Mon - Wed, April 21st - 23rd service at 7 pm, Snacks to follow. For more information 406-479-4019.

UMW P.A.T.H. and Women's Resource Center: Take a Stand Against Sexual Violence at Walk a Mile in Her Shoes

In recognition of Sexual Assault Awareness Month, the University of Montana Western's P.A.T.H. (Peers Advocating Towards Health) and the Women's Resource Center invites the community to take part in Walk a Mile in Her Shoes, an annual event that raises awareness about sexual violence, gender-based violence, and the importance of supporting survivors. This powerful demonstration will take place on Thursday, April 24, at 3:30 pm at the Roe House on UMW's campus.

Walk a Mile in Her Shoes is an international march where participants walk in high heels to spark conversation and encourage action in preventing sexual violence. While the event is symbolic, the message is serious, ending sexual violence requires community involvement, education, and advocacy.

"This event is more than just a walk, it's an opportunity for individuals, families, and organizations to come together, listen to survivors, and take a stand against violence," said Bronwyn Comer, P.A.T.H. Sexual Assault and Rape Prevention Representative. "By stepping into this experience, we hope to foster deeper conversations about the impact of sexual violence and how we can work together to create a

safer community."

Community members of all genders are encouraged to participate, and high heels will be provided for those who wish to take on the challenge. Participants may also walk in their own shoes to show their support. The event will include speeches from advocates and survivors, resource booths from local organizations, and an opening ceremony honoring those impacted by sexual violence.

Speakers will include author Cherie Lewis, who will share her insights and experiences, offering inspiration and empowerment to those in attendance.

The Women's Resource Center provides essential support to survivors of sexual violence in Beaverhead and Madison counties. Our free and confidential services are designed to meet the unique needs of survivors, empowering them to heal on their own terms.

For more information, please contact Bronwyn, P.A.T.H. Sexual Assault and Rape Prevention Representative, at bronwyn.comer@umwestern.edu, or the Women's Resource Center at (406) 683-6106.

**April is National Pickleball Month**

If you would like to learn to play America's fastest growing sport, free public pickleball instruction is still available on Saturday April 19th at 10:30 a.m. to 12:30 p.m. presented by Beaverhead Pickleball Association. The Association will supply the paddles and balls for the free lesson all you need is a clean pair of tennis shoes. The courts are located at 1573 Overland Road, Dillon in the Chris Kraft Beaverhead County Park. To preregister go to pickleballbcmontana.com/about-1.

If you are interested in playing but need equipment to do so, the Dillon Public Library has pickleball kits with paddles and balls that can be checked out. All you need is a library card.

Dillon Volunteer Fire Dept. Responds To Brush Fire

Jeremy Crawford, Southwestern Montana News

On Wednesday evening, the Dillon Volunteer Fire Department was dispatched to respond to a brush fire off Gamblers Run Road.

The fire began when a homeowner added wood to an outdoor wood-fired boiler and heating system. A few embers flew out and landed in a nearby field, igniting the dry grass.

The blaze spread rapidly due to high winds in the area. The DVFD, in conjunction with the Sheriff's Department, acted swiftly to contain the fire. As of now, crews are working diligently to extinguish hotspots and ensure that the fire does not reignite amid continuing windy conditions.

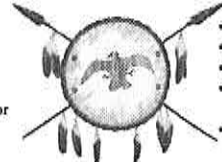

The Dillon Volunteer Fire Department reminds the public that even though it is spring, the ground remains dry, and accidental fires can start easily.

Authorities will provide updates as more information becomes available regarding the situation and any potential impacts on the surrounding area.

Shannon Maness Legislative Update

Hello again from Helena. We have completed week 14 and are three-quarters of the way through the session. All House bills are now with the Senate, and all Senate bills have been passed to the House. House Republicans are diligently working to deliberate on the solutions we will implement before the end of the session. Our priorities this week included expanding freedom of speech, protecting children, and reining in an overreaching judiciary. Some of these topics resulted in wins, while others were losses.

With property tax relief and judicial reform still unresolved, House Republicans will continue debating in the final days of the 69th legislative session.

