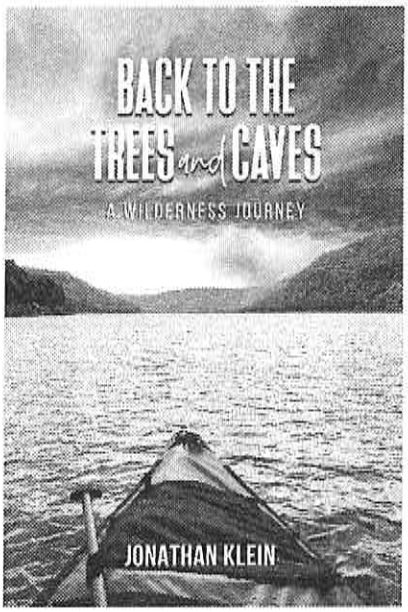
Jonathan Klein at The Bookstore

The Bookstore will be hosting Ennis author Jonathan Klein on Saturday, May 10th from 1:00-3:00. The retired forester will be signing copies of his book Back to the Trees and Caves: A Wilderness Journey. He will read from the book at 1:30 followed by a discussion.



After dedicating over three decades to managing wilderness areas for the USDA Forest Service, Jonathan Klein comes to a sobering realization: the wilderness within the lower forty-eight is, at best, a theatrical semblance of the real essence of wild. Upon retirement at age sixty, Klein embarks on a solo canoe journey across the untamed expanses of northern Canada, yearning to uncover the authentic wilderness that eludes him. Back to the Trees and Caves unfolds this riveting 700-mile adventure from Saskatchewan to Hudson Bay, across landscapes untouched by time.

The voyage is far from tranquil. Klein battles violent storms, navigates raging rapids, and crosses lake expanses that mirror oceans. After seven grueling weeks, an utterly exhausted Klein reaches Churchill, Manitoba, but not without facing a life-and-death encounter with an apex predator, a confrontation that brings him face to face with the harsh yet majestic reality of the wild.

As Klein paddles through the endless miles, the journey morphs into more than a physical quest; it becomes a conduit for profound reflections on the intrinsic value of wild places. Not just for the wandering souls of humans, but as irreplaceable havens for the myriad wild creatures that inhabit them. The narrative encapsulates Klein's evolving insights on the sanctity of these landscapes and the imperative to shield them from the unrelenting grasp of human consumption.

After dedicating over three decades to managing wilderness areas for the USDA Forest Service Klein embarks on a solo canoe journey across the untamed expanses of northern Canada yearning to uncover the authentic wilderness. Back to the Trees and Caves unfolds this riveting 700 mile adventure fro Saskatchewan to Hudson Bay, across landscapes untouched by time.

If you have any questions or would like reserve a copy of the book please call The Bookstore at 683-6807

SLOT MACHINE

By "Swede" Troedsson

In late October, 1952, I was attending the Louisiana State University in Baton Rouge. A classmate of mine invited me to go home with him to Opelousas, La. It was the weekend of their annual Yambilee Festival.

My classmate mentioned that Opelousas claims to be the yam capital of the world.

We experienced a great weekend! We went crawdad fishing in a nearby bayou, participated in the festivities, and pigged out on great Cajun cooking!

Midway on our return trip to Baton Rouge, we stopped at a little country store and gas station to buy some gasoline, snacks and soda pop.

As we entered the store, I noticed a large woman playing a slot machine near the store entrance.

At the counter near the back of the store, I payed for the gasoline, snacks and soda pop.

My change included a quarter. As we turned to leave, I noticed the woman who had been playing the slot machine appeared to have left the store.

On our way out of the store, as we passed by the slot machine, I got this itch. (I just HAD to scratch it!) I thought, "What the hell, why not?" So I dropped my quarter into the slot machine!

Lights flashed, and bells rang! Quarters began to flow out of the slot machine! As I was filling my cap with the quarters, the woman who had been playing the slot machine came out of the women's rest room!

She went ballistic! My classmate and I hurried out of the store with my cap full of quarters!

Bike Week Event! On Site Mechanic

In celebration of bike week, stop in Thursday, May 15th
3 PM – 6 PM to Patagonia, 16 S. Idaho and meet Matt,
the new owner of Beaverhead Bikes.
He will be doing light repairs
to help get your bike ready for the season.

A THANK YOU FROM THE KENNEL CLUB

Kennel Club would like to thank everyone involved with the successful spay/neuter clinic held on April 26-27. The Spay Montana crew spayed or neutered 64 dogs and 97 cats (many that were feral), and vaccinated and/or microchipped many animals upon owner request.

We could not have had such success without the assistance of many volunteers and the cooperation of local businesses. We give our gratitude to:

- The National Guard and Sgt. Kiley Smith - for allowing us to use their facility to hold the clinic, and offer help when needed
- Spay Montana - for providing the veterinarians, veterinary technicians, equipment and expertise
- Beaverhead Animal Shelter - for providing scales to weigh each dog
- Vet Tech Amanda Corder, and the vet techs-in-training from Bozeman - for their assistance in various capacities
- Montana Youth Challenge Female Cadets - for providing help wherever they were needed
- Dillon Medical - for providing the oxygen used during surgeries
- Sundowner Motel - for providing rooms where the Spay Montana crew could rest
- Dillon Tribune, Womack's Printing, and KDBM/KBEV - for helping us get the word out about the clinic
- United Way - for their generous donation
- Individual donors from all around Beaverhead County - your generosity is amazing!

A HUGE THANK YOU to all the wonderful volunteers who helped during the weekend with set up and take down, meal preparation and serving, animal check-in and check-out, animal care during and after surgery, sterilization of equipment, and wherever else support was needed.

