UMW Glass Program to Host Artist in Residence Michiko Sakano

The University of Montana Western is honored to welcome internationally acclaimed glass artist Michiko Sakano as an artist in residence from April 21-25. Sakano will share her expertise during a free public presentation and glassblowing demonstration on Saturday, April 26, in UMW's Emerick Art Studio.

G L A S S A R T I S T Michiko Sakano

Born and raised in Kanazawa, Japan, a city celebrated for its rich craft traditions, Sakano comes from a family with a deep-rooted history in kimono making. This heritage has profoundly influenced her artistic approach, emphasizing minimalism, disciplined lines, and meticulous handcraftsmanship.

Sakano earned her Bachelor of Fine Arts in Sculpture from Syracuse University and her Master of Fine Arts from the Massachusetts College of Art and Design. In 2000, she co-founded One Sixty Glass in Williamsburg, Brooklyn, establishing a full-service glass design and fabrication studio. Over the years, she has collaborated with renowned designers such as Lindsey Adelman and Jorge Pardo, and her work has been featured in prominent publications including The New York Times, Architectural Digest, and Elle Décor.

As an educator, Sakano has taught at institutions such as the Cleveland Institute of Art, MIT, New York University, Ohio State University, Tyler School of Art, University of Wisconsin, UrbanGlass, Pilchuck Glass School, and the Penland School of Craft, as well as programs in Europe and Japan.

During her visit, Sakano will work closely with UMW students, guiding them as they explore new techniques and approaches to glassblowing. This residency offers students a unique opportunity to learn directly from an expert in the field and gain insight into both the creative and technical aspects of working with glass.

Dillon, MT Since 1991

The residency will conclude with a free public presentation and demonstration on Saturday, April 26, in UMW's Emerick Art Studio. The presentation will begin at 3:30 p.m., followed by a live demonstration at 5:00 p.m., where attendees can experience the glassblowing process up close. This event is free and open to the public and provides an exciting opportunity for the campus and broader community to engage with a highly skilled artist.

For more information, please contact UMW's Glass Program Coordinator and Associate Professor of Fine Art, Ruth King, at ruth.king@umwestern.edu or call 406-683-7344.

Special Meeting April 14, 2025

By: MJ

Agenda item: Wendland's statement \$483,100.94±. City to vote on "Pay or Not Pay." It appears the interest was adjusted lower changing amount owed from \$517,857.06±. The city received a demand letter from Mr. Wendland or a representative of his to pay the statement by April 15, 2025. Thus, the Special Meeting.

Note: This article will not play the game of using names on who said what or when. The council is a part of how the local government is formed, Weak Mayor, Strong Council. They are a group of honorable elected citizens to discuss issues and represent the city. Many issues had to be openly discussed by the council. Thanks to the council for putting them on the table for discussion.

The meeting was about paying Mr. Wendland's statement presented to the mayor on the expenses he sustained preparing for the construction of a paved road in "Westside Addition. This area became a sub-division sometime in the first decade of the 1900's.

City of Dillon had a written signed contract between the City and Mr. Wendland. Contract was signed on February

Hunting permit drawing results now available

The drawings for Montana deer and elk permits and for nonresident combination licenses are complete and applicants can check their results online. This is the fifth year of the new online application process, which allows Fish, Wildlife & Parks to complete the drawing much faster than in years past.

There are a few ways to get your drawing results. Visit fwp.mt.gov, click on MyFWP Login in the upper righthand corner, then click on Lookup Draw Results, Register for Lists tab on the left-hand menu, or login to your MyFWP account. You may also sign up for an account at myfwp.mt.gov. Applicants may also call any FWP Regional office or the licensing office at 406-444-2950.

Deadline reminders: The deadline to apply for moose, bighorn sheep, mountain goat and bison is May 1; the deadline to apply for elk B, deer B, and antelope is June 1. All applications must be completed online or at an FWP office. Most FWP offices with license sales are open Monday through Friday, from 8 a.m. to 5 p.m.

