Cloyd Wayne Devers (89)

Cloyd Wayne Devers (89) died unexpectedly on Monday April 21, 2025. Services are at Brundage Funeral Home, Saturday, May 3, 2025 at 11:00 am.

Beverly Marie "Bev" Rehm

Beverly Marie Rehm passed to her heavenly home April 23, 2025.

A celebration of life will be held at the First Presbyterian Church, May 5th at 11:00 am. A lunch reception will follow at The Andrus Gathering Place.

Gifts in memoriam may be made to First Presbyterian Church of Dillon, Beaverhead County 4-H Foundation or Friends of Jaycee Park, 110 S. Idaho St, Dillon, MT.

Protesters Gather for May Day Demonstration in Dillon

Jeremy Crawford, Southwestern Montana News

Protesters gathered Thursday afternoon at Kiwanis Park on Montana Street to exercise their First Amendment rights, waving signs to express their outrage regarding policies implemented by President Trump during his first 100 days in office. This event is being referred to as the May Day protest. Participants showcased a variety of messages of dissent, with some taking the opportunity to engage with cameras, highlighting their perspectives and concerns.

The Dillon Police Department was on-site to ensure the safety of the demonstrators and maintain order, effectively preventing individuals from stepping into oncoming traffic. Officers monitored the situation closely to ensure that the protest remained peaceful.

Sara Zitzer;s Retirement

April 30th was Sara Zitzer's last day of ownership and running the most unique coffee shop in Dillon, The Sweet Water. Several friends were on hand to give Sara a memorable send off, and even our local Pavarotti, John Davis, was on hand to bid Sara farewell by a unique version of Hello Dolly.

The new owners of the Sweet Water Coffee, Kathleen and Janet Tatarka were also among the well wishers.

Dillon Beavers Dominate Corvallis Blue Devils, 16-1

Jeremy Crawford, Southwestern Montana News

The Dillon Beavers easily dispatched the Corvallis Varsity Blue Devils on Wednesday with a commanding victory of 16-1.

The Beavers quickly got on the board in the bottom of the first inning, beginning with a solo home run from Tyler Gibson to center field. Kinzy Creighton followed with a single, bringing in one run, and Katey Vezina added to the score with her own single, driving in two runs. Bridget Lovaas then singled to score another run, and Kaitlyn Konen capped the inning with a double that scored two additional runs.

Continuing their offensive momentum, the Beavers scored six runs on six hits in the bottom of the second inning. Katey Vezina scored after tagging up, followed by Kaitlyn Konen singling to bring in one run. Maisy Hutchinson then singled, scoring another run, while Reese Jensen contributed with a single that brought in two runs. Tymber Barnes drew a walk, adding one more run to the tally.

Dillon added to their lead in the bottom of the third inning when Adyson Creighton singled to score one run, and Tymber Barnes doubled, bringing in two more runs.

On the mound, Adyson Creighton started the game for the Beavers, surrendering zero hits and zero runs over one inning, while striking out one batter and walking none. Tymber Barnes appeared in relief, helping to maintain the strong defensive showing.

The Beavers amassed a total of 17 hits in the game, with Ashlyn Burk, Adyson Creighton, Katey Vezina, Bailey Blake, and Kaitlyn Konen each contributing two hits. Barnes went 1-for-1 at the plate and led the team with three runs batted in. The Beavers displayed patience at the plate, collecting five walks throughout the game. They were also solid defensively, committing no errors, with Kinzy Creighton recording the most chances in the field with three.

For the Corvallis Blue Devils, Lacey Jessop and Brenna Bear each collected one hit, with Bear going 1-for-1 at the plate and leading her team with one RBI.

The Dillon Beavers will travel to face the 2025 Frenchtown High School Broncs for their next game on Friday, looking to continue their successful run.

FWP, MSU ask anglers for help with trout research in southwestern Montana

Montana Fish, Wildlife & Parks staff, in cooperation with Montana State University, have begun the second year of tagging trout in the Big Hole, Beaverhead, Ruby and Madison rivers.

This effort is part of ongoing research aimed at understanding trout declines and fish health concerns in rivers in the upper Missouri River Basin. When anglers report these tags, it helps researchers better understand how environmental conditions and other factors contribute to population recruitment, survival and mortality of trout.

