Beaverhead County Beavers Fall to Columbia Falls Wildcats, 9-8

Jeremy Crawford, Southwestern Montana News

Sawyer Tackett drove in five runs on four hits, but the Beaverhead County Beavers fell short against the Columbia Falls Varsity Wildcats, losing 9-8 on Saturday.

Despite trailing by four runs in the first inning, the Beavers demonstrated resilience and fought back. They closed the gap with a series of plays that included a triple, a single, a ground out, another triple, and a crucial error.

The Wildcats got on the board early in the bottom of the first inning when Jett Pitts doubled, bringing in three runs. Zeke Dunn then grounded out, scoring another run to put Columbia Falls ahead.

A single by Nico Young and a ground out by Reggie Sapa helped the Wildcats extend their lead in the second inning, but the Beavers eventually captured the lead, 8-7, in the top of the sixth. Tackett tripled to score two runs, and an error contributed an additional run.

Columbia Falls quickly bounced back in the bottom of the sixth, retaking the lead when Nico Young doubled and Reggie Sapa singled to center field, each scoring a run.

Nico Young earned the win for the Wildcats, allowing two hits and one unearned run over one and two-thirds innings, striking out three and walking one. Colby Garland took the loss for the Beavers, going two innings and giving up two runs on five hits without recording any strikeouts. Logan Fox started for the Beavers, allowing seven hits and seven runs over two innings, while striking out one and walking two. Reggie Sapa opened the game on the mound for Columbia Falls, allowing five hits and seven runs in five and one-third innings, striking out four and walking four.

In addition to Tackett's strong performance, Kanin Engelhardt collected two hits in three at-bats, while Tackett also stole two bases.

The Wildcats recorded a total of 14 hits, with Jett Pitts leading the team with three runs batted in and going 3-for-4 at the plate. Both Pitts and Nico Young had three hits for Columbia Falls, while Reggie Sapa, Jory Hill, and Cooper Ross each added multiple hits. The Wildcats also executed one double play during the game.

The Beaverhead County Beavers will look to rebound as they travel to face the Lone Peak Big Horns for their next game on Tuesday.

Lewis & Clark Caverns State Park announces tours for 2025 season

Tours offered starting May 1

Staff at Lewis & Clark Caverns State Park are pleased to reopen the cave and the upper visitor center for the 2025 season starting May 1.

In addition to tours of the cave, the park offers a variety of other recreational opportunities, including camping, trails, interpretive programs, a gift shop, café and much more.

Cave tours will be offered May 1 through Sept. 30. All cave tour tickets will be reservable until the day of, and any unsold tickets will then become available on a first-come, first-served basis at the park. Reservations can be made online at fwp.mt.gov/stateparks or by phone at 1-855-922-6768. Visitors are encouraged to check the website frequently as tour options, times and availability may change throughout the season. Tours cannot be reserved by calling the park directly.

The campground and trails are open, and the showers, comfort station and water stations will reopen as weather allows.

Paradise Tour: The Paradise Tour includes a view of the largest and most decorated room in the cave—the Paradise Room. This 1-mile tour lasts 90 minutes. It includes 15 stairs between two rooms, but the path is mostly level and wheelchair accessible. Because the Paradise Tour provides better accessibility and easier passage, this tour may be preferable for visitors with small children, claustrophobia, or those who prefer a less arduous experience. Tickets for the Paradise Tour are $10 for visitors ages 62 and older, $15 for visitors ages 15 to 61, $10 for kids ages 5 to 14, and free for anyone 4 or younger.

Classic Tour: The Classic Tour features a 2-mile journey through the majority of the developed cave and includes the second-largest and longest rooms on the cave tour. This tour

lasts two hours and includes more than 600 stairs, stooping and tight squeezes. It is not recommended for visitors with claustrophobia or those with mobility limitations.

Tickets for the classic tour are $15 for visitors ages 15 and older, and $10 for kids ages 5 to 14. Children ages 4 or younger are not allowed on the Classic Tour.