APRIL SPAY/NEUTER CLINIC

The Kennel Club (a 501(c)3 non-profit) will be sponsoring a spay/neuter clinic at the National Guard Armory on Saturday and Sunday, April 26-27. Spay Montana, with their mobile veterinarians and technicians, is a grass-roots organization that provides free spays and neuters for animal owners in financial need. Appointments are required. Also this year, nonoptional protective cones are required for dogs. Kennel Club will have them available for purchase at \$5-\$10 each for pet owners who don't have a cone.

Spay Montana will also offer vaccinations: Rabies (\$15), Annual (\$15), or both for \$25. Microchipping will be offered for \$25. No appointment is needed.

Volunteers are welcome. Donations can be made to the Kennel Club account at Stockman Bank. To make a spay/neuter appointment or to volunteer, please call (406) 683-4564 or (406) 683-3696.

Dillon Garden Club April Workshop

The Dillon Garden Club will host a "Garden to Go" workshop on Monday, April 28, at 6:00 pm at the Bank of Commerce Conference Room, 2nd Floor, located at 110 South Idaho Street.

We are thrilled to have you join us for this exciting event! Cathy Speich-Ferguson will give a presentation about the FREE Seed Library offered at the Dillon Public Library. Following the program, each participant will have the opportunity to check out their choice of selected garden seeds to take home and plant in their Free mini "Garden to Go" starter kit, which includes peat pots, potting mix, and plant identification picks provided by the Dillon Garden Club. Don't miss out on this fantastic educational event!

Feel free to bring along friends and family who might be interested in gardening! This is a great opportunity to learn more about gardening and connect with fellow enthusiasts. We value your participation and look forward to seeing you there. Let's work together to make our gardens thrive!

The Dillon Garden Club business meeting will follow at 7:00 pm, and all are invited to attend.

Mark your calendars for Monday, April 28, at 6:00 pm. We look forward to seeing you there!

Spring Bible Meetings

You are invited to bring friends and family to Spring Bible Meetings with Evangelist Gerald Fielder for Sermon on Resurrection and music at Stone Creek Bible Church, Hwy 41 & 55 Taylor Drive, Dillon, MT.

The meeting will be Sunday, April 20th at 10:00 am SS, 11 am and 6 pm. Sunday Noon Buffet after the morning service.

Mon - Wed, April 21st - 23rd service at 7 pm, Snacks to follow. For more information 406-479-4019.

Beavers Fall to Belgrade Panthers, 8-2

Jeremy Crawford, Southwestern Montana News

Despite out-hitting their opponents, the Beaverhead County Varsity Beavers fell to the Belgrade Varsity Panthers 8-2 on Tuesday. The Beavers accumulated 10 hits compared to the Panthers' seven but couldn't convert those opportunities into runs.

The Belgrade Panthers struck first in the bottom of the first inning. Cade Thomas drew a walk, scoring the first run, followed by Mason Zimmer, who tripled to bring in two additional runs. An error allowed another run to score, giving the Panthers an early 4-0 lead.

In the third inning, a sacrifice fly from Zimmer extended Belgrade's lead to 5-1.

Brayton Van Dyken earned the win for the Panthers, pitching a complete game while allowing 10 hits and two runs (one earned) over seven innings, striking out four hitters and walking two. Sawyer Tackett took the loss for the Beavers, going three and one-third innings and surrendering seven runs (four earned) on six hits, while striking out two and walking three.

The Beavers managed to score with contributions from Jase Alvarez and Will Hansen, each driving in one run.

Zimmer was a standout performer for Belgrade, going 2-for-3 at the plate and leading the team with three runs batted in. The Panthers showcased their aggressive base running, accumulating four stolen bases throughout the game, and they turned one double play defensively.

Next up for the Beaverhead County Varsity Beavers is an away game against the Hamilton Broncs Varsity 2025 on Friday, where they hope to bounce back from this loss.