Each tag has a unique number and will be attached to the fish near the dorsal fin. Anglers who catch a tagged fish should use clippers to remove the tag as close to the skin as possible while minimizing handling time and exposure to air for the fish, then submit a report for each tagged fish they catch from the four rivers mentioned above. These reports will include information such as the tag number, date, location, condition of the fish, gear type used, and whether the angler released or harvested the fish. Anglers who submit reports may be eligible for rewards. Anglers who report blue tags will be entered into regular drawings for gear and fishing trips. Yellow tag reports are each worth $100.

Anglers may encounter fish that are still carrying tags from last year. These tags may be covered with a thin film of algae, making them less noticeable. However, the same reporting process and reward opportunities apply to these tags.

Anglers can submit reports by visiting mtcfru.org/msutag or by calling 406-994-2384.

This research kicked off in 2024 after annual sampling in 2023 found fish numbers to be at or near historical lows in sections of the Big Hole, Beaverhead and Ruby rivers. Since then, FWP has been working closely with MSU to study fish mortality, recruitment and health.

Montana Western Inducts 30 Student-Athletes Into Chi Alpha Sigma

The Montana Western Athletic Department hosted its annual induction ceremony for the Beta Chapter of the Chi Alpha Sigma national collegiate athlete honor society on Monday, April 28, 2025.

The Bulldogs had 30 student-athletes honored at the ceremony as the second induction class into the chapter.

In order to be inducted, student-athletes must participate in a sport at the varsity intercollegiate level, achieve junior academic standing or higher after their fifth full-time semester, and earn a cumulative grade-point average of 3.5 or higher.

The ceremony was held in the Lewis and Clark room on campus as the inductees were joined by coaches and athletic staff with remarks from UMW Provost Johnny MacLean.

Below is a full list of this year's induction class. Those marked with an (*) are repeat selections.

2025 Inductees

John Mears, Football*
Jacob Ankeny, Men's Basketball*
Katherine Bills, Women's Rodeo*
Chucky Braverock, Football*
Keke Davis, Women's Basketball

Beaverhead County High School Technology Levy 2025

Budget VS Current Technology Levy

Current Technology Levy **$50,000**
Annual Technology Expense **$151,000**
(Expenses increase 3%-5% every year)

We are currently investing over **$100,000** to maintain the tools and resources that support student learning, teacher instruction, and essential programs. This gap is unsustainable. We are at risk of losing critical technology services. The levy is not just about funding equipment it's about preserving the innovative programs that make a difference in our students' education every day.

Estimated Tax Increase

Current Tech Levy	$50,000 Annually
Proposed Tech Levy	$175,000 Annually
New Total Tech Levy	**$225,000 Annually**

Your Estimated Cost:

If your home is worth $100,000
- $2.00 is your current annual tax
- $7.02 Estimated annual increase
- **$9.02 Estimated new annual total**
- *75 Cents Monthly estimate*

If your home is worth $200,000
- $4.01 is your current annual tax
- $14.04 Estimated annual increase
- **$18.05 Estimated new annual total**
- *$1.50 Monthly estimate*

If your home is worth $300,000
- $6.02 is your current annual tax
- $21.05 Estimated annual increase
- **$27.07 Estimated new annual total**
- *$2.26 Monthly estimate*

If your home is worth $600,000
- $12.04 is your current annual tax
- $42.11 Estimated annual increase
- **$54.15 Estimated new annual total**
- *$4.51 Monthly estimate*

Let's Bring it Home!

Just as in a household, technology in a business or school setting has the same limitations and needs as your mobile phone:

- **Annual Fees**
- **Cost Increases**
- **Constant Updates**
- **Maintenance and Repair**
- **After a few short years it is outdated and needs to be upgraded.**

Failure to adapt means leaving students at a disadvantage in an increasingly digital world. Today's students must have technology training and familiarity to ensure that their education remains relevant, secure, and future ready!

Beaverhead County High School Technology Levy 2025

BCHS Students need help keeping up with the ever- evolving Technological world. We are proposing a Technology Levy this year to keep our students up to date, safe, and ready for the workplace. We have not run a Technology Levy since 2007.