Planning your visit: Lewis & Clark Caverns State Park is a full-service park offering a wide variety of recreational activities, including an extensive trail system for hikers and bicyclists, a large family-friendly campground with a playground and bathhouse, two visitor centers, a café serving hot and cold meals, gift shop, amphitheater, and many interpretive programs and features in addition to cave tours. Camping options include electric and non-electric sites, cabins, a wall tent, and hiker/biker sites. Access to the Jefferson River for floating or fishing is available through several nearby fishing access sites. The cave itself features one of the most decorated limestone caverns in the Northwest, filled with spectacular stalactites, stalagmites, columns and helictites.

During the summer season the upper visitor center, café and gift shop will be open seven days a week from 9 a.m. to 5 p.m. The gate for the scenic drive to the upper plaza, roadside picnic areas and Greer Gulch Trailhead will be open seven days a week from 8:30 a.m. to 5:30 p.m. May through September.

An $8 entrance fee is required for visitors who are not residents of Montana and not staying in the campground. Residents of the state normally pay the fee with vehicle registration.

Bats occupy some rooms that are part of the Classic Tour. Bats can be susceptible to pathogens carried by people. For this reason, visitors are asked not to wear any clothing, shoes or accessories—including glasses, jewelry and cameras—that have been in another cave or mine in the past two years. This helps protect bat populations at the Caverns. White-nose syndrome, a fungus capable of killing entire bat colonies, can be transmitted easily and does not come out of clothing or other materials with normal washing methods. While it does not affect humans, it could have significant impacts to the cave ecosystem.

Lewis & Clark Caverns State Park is about 15 miles southeast of Whitehall along Montana Highway 2. For more information about the park, click here or call 406-287-3541.

This Week in Bulldog Athletics: April 21-27

TRACK & FIELD

The Montana Western Track and Field team continued their season last weekend at the Trudnowski Open hosted by Carroll College. Four women and two men recorded person records at the meet. In addition, Brody Henry led the Bulldogs after he won the men's 800m race in the field of seven competitors.

The Bulldogs now have one last tune up prior to the Frontier Conference Championships with the Montana Open on April 26 in Missoula, Mont. The meet is hosted by the University of Montana at Dornblaser Field.

MEN'S & WOMEN'S RODEO

The Montana Western rodeo team continued their spring rodeo season with a trip to the Hi-Line to compete in the MSU-Northern rodeo this past weekend. The Bulldog women won their first team title of the season after accumulating 395 points on the weekend. Laura Haight continued to shine for the women, finishing in first in barrel racing with a 27.17 average on the weekend. Trevor Kay claimed his second bareback title in a row this spring, totaling 158 points in two rides.

The Bulldogs will continue their spring season this upcoming weekend as they travel to the Miles Community College Rodeo #1 and #2. Events begin Thursday April 24 and will continue through Sunday April 27.

DRIVER'S EDUCATION SIGN-UP

State Approved Quality Program

The Driver's Education class will run from June 9, 2025 until approximately July 18, 2025. The class will run from 9:00-11:00 a.m. in the ASIT Wood Shop. The driving portion will take place twice a week as scheduled.

Minimum age limit: Student must be 14½ by June 9, 2025 (born on or before December 9, 2010.)

1). Parent or guardian must bring in a check payable to BCHS in the amount of $250.00 to be placed on the lottery list.

2). Sign up is from April 28, 2025 (Monday) through May 9, 2025 (Friday), by noon. Please call the office to find out if your student was drawn after May 14th. The class is limited to 24 students.

3). Packets need to be picked up in the BCHS main office between May 15-23, 2025

4). Mandatory Parent and student meeting will be held in the ASIT Wood Shop on Wednesday, May 28, 2025 at 6:00 p.m. Please have all applications, forms and information completed before the mandatory meeting.

Selection will be based on a lottery. Unsuccessful candidates will have their check returned.

Grasshopper Valley Ladies Club Scholarship

Attention Beaverhead County Graduating Seniors: Grasshopper Valley Ladies Club will award two $1000 scholarships to students going on to higher education. Applications can be received from the guidance counselor at your school or email grasshoppervalleyladiesclub@gmail.com Deadline is April 30.

Henry Takes Top Spot in 800m Race, Six Bulldogs Earn PRs at Trudnowski Open

The Montana Western Track and Field team continued their season at the Trudnowski Open hosted by Carroll College this weekend. Four women and two men recorded person records at the meet.

Highlights: Brody Henry had an impressive day on the track, winning the men's 800m race in the field of seven competitors.