Veteran's Corner Update # 304
By Mike Lawson
Veteran News Updates:

• There's many Veteran Fundraisers that are special occasions that bring veterans and the communities they live in together in a positive way. Today we went to a breakfast sponsored by the local Elks to benefit our local SW MT Veteran's Home. This is a positive caring place where the Veterans living there are well taken care and it's probably where they will see their lives pass on to the other side. Our SW MT Veteran's Home Foundation is very active, as well as many other community groups, in providing items and services that enhance the quality of life these Veterans deserve and appreciate. Our fundraisers are an example of Veterans helping Veterans. If any of you can contribute in any way when you see us out there putting on one of these events, please consider it.

• An interesting statistic for Montana Veterans is that 64% of eligible Montana Veterans are enrolled with the Montana VA Health Care System. That is 47,132 of the 73,744 eligible veterans that are enrolled. Under the PACT Act, more than 35,000 veterans have been screened for toxic exposure. Across the country the PACT Act has expanded benefits for veterans exposed to toxic substances, which has led to a surge in VA health care enrollment. Those of us who are DAV Van Drivers have seen many suffering from diseases such as cancers, Parkinson's, and the list goes on. Many of these Veterans have what they do because of toxic exposures. It's a blessing that we have the VA Health Care System. I've been enrolled for over 25 years. It has been rated one of the best Health Care Systems in the world, year after year. Lets pray it will always be there for us and our future Veterans.

• If you're 45 or older it's important to get screened for Colorectal Cancer. You can even do home screening, but the fact is many lives are saved because of being screened. My Dad ended up dying from colorectal cancer at the age of 76. Because of this the VA has me get a colonoscopy every three years. They have removed a number of polyps through the years that were benign but if left could have turned cancerous. It's smart and advisable to get checked.

Easter is Sunday and may you all have a great and meaningful time with family and friends.

Beavers Edge Out Hamilton Broncs In Pitching Duel, 1-0

Jeremy Crawford, Southwestern Montana News

Both teams showcased strong performances on the mound on Tuesday, but it was the Dillon Beavers who emerged victorious, defeating the Hamilton Broncs 2025 with a narrow score of 1-0.

Adyson Creighton was outstanding for the Beavers, starting the game and recording a total of 21 outs over seven innings. Dillon grabbed an early lead, scoring the lone run of the game on a tag-up play in the first inning.

Creighton earned the win, allowing just two hits and no runs while striking out nine batters and walking four. Mariah Johnson took the loss for the Broncs, pitching a complete game as well, surrendering one run on four hits, striking out an impressive 13, and walking one.

Adyson Creighton led the Beavers offensively with one RBI, while Bailey Blake had a strong game at the plate, going 2-for-3, which topped the team in hits. The Beavers also exhibited solid defensive play, executing one double play and committing no errors in the field, with Kinzy Creighton recording the most fielding chances with 10.

For the Hamilton Broncs, Kennidi Cooper and Mariah Johnson each tallied one hit. Johnson distinguished herself further by throwing an immaculate inning in the second, striking out the side on nine pitches. She also stole two bases during the game. The Broncs showed their defensive prowess as well, ending the game without committing a single error, led by Addison Flynn, who had the most opportunities in the field with 13.

The Dillon Beavers are set to play at home this Thursday against the Corvallis Blue Devils, looking to continue their successful run.

Coach Creighton notes and highlights: A few notes:

Last year we lost to Hamilton in Hamilton by 1 in a walk off. And then we beat Hamilton by 1 at home with a walk off hit. So another close game but great to get that win on the road.

As a team we showed up defensively committing 0 errors. Kinzy Creighton made a diving catch on a bunt that got popped up. On her attempt to turn a double play at 1, she over threw Kylie Konen at 1st, but RF Ashlyn Burk was right there, and doubled off the runner at 1st. Bailey Blake went 2-3 at the plate hitting 2 singles. Adyson Creighton had our sole RBI, with a sac fly that scored Tyler Gibson in the first inning. Adyson was also stellar at the mound, giving up 0 runs and only 2 hits on the day, striking out 9.