2007 vs 2024

2007	2024
THERE WAS ONLY ONE CYBER ATTACK OF RECORD AND THAT WAS IN ESTONIA	THERE WERE OVER 480,000 CYBER ATTACKS IN THE U.S. ALONE
REQUIRED BENCHMARK AND STATE TESTING WAS COMPLETED ON PAPER	BENCHMARK AND STATE TESTING IS REQUIRED TO BE COMPLETED ONLINE
ALL CURRICULUM IS OFFERED IN PAPER AND BOOK FORMAT	CURRICULUM IS MOVING TO PARTIALLY OR FULLY ONLINE
TRADITIONAL LITERACY SKILLS WERE ESSENTIAL FOR FUTURE SUCCESS	DIGITAL LITERACY SKILLS ARE ESSENTIAL FOR FUTURE SUCCESS

What is Included in the Technology Budget?

The Technology budget supports more than just Computer Hardware and Software.

- Fire Security
- Door Locks & Bells
- Surveillance Cameras
- Student Information System (PowerSchool)
- Cyber Security
- Disaster Communication

Keeping Our Students Safe

The education sector in the United States is consistently among the most targeted for cyberattacks and data theft. K-12 schools are a leading target for ransomware attacks.

Phishing: Cyber attack, primarily on email, appearing to be from a credible source aiming to trick the recipient into providing sensitive information; passwords, bank information, etc.

A Full 35% of our current annual levy is spent on keeping students and database safe.

Dillon Elementary School District #10

2025 Technology Levy

Dillon Elementary School District #10

Why is Dillon Elementary asking for a technology levy increase?

Dillon Elementary School District #10 is asking for voter approval of a $150,000 technology levy increase in the May 2025 election to help maintain and update critical educational technology. This additional funding will support the following:

- Protecting Student and Staff Data
- Purchasing Student Learning Software
- Improving Parent Communication Tools
- Maintaining and Replacing Instructional Devices

How much would this cost me?

Tax Increase Estimate	
$8.01 per year	*Estimate for a home with a market value of $100,000*
$24.02 per year	*Estimate for a home with a market value of $300,000*
$48.03 per year	*Estimate for a home with a market value of $600,000*

Please visit the website below for additional tax estimates and information.

The Dillon Elementary School District technology levy will provide sustainable funding to maintain a safe learning environment, ensure reliable access to educational resources, purchase parent communication tools and digital learning platforms as well as maintain and replace instructional devices.

Protecting Student and Staff Data and Privacy:
Annual threat response and cybersecurity subscriptions are vital in protecting student and staff data and maintaining a safe learning environment. In 2023, 22% of all data breaches involved the education sector, highlighting the significant risk and need for effective data protection measures.

Purchasing Student Learning Software:
Annual software fees for student assessment and learning tools are essential to the success of our students. The variety of educational resources provides personalized learning experiences, allowing students to progress, addressing their individual needs in an effective and enjoyable way. Additionally, it offers valuable data and insights to help us track progress, identify areas for improvement and tailor instruction to better support student achievement. Technology directly impacts our students' success.

Improving Parent Communication Tools:
Effective parent communication technology is crucial for fostering a supportive school community focused on student success. These funds will enable timely updates and the purchase of tools that enhance collaboration between parents and educators, improving student outcomes. Additionally, communication technology supports both administrative functions and the diverse needs of students.

Maintaining and Replacing Instructional Devices:
Maintaining and replacing instructional devices is crucial for keeping technology up to date and supporting effective teaching. Annual IT support contracts help our small school manage technical issues, maintain a productive learning environment, and allow educators to focus on student success. We also need repairs for devices used in state-mandated assessments.

Learn more at https://www.dillonschools.org/page/2025-technology-levy or scan the QR Code.