Four Bulldog women recorded personal bests on the track, with two Bulldogs earning marks in the women's 1500m race. Ruby Smith and Kylee Wyatt each recorded PRs, with Smith placing 8th and Wyatt 12th in the race.

Gracie Yakos competed in the women's 100m hurdles, finishing with her own personal best with a 12th place finish. Olivia Canney rounded out the personal bests for the women's side on the day with a 3rd place finish in the 800m race.

Two Bulldog men finished with personal bests on the day. Wade Dahood finished in 3rd place in the men's 110m hurdles. Bridger Wheeler competed in the men's 800m race, recording a personal best time and placing 3rd.

Men's Results

- Brody Henry – 800m (1st, 2:00.61), 1500m (7th, 4:21.82)
- Noah Rovente – 1500m (13th, 4:47.33)
- Bridger Wheeler – 800m (3rd, 2:12.51), 1500m (14th, 4:48.89)
- Wade Dahood – 110m Hurdles (3rd, 16.13), Long Jump (5th, 5.70m)
- Erick Piazzola – 400m (9th, 55.50)
- Justin Maier – Discus (7th, 37.28m), Shot Put (14th, 10.94m)
- Carson Bain – Discus (8th, 36.67m), Shot Put (13th, 11.08m)
- Landon Darsow – Discus (13th, 32.89m), Shot Put (12th, 11.09m)
- Gunner Thomas – Javelin (8th, 28.50m)
- Tad Tackes – Shot Put (16th, 10.75m)

Women's Results

- Olivia Steadman - 1500m (5th, 5:11.02), 4x400m Relay (1st, 4:36.93)
- Ruby Smith – 1500m (8th, 5:21.59)
- Justene Santi – 1500m (10th, 5:27.70), 4x400m Relay (1st, 4:36.93)
- Kylee Wyatt – 1500m (12th, 6:33.32)

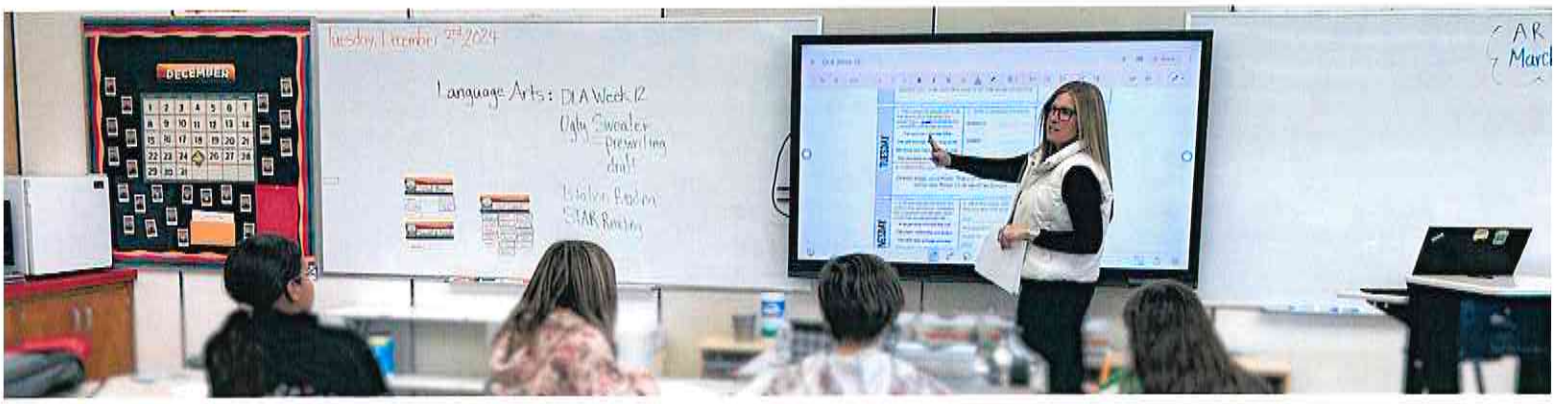
Dillon Elementary School District #10

2025 Technology Levy



By the Numbers

$150,000 Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

10 year term for levy

If approved, the technology levy would remain in place until 2035.

14.7% less per-pupil

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent $11,388 per pupil, in contrast to Montana's state average of $13,346, as reported in the 2022-2023 school year.

