Field Fire Behind Rocky Mountain Supply

Jeremy Crawford, Southwestern Montana News

On Friday afternoon, the Dillon Volunteer Fire Department responded to reports of a fire in a field behind Rocky Mountain Supply. The fire was spreading in the field and posed a potential threat to nearby homes.

Thanks to the quick response from the fire department, the spread of the fire was contained, and it remained limited to a small portion of the field.

Preliminary investigations suggest that the fire originated from power poles located next to the field, with officials believing it was ignited by electrical lines. Vigilante Electric was also on the scene to assist, working to disconnect the live lines and make necessary repairs after the fire was extinguished.

No injuries were reported, and the swift action of the fire department helped prevent further damage to the surrounding area.

Dillon Lions Club Annual Live Lobster Fundraiser

The Dillon Lions Club is again holding its annual spring sale of fresh, delicious Atlantic lobster! The money generated by this lobster sale is one of the primary sources the club uses to fund the many local community service projects it's involved with. As an example, the Dillon Lions Club offers vision screening for the students in every school in Beaverhead County, including each class of Youth Challenge Cadets. Another example would be the scholarship the club provides each year to a deserving Beaverhead County High School senior.

If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, May 12 at the very latest. These order forms, with more detailed information including price, are available at the Vigilante Electric Cooperative Office near the Beaverhead County Courthouse and at Precision Eye Care and Optical at 25 Johnson Ave. immediately north of Safeway.

The approximately 1.5-pound lobsters are caught, cold packed, and flown out to arrive fresh on Saturday, May 17. And as many a club member working the sale can attest from experience, the lobsters arrive very much alive and very feisty!

You can pick up your live lobsters on Saturday, May 17 between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the courthouse main entrance. And if you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge!

Lady Beavers Rally to Edge Ronan Maidens
Jeremy Crawford, Southwestern Montana News

Bats were blistering as the Dillon Beavers defeated the Ronan Varsity Maidens 12-11 on Saturday in a dramatic match. Despite being out-hit 12 to 8, the Beavers showcased tenacity and determination by coming back from a 11-7 deficit in the fourth inning.

The Ronan Varsity Maidens began strong, scoring three runs in the first inning when Nevaeh Perez homered to left field. The Maidens added another run in the second inning after Kailyn Marengo grounded into a fielder's choice.

In the second inning, the Dillon Beavers flipped the script, scoring six runs on just one hit to take a 7-4 lead. The inning's highlight was a defensive error by Ronan that allowed three runs to score.

However, Ronan responded in the top of the third, reclaiming the lead by scoring five runs on two hits. Marengo delivered a crucial single following a 6-pitch at-bat, driving in two runs and putting the Maidens ahead 9-7.

In a back-and-forth battle, the Beavers regained the lead in the bottom of the sixth when Kailyn Marengo induced Bailey Blake to hit into a fielder's choice, scoring two runs, followed by a double from Bridget Lovaas that brought in another.

Adyson Creighton earned the victory for the Beavers, allowing only three hits and no runs over three innings while striking out five and walking one. Kailyn Marengo took the loss for Ronan, pitching six innings and giving up 12 runs (none earned) on eight hits, striking out four and walking two. Tymber Barnes started for Dillon, allowing nine hits and 11 runs (four earned) in four innings, striking out two and walking four.

Several players contributed to the Beavers' offensive efforts, with Kinzy Creighton, Bridget Lovaas, and Kylie Konen each collecting two hits. Katey Vezina, Lovaas, Blake, and Konen drove in one run each for Dillon. The Beavers also executed one double play during the game.

The Ronan Varsity Maidens had a strong batting performance, with Perez leading the way with three RBIs, finishing 2-for-2. Adrienne Crockett added three hits in four at-bats from the leadoff position, while Marengo, Autumn Lozeau, and Kai-Cee Sorrell contributed multiple hits. Perez also led Ronan with two walks, as the Maidens showcased a disciplined approach at the plate with a total of five walks.

Beaverhead County Beavers Fall to Laurel Locomotives Despite Strong Hitting Performance

Jeremy Crawford, Southwestern Montana News

In a surprising turn of events, the Beaverhead County Varsity Beavers - MHSAA collected five hits against the Laurel Locomotives Varsity 2025 but still fell short, losing the game 3-1 on Saturday.

Trenton Moreni, Kanin Engelhardt, Jase Alvarez, Sawyer Tackett, and Cohen Hartman each contributed a hit for the Beavers, demonstrating a strong offensive effort.

Both teams showcased solid pitching, with the Laurel Locomotives' pitchers striking out seven batters while the Beavers recorded six strikeouts in response.

Laurel was the first to score, taking the lead in the top of the third inning when Eric Haus hit a sacrifice fly and Dallas Jackson lined out, each contributing one run to the scoreboard.