Where the West Comes to Rest

4 N. IDAHO ST., DILLON • 406-988-0848

Beaverhead County High School Technology Levy 2025

BCHS Students need help keeping up with the ever- evolving Technological world. We are proposing a Technology Levy this year to keep our students up to date, safe, and ready for the workplace. We have not run a Technology Levy since 2007.

2007 vs 2024

THERE WAS ONLY **ONE** CYBER ATTACK OF RECORD AND THAT WAS IN ESTONIA

THERE WERE OVER **480,000** CYBER ATTACKS IN THE U.S. ALONE

REQUIRED BENCHMARK AND STATE TESTING WAS COMPLETED ON **PAPER**

BENCHMARK AND STATE TESTING IS REQUIRED TO BE COMPLETED **ONLINE**

ALL CURRICULUM IS OFFERED IN **PAPER AND BOOK** FORMAT

CURRICULUM IS MOVING TO **PARTIALLY OR FULLY ONLINE**

TRADITIONAL LITERACY SKILLS WERE ESSENTIAL FOR FUTURE SUCCESS

DIGITAL LITERACY SKILLS ARE ESSENTIAL FOR FUTURE SUCCESS

What is Included in the Technology Budget?

The Technology budget supports more than just Computer Hardware and Software.

- Fire Security
- Door Locks & Bells
- Surveillance Cameras
- Student Information System (PowerSchool)
- Cyber Security
- Disaster Communication

Keeping Our Students Safe

CYBER ATTACKS AGAINST SCHOOLS ARE ON THE RISE

RANSOMWARE ATTACKS INCREASED LAST YEAR
827%

MALWARE ATTACKS INCREASED LAST YEAR
323%

The education sector in the United States is consistently among the most targeted for cyberattacks and data theft. K-12 schools are a leading target for ransomware attacks.

CYBER ATTACKS AGAINST MONTANA SCHOOLS ARE ON THE RISE

OF PHISHING LINKS TO MONTANA SCHOOL DISTRICT EMPLOYEES THAT MADE IT THROUGH EMAIL FILTERS AND SECURITY TOOLS INCREASED BY

1,100%

Phishing: Cyber attack, primarily on email, appearing to be from a credible source aiming to trick the recipient into providing sensitive information; passwords, bank information, etc.

A Full 35% of our current annual levy is spent on keeping students and database safe.

Beaverhead County High School Technology Levy 2025

Budget VS Current Technology Levy

Current Technology Levy **\$50,000**
Annual Technology Expense **\$151,000**
(Expenses increase 3%-5% every year)

We are currently investing over \$100,000 to maintain the tools and resources that support student learning, teacher instruction, and essential programs. This gap is unsustainable. We are at risk of losing critical technology services. The levy is not just about funding equipment it's about preserving the innovative programs that make a difference in our students' education every day.

Estimated Tax Increase

Current Tech Levy \$50,000 Annually
Proposed Tech Levy \$175,000 Annually
New Total Tech Levy **\$225,000 Annually**

Your Estimated Cost:

If your home is worth \$100,000

- \$2.00 is your current annual tax
- \$7.02 Estimated annual increase
- **\$9.02 Estimated new annual total**
- *75 Cents Monthly estimate*

If your home is worth \$200,000

- \$4.01 is your current annual tax
- \$14.04 Estimated annual increase
- **\$18.05 Estimated new annual total**
- *\$1.50 Monthly estimate*

If your home is worth \$300,000

- \$6.02 is your current annual tax
- \$21.05 Estimated annual increase
- **\$27.07 Estimated new annual total**
- *\$2.26 Monthly estimate*

If your home is worth \$600,000

- \$12.04 is your current annual tax
- \$42.11 Estimated annual increase
- **\$54.15 Estimated new annual total**
- *\$4.51 Monthly estimate*

Let's Bring it Home!