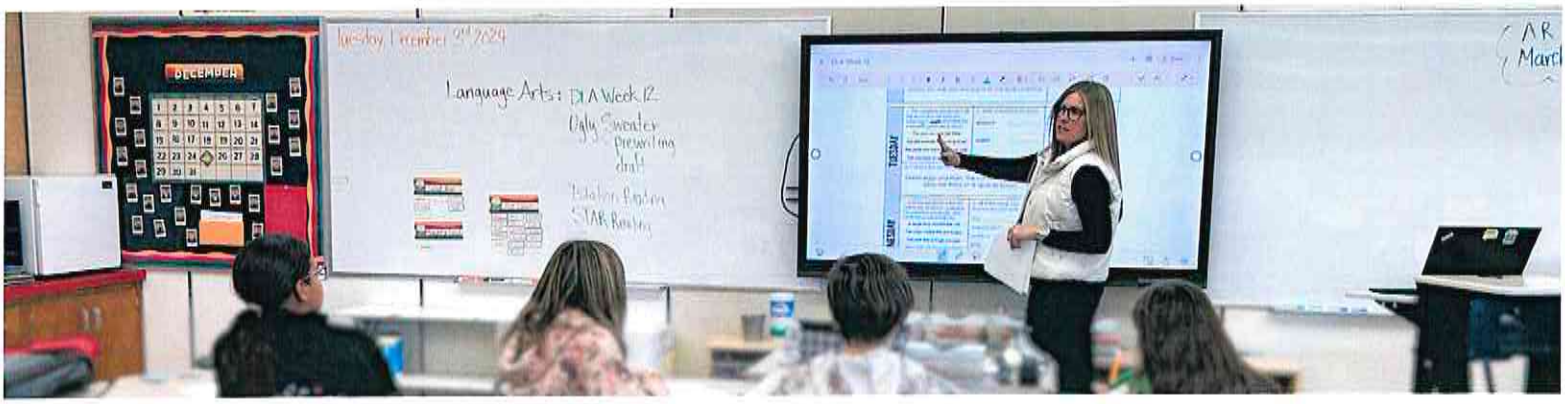
Dillon Elementary School District #10

2025 Technology Levy



By the Numbers

$150,000 Technology Fund increase to protect student and staff data, purchase student learning software, improve parent communication tools and maintain and replace instructional devices.

10 year term for levy

If approved, the technology levy would remain in place until 2035.

14.7% less per-pupil

Dillon Elementary School District spends 14.7% less per-pupil than Montana's per-pupil average. SD #10 spent $11,388 per pupil, in contrast to Montana's state average of $13,346, as reported in the 2022-2023 school year.

$50,000 - $1 million

Monetary losses to school districts following a cyber incident ranged from $50,000 to $1 million according to the U.S. Government Accountability Office.

23 years

Number of years since Dillon Elementary School District has requested technology funds, despite growing demand. Currently, the district has a $50,000 annual technology levy.

141%

Increase in technology-related costs over the last 7 years ensuring students and the district can keep pace with technological advancements essential for modern education.

$275,000 current shortfall

Current technology costs exceed the existing $50,000 technology levy by $275,000. A new technology levy would increase funding and allow general funds to be reallocated to support our students, teachers, staff, and community.

You're Invited to Elementary Technology Levy Information Meetings

Join us for one of three community meetings to provide information and answer questions about the upcoming levy. Each session will be simultaneously available both via in-person and virtually at the following dates and times, taking place in the District Conference Room. We encourage you to join us at one of the sessions to learn more about the 2025 elementary technology levy that will appear on the ballot this May!

Tuesday, February 18th at 5:30pm **Tuesday, March 18th at 6:00pm** **Thursday, April 10th at 7:00pm**

Birch Creek Center
OPEN HOUSE

May 4, 2025 1:00-4:00 p.m.

Join Montana Western and the Beaverhead Deerlodge National Forest for an Open House at the Birch Creek Center! Explore the historic CCC camp and learn about updates and plans for the center. Guided nature walk and information about the area provided by UMW students.

For more information, contact Dr. Estee Aiken: estee.aiken@umwestern.edu or 406-683-7035.

MONTANA WESTERN

FOREST SERVICE U.S. DEPARTMENT OF AGRICULTURE

To get to the Birch Creek Center from Dillon, take I-15 N for about 10 miles. Take exit 74 (Apex/Birch Creek). Proceed down Birch Creek Road for about 9 miles and then turn left onto Thief Creek Road (there will be a sign). Proceed for about .3 miles until you reach the Birch Creek Center buildings and parking area.