$50,000 - $1 million

Monetary losses to school districts following a cyber incident ranged from $50,000 to $1 million according to the U.S. Government Accountability Office.

23 years

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a $50,000 annual technology levy.

141%

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

$275,000 current shortfall

Current technology costs exceed the existing $50,000 technology levy by $275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm **Tuesday, March 18th at 6:00pm** **Thursday, April 10th at 7:00pm**

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a $150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
$8.01 per year	*Estimate for a home with a market value of $100,000*
$24.02 per year	*Estimate for a home with a market value of $300,000*
$48.03 per year	*Estimate for a home with a market value of $600,000*

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:
Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:
Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:
Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:
Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at https://www.dillonschools.org/page/2025-technology-levy or scan the QR Code.

Beaverhead County High School Technology Levy 2025

BCHS Students need help keeping up with the ever- evolving Technological world. We are proposing a Technology Levy this year to keep our students up to date, safe, and ready for the workplace. We have not run a Technology Levy since 2007.

2007 vs 2024

2007	2024
THERE WAS ONLY ONE CYBER ATTACK OF RECORD AND THAT WAS IN ESTONIA	THERE WERE OVER 480,000 CYBER ATTACKS IN THE U.S. ALONE
REQUIRED BENCHMARK AND STATE TESTING WAS COMPLETED ON PAPER	BENCHMARK AND STATE TESTING IS REQUIRED TO BE COMPLETED ONLINE
ALL CURRICULUM IS OFFERED IN PAPER AND BOOK FORMAT	CURRICULUM IS MOVING TO PARTIALLY OR FULLY ONLINE
TRADITIONAL LITERACY SKILLS WERE ESSENTIAL FOR FUTURE SUCCESS	DIGITAL LITERACY SKILLS ARE ESSENTIAL FOR FUTURE SUCCESS

What is Included in the Technology Budget?

The Technology budget supports more than just Computer Hardware and Software.

- Fire Security
- Door Locks & Bells
- Surveillance Cameras
- Student Information System (PowerSchool)
- Cyber Security
- Disaster Communication

Keeping Our Students Safe

The education sector in the United States is consistently among the most targeted for cyberattacks and data theft. K-12 schools are a leading target for ransomware attacks.

Phishing: Cyber attack, primarily on email, appearing to be from a credible source aiming to trick the recipient into providing sensitive information; passwords, bank information, etc.

A Full 35% of our current annual levy is spent on keeping students and database safe.

Beaverhead County High School Technology Levy 2025

Budget VS Current Technology Levy

Current Technology Levy **$50,000**
Annual Technology Expense **$151,000**
(Expenses increase 3%-5% every year)

We are currently investing over **$100,000** to maintain the tools and resources that support student learning, teacher instruction, and essential programs. This gap is unsustainable. We are at risk of losing critical technology services. The levy is not just about funding equipment it's about preserving the innovative programs that make a difference in our students' education every day.

Estimated Tax Increase

Current Tech Levy	$50,000 Annually
Proposed Tech Levy	$175,000 Annually
New Total Tech Levy	**$225,000 Annually**

Your Estimated Cost:

If your home is worth $100,000
- $2.00 is your current annual tax
- $7.02 Estimated annual increase
- **$9.02 Estimated new annual total**
- *75 Cents Monthly estimate*

If your home is worth $200,000
- $4.01 is your current annual tax
- $14.04 Estimated annual increase
- **$18.05 Estimated new annual total**
- *$1.50 Monthly estimate*

If your home is worth $300,000
- $6.02 is your current annual tax
- $21.05 Estimated annual increase
- **$27.07 Estimated new annual total**
- *$2.26 Monthly estimate*

If your home is worth $600,000
- $12.04 is your current annual tax
- $42.11 Estimated annual increase
- **$54.15 Estimated new annual total**
- *$4.51 Monthly estimate*

Let's Bring it Home!

Just as in a household, technology in a business or school setting has the same limitations and needs as your mobile phone:

- **Annual Fees**
- **Cost Increases**
- **Constant Updates**
- **Maintenance and Repair**
- **After a few short years it is outdated and needs to be upgraded.**

Failure to adapt means leaving students at a disadvantage in an increasingly digital world. Today's students must have technology training and familiarity to ensure that their education remains relevant, secure, and future ready!