After the House spent an entire day discussing the budget, we ended up with a larger budget and increased spending. Calculations indicate that the budget has grown between 11% and 18% compared to the last biennium. The budget bill is now in the hands of the Senate, which will also have the opportunity to make changes. We'll have to wait and see what the final product looks like and what adjustments the Governor will make once he reviews it. One thing is clear: we will not be shrinking the size of government any time soon. As I have mentioned before, we continue to see bills funding various pet projects, and money is being funneled into "trust" accounts that are not accountable to the Legislature and can be spent outside of the normal appropriations process.

Examining the increase in spending raises an important question: "What about property taxes?" So far, we have not passed a comprehensive tax relief bill that would benefit all citizens. Various bills have come forward, each with certain advantages for specific properties, but they often shift the tax burden onto other sectors. For example, some proposals suggest decreasing residential property taxes while increasing commercial taxes or shifting the burden to utility companies and agricultural land. In my opinion, the best way to achieve a permanent solution is by reducing spending and shrinking the size of government. Every state, including our federal government, has grown beyond the limits set by our respective constitutions, resulting in bloated administrations.

Many might argue that property taxes are primarily local taxes and that the state has limited control over them; this is only partially correct. In Beaverhead County, we have done a respectable job of tightening our belts while still operating effectively. Given the

inflation we have experienced in recent years—primarily due to the federal government printing billions of dollars and injecting them into the economy—and the rising costs of materials, the situation has become even more challenging. This again reinforces the argument that reduced government spending contributes to a stronger economy.
 As we approach the finish line, I will continue to work diligently for everyone and strive tirelessly to develop sound solutions. Please feel free to reach out with any questions.

APRIL SPAY/NEUTER CLINIC
 The Kennel Club will be sponsoring a spay/neuter clinic at the National Guard Armory on Saturday and Sunday, April 26-27. Spay Montana is a grass-roots organization that provides free spays and neuters for animal owners in financial need. Appointments are required. Also this year, nonoptional protective cones are required for dogs. Kennel Club will have them available for purchase at \$5-\$10 each for pet owners who don't have a cone.
 Spay Montana will also offer vaccinations: Rabies (\$15), Annual (\$15), or both for \$25. Microchipping will be offered for \$25. No appointment is needed.
 Volunteers are welcome. Donations can be made to the Kennel Club account at Stockman Bank. To make a spay/neuter appointment or to volunteer, please call (406) 683-4564 or (406) 683-3696.

Dillon Elementary School District #10

2025 Technology Levy

By the Numbers

 **\$150,000** Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

 **10 year term for levy**
If approved, the technology levy would remain in place until 2035.

 **14.7% less per-pupil**
Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent \$11,388 per pupil, in contrast to Montana's state average of \$13,346, as reported in the 2022-2023 school year.

 **\$50,000 - \$1 million**
Monetary losses to school districts following a cyber incident ranged from \$50,000 to \$1 million according to the U.S. Government Accountability Office.

 **23 years**
Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a \$50,000 annual technology levy.

 **141%**
Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

 **\$275,000 current shortfall**
Current technology costs exceed the existing \$50,000 technology levy by \$275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm

Tuesday, March 18th at 6:00pm

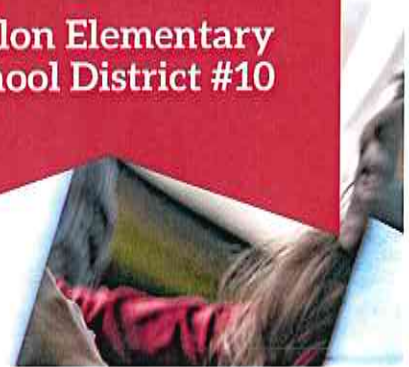

Thursday, April 10th at 7:00pm

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary
School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a \$150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
\$8.01 per year	Estimate for a home with a market value of \$100,000
\$24.02 per year	Estimate for a home with a market value of \$300,000
\$48.03 per year	Estimate for a home with a market value of \$600,000

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:

Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:

Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:

Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:

Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at <https://www.dillonschools.org/page/2025-technology-levy> or scan the QR Code.

Beaverhead County High School Technology Levy 2025

BCHS Students need help keeping up with the ever- evolving Technological world. We are proposing a Technology Levy this year to keep our students up to date, safe, and ready for the workplace. We have not run a Technology Levy since 2007.