Will Hansen started on the mound for the Beaverhead County Beavers, surrendering no hits and two runs (none earned) over three and two-thirds innings, striking out four batters and walking two. Mason Wilson earned the win for the Locomotives, allowing five hits and just one run over seven innings, striking out seven and walking one.

Cohen Hartman led the Beavers with one run batted in, finishing the game 1-for-3. The Beavers also executed one double play during the matchup, showcasing their defensive skills.

For Laurel, Eric Haus stood out with one RBI, and the team displayed strong defense by not committing a single error, with Dallas Jackson handling the most chances in the field with nine.

The Beaverhead County Beavers will look to bounce back as they prepare to face the Butte Central Catholic Varsity Maroons this Thursday.

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary
School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a \$150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
\$8.01 per year	Estimate for a home with a market value of \$100,000
\$24.02 per year	Estimate for a home with a market value of \$300,000
\$48.03 per year	Estimate for a home with a market value of \$600,000

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:

Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:

Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:

Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:

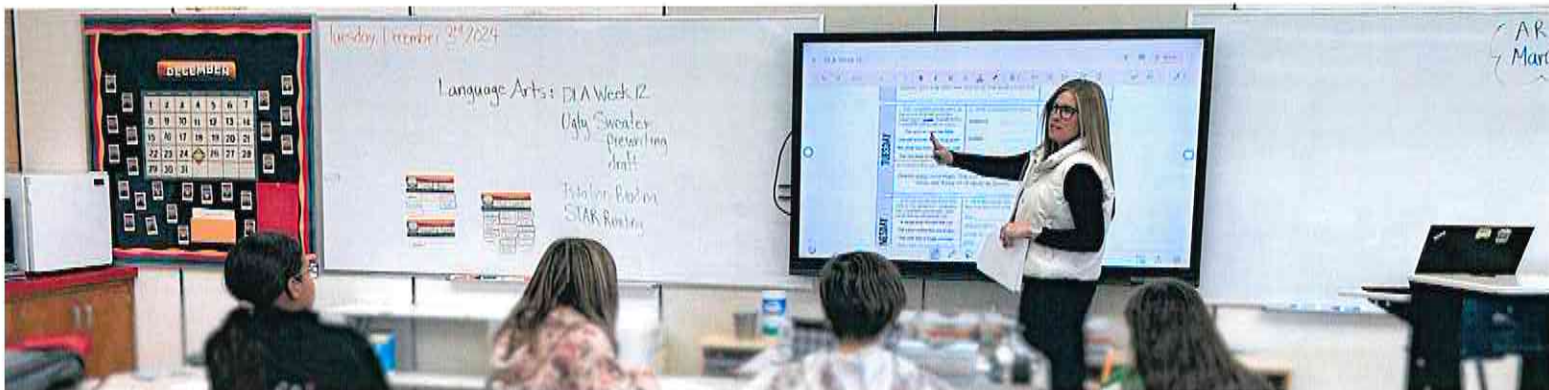

Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Dillon Elementary School District #10

2025 Technology Levy

By the Numbers

 **\$150,000** Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

 **10 year term for levy**
If approved, the technology levy would remain in place until 2035.

 **14.7% less per-pupil**
Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent \$11,388 per pupil, in contrast to Montana's state average of \$13,346, as reported in the 2022-2023 school year.

 **\$50,000 - \$1 million**
Monetary losses to school districts following a cyber incident ranged from \$50,000 to \$1 million according to the U.S. Government Accountability Office.

 **23 years**
Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a \$50,000 annual technology levy.

 **141%**
Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

 **\$275,000 current shortfall**
Current technology costs exceed the existing \$50,000 technology levy by \$275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Beaverhead County High School Technology Levy 2025

Budget VS Current Technology Levy

Current Technology Levy **\$50,000**
Annual Technology Expense **\$151,000**
(Expenses increase 3%-5% every year)

We are currently investing over **\$100,000** to maintain the tools and resources that support student learning, teacher instruction, and essential programs. This gap is unsustainable. We are at risk of losing critical technology services. The levy is not just about funding equipment it's about preserving the innovative programs that make a difference in our students' education every day.

Let's Bring it Home!

Just as in a household, technology in a business or school setting has the same limitations and needs as your mobile phone:

- **Annual Fees**
- **Cost Increases**
- **Constant Updates**
- **Maintenance and Repair**
- **After a few short years it is outdated and needs to be upgraded.**

Failure to adapt means leaving students at a disadvantage in an increasingly digital world. Today's students must have technology training and familiarity to ensure that their education remains relevant, secure, and future ready!

Beaverhead County High School Technology Levy 2025

BCHS Students need help keeping up with the ever- evolving Technological world. We are proposing a Technology Levy this year to keep our students up to date, safe, and ready for the workplace. We have not run a Technology Levy since 2007.
