Your Estimated Cost:

If your home is worth $100,000
- $2.00 is your current annual tax
- $7.02 Estimated annual increase
- **$9.02 Estimated new annual total**
- *75 Cents Monthly estimate*

If your home is worth $200,000
- $4.01 is your current annual tax
- $14.04 Estimated annual increase
- **$18.05 Estimated new annual total**
- *$1.50 Monthly estimate*

If your home is worth $300,000
- $6.02 is your current annual tax
- $21.05 Estimated annual increase
- **$27.07 Estimated new annual total**
- *$2.26 Monthly estimate*

If your home is worth $600,000
- $12.04 is your current annual tax
- $42.11 Estimated annual increase
- **$54.15 Estimated new annual total**
- *$4.51 Monthly estimate*

Let's Bring it Home!

Just as in a household, technology in a business or school setting has the same limitations and needs as your mobile phone:

- **Annual Fees**
- **Cost Increases**
- **Constant Updates**
- **Maintenance and Repair**
- **After a few short years it is outdated and needs to be upgraded.**

Failure to adapt means leaving students at a disadvantage in an increasingly digital world. Today's students must have technology training and familiarity to ensure that their education remains relevant, secure, and future ready!