2007 vs 2024

THERE WAS ONLY **ONE** CYBER ATTACK OF RECORD AND THAT WAS IN ESTONIA

THERE WERE OVER **480,000** CYBER ATTACKS IN THE U.S. ALONE

REQUIRED BENCHMARK AND STATE TESTING WAS COMPLETED ON **PAPER**

BENCHMARK AND STATE TESTING IS REQUIRED TO BE COMPLETED **ONLINE**

ALL CURRICULUM IS OFFERED IN **PAPER AND BOOK** FORMAT

CURRICULUM IS MOVING TO **PARTIALLY OR FULLY ONLINE**

TRADITIONAL LITERACY SKILLS WERE ESSENTIAL FOR FUTURE SUCCESS

DIGITAL LITERACY SKILLS ARE ESSENTIAL FOR FUTURE SUCCESS

What is Included in the Technology Budget?

The Technology budget supports more than just Computer Hardware and Software.

- Fire Security
- Door Locks & Bells
- Surveillance Cameras
- Student Information System (PowerSchool)
- Cyber Security
- Disaster Communication

Keeping Our Students Safe

CYBER ATTACKS AGAINST SCHOOLS ARE ON THE RISE

RANSOMWARE ATTACKS INCREASED
827%
LAST YEAR

MALWARE ATTACKS INCREASED
323%
LAST YEAR

The education sector in the United States is consistently among the most targeted for cyberattacks and data theft. K-12 schools are a leading target for ransomware attacks.

CYBER ATTACKS AGAINST MONTANA SCHOOLS ARE ON THE RISE

OF PHISHING LINKS TO MONTANA SCHOOL DISTRICT EMPLOYEES THAT MADE IT THROUGH EMAIL FILTERS AND SECURITY TOOLS INCREASED BY

1,100%

Phishing: Cyber attack, primarily on email, appearing to be from a credible source aiming to trick the recipient into providing sensitive information; passwords, bank information, etc.

A Full 35% of our current annual levy is spent on keeping students and database safe.

Beaverhead County High School Technology Levy 2025

Budget VS Current Technology Levy

Current Technology Levy **\$50,000**
Annual Technology Expense **\$151,000**
(Expenses increase 3%-5% every year)

We are currently investing over **\$100,000** to maintain the tools and resources that support student learning, teacher instruction, and essential programs. This gap is unsustainable. We are at risk of losing critical technology services. The levy is not just about funding equipment it's about preserving the innovative programs that make a difference in our students' education every day.

Estimated Tax Increase

Current Tech Levy \$50,000 Annually
Proposed Tech Levy \$175,000 Annually
New Total Tech Levy **\$225,000 Annually**

Your Estimated Cost:

If your home is worth \$100,000

- \$2.00 is your current annual tax
- \$7.02 Estimated annual increase
- **\$9.02 Estimated new annual total**
- *75 Cents Monthly estimate*

If your home is worth \$200,000

- \$4.01 is your current annual tax
- \$14.04 Estimated annual increase
- **\$18.05 Estimated new annual total**
- *\$1.50 Monthly estimate*

If your home is worth \$300,000

- \$6.02 is your current annual tax
- \$21.05 Estimated annual increase
- **\$27.07 Estimated new annual total**
- *\$2.26 Monthly estimate*

If your home is worth \$600,000

- \$12.04 is your current annual tax
- \$42.11 Estimated annual increase
- **\$54.15 Estimated new annual total**
- *\$4.51 Monthly estimate*

Let's Bring it Home!

Just as in a household, technology in a business or school setting has the same limitations and needs as your mobile phone:

- **Annual Fees**
- **Cost Increases**
- **Constant Updates**
- **Maintenance and Repair**
- **After a few short years it is outdated and needs to be upgraded.**

Failure to adapt means leaving students at a disadvantage in an increasingly digital world. Today's students must have technology training and familiarity to ensure that their education remains relevant, secure, and future ready!

Accepting Applications

4/15-WC BILL

Honeybee Hospice is accepting applications for a Community Relations Specialist opening July 1st. This role involves a blend of responsibilities, including:

- * Volunteer coordination
- * Bereavement support
- * Event planning

* Creating marketing materials like flyers and brochures
* Maintaining and updating the organization's website
We're looking for someone creative, with a strong design sense, and proficiency in Canva (or the ability to learn it quickly).

The position offers hourly compensation ranging from \$20 to \$24, depending on experience, for 10 to 20 hours per week.

To apply, please send a resume to care@honeybeehospice.com or visit us at 1000 St. HWY 91 S, Bldg. B, Dillon, MT 59725. You can also reach us at 406-498-7149