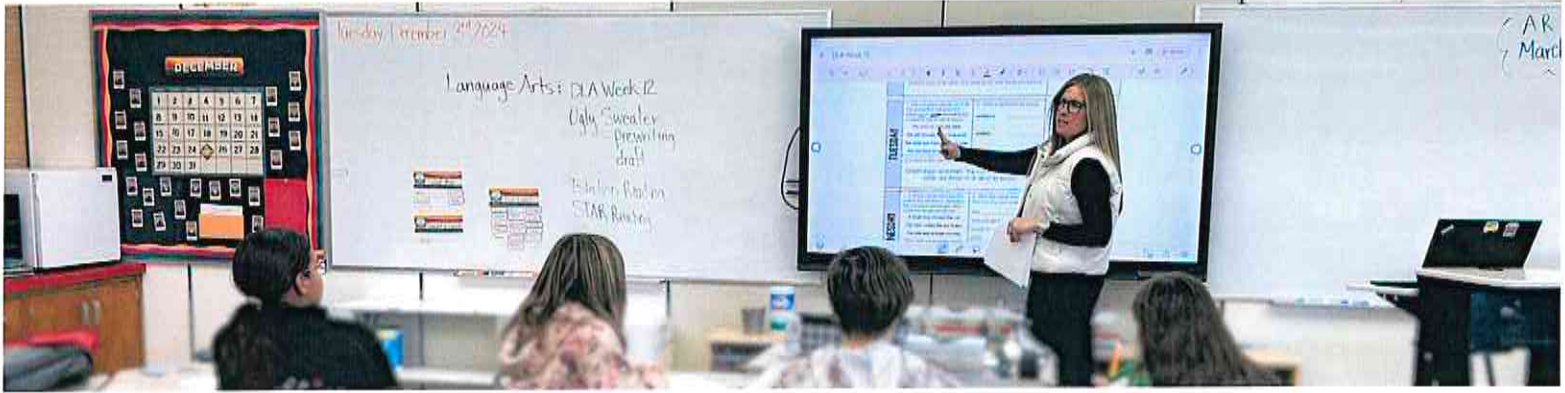

Just as in a household, technology in a business or school setting has the same limitations and needs as your mobile phone:

- **Annual Fees**
- **Cost Increases**
- **Constant Updates**
- **Maintenance and Repair**
- **After a few short years it is outdated and needs to be upgraded.**

Failure to adapt means leaving students at a disadvantage in an increasingly digital world. Today's students must have technology training and familiarity to ensure that their education remains relevant, secure, and future ready!

Dillon Elementary School District #10

2025 Technology Levy

By the Numbers

 **\$150,000** Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

 **10 year term for levy**
If approved, the technology levy would remain in place until 2035.

 **14.7% less per-pupil**
Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent \$11,388 per pupil, in contrast to Montana's state average of \$13,346, as reported in the 2022-2023 school year.

 **\$50,000 - \$1 million**
Monetary losses to school districts following a cyber incident ranged from \$50,000 to \$1 million according to the U.S. Government Accountability Office.

 **23 years**
Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a \$50,000 annual technology levy.

 **141%**
Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

 **\$275,000 current shortfall**
Current technology costs exceed the existing \$50,000 technology levy by \$275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm

Tuesday, March 18th at 6:00pm

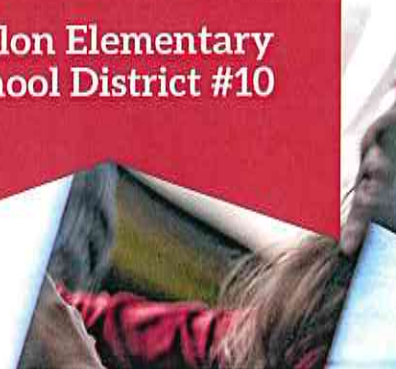

Thursday, April 10th at 7:00pm

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary
School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a \$150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
\$8.01 per year	Estimate for a home with a market value of \$100,000
\$24.02 per year	Estimate for a home with a market value of \$300,000
\$48.03 per year	Estimate for a home with a market value of \$600,000

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:

Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:

Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:

Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:

Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.