This clinic was the culmination of hard work by friends of animals and a desire to see fewer unwanted dogs and cats in our community. Thanks to the generosity of our community members' time and their donations, we were able to help over 100 pet owners!

Sincerely - The Kennel Club: JoAnn Paddock, Sandra McKey, Nancy Grayson, Carol Simonsen, Julie James, Verna Holland, and Regina Maki

celebrate Arbor Day.

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal.

Now, Therefore, I , *John K McGinley*, Mayor of the City of Dillon Montana, do hereby proclaim May 9th 2025 as

Arbor Day

In the City of Dillon Montana, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

Further, I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

Dated this Seventeenth day of January 2025

Mayor _____

Here are the latest estimates from spring trout surveys for the upper Jefferson River basin

Montana Fish, Wildlife & Parks is continuing its focus on trout health and population monitoring in the upper Jefferson River basin as part of a research effort that began last year.

Trout surveys in 2023 found population estimates to be at or near historical lows in sections of the Big Hole, Beaverhead and Ruby rivers, coupled with observations of sick trout. Since then, FWP has collaborated with Montana State University in three PhD studies looking at causes of mortality for adult trout, how tributaries contribute to mainstem trout populations, and ways to enhance proactive fish health monitoring.

In 2024, fisheries staff found nearly all sampled trout in the basin to be healthy, with less than 1 percent of captured fish showing signs of infection. In the past two years of spring sampling, population estimates have improved in some sections of these rivers, though most remain below average. While river flows are a major contributor to fish health and abundance, the research aims to provide better understanding of other potential contributors to population declines.

As part of this effort, FWP will continue to share results from annual spring population sampling, as well as other findings as they become available. Interim reports on the three MSU studies can be found on FWP's website.

2025 spring sampling - Trout surveys in the basin this spring showed continued trout population improvements in some mainstem sections, while other areas indicate trout abundances lower than those observed in 2024.

Estimates for 2025 show increases from 2024 estimates for brown trout in all sampling sections of the Beaverhead River. While some sections of the Big Hole and Ruby increased from last year, estimates in nearly all sections remain below long-term averages for both brown and rainbow trout.

Despite low flows and warm water temperatures, much of the region last summer, a relatively strong cohort from 2023 appears to have stabilized many populations for now.

FWP and MSU have been working with Montana Trout Unlimited to host drawings for guided fishing trips, equipment and other prizes for anglers who have submitted reports of catching tagged fish. Some anglers also received cash rewards. These reward opportunities will continue for anglers who submit reports of tagged fish.

MICHAEL J. MCGINLEY	JOHN H. JACKSON	C. THOMAS RICE
COMMISSIONER	CHAIRMAN	COMMISSIONER

THE BEAVERHEAD COUNTY COMMISSIONERS WILL NOT MEET ON MONDAY, MAY 12, 2025

The next Commission Meeting will be held on MONDAY, MAY 19, 2025 in the Commissioners' Room of the Beaverhead County Courthouse

SAWLOG FIRE - Morning Update for May 8, 2025

CURRENT STATUS/PLANNED ACTIONS:

A reconnaissance flight and the infrared UAS showed scattered heat present in the smoldering fuels throughout the fire footprint yesterday. Crews progressed with "mop-up" operations, working along the previously constructed sawline and handline on the southern edge and the northern flank. Crews were able to complete these "mop-up" operations along approximately 20% of the fire footprint so far. Crews will continue these operations, expanding along both flanks of the fire and working toward 100% completion of the "mop-up" objectives. Fire behavior is expected to pick up today as the dry cold front passes through with gusty winds.

Fire behavior could exhibit moderate to extreme fire behavior yesterday with the passage of the dry cold front. When winds have aligned with the orientation of drainages, fire behavior has the potential to be extreme. Fuel conditions, during this time of year (pre-green up), are extremely dry.

DILLON LIONS CLUB

LIVE LOBSTER FUNDRAISER

Order by May 12th for delivery May 17th, 2025

Dillon Lions Club is pre-selling 1¼ to 1½ pound LIVE Maine lobsters. The lobsters are caught, cold packed, and flown overnight for your delivery in approximately 24 hours - fresh from the Atlantic Ocean. The funds we raise primarily provide vision exams and glasses to the kids in Beaverhead County, giving them a tool they need to be better students. The funds also benefit our community in a whole host of other ways.

Please use the form below and submit your order by May 12th along with your payment of $28.00 each. Then just pick them up on May 17th at Vigilante Electric Cooperative parking lot between 1:00 and 3:30 p.m. Lobsters can be cooked while you wait for no additional charge. **Please remember** to bring a container with you to transport your lobster(s) home.

Return this portion with payment

Please order me _____ LIVE lobster(s) at $28.00 each

NAME:_____ Phone:_____

ADDRESS:_____

EMAIL ADDRESS:_____

I will pick up my lobster(s) myself OR I designate _____to pick up my order on May 17th between 1:00 and 3:30 at the Vigilante Electric Cooperative parking lot across from the Courthouse main entrance.

Mail payment and this form to:

Dillon Lions Club
c/o Zachary Oswald, O.D.
25 Johnson Avenue
Dillon, MT 59725
Email: droswald.precision@gmail.com

Cooking Your Lobster

Bring water to a boil in a large pot. (Add approx. ¼ cup vinegar per gallon of water to help the meat loosen from the shell.) Add lobster(s) head down and cook for 5 minutes. Reduce heat and simmer 15 minutes. Remove cooked lobsters carefully and crack the claws to drain excess liquid before serving. Serve while hot or chill the meat for use in a salad.

Remember to order extra lobster to make Lobster bisque, Lobster rolls,
Lobster mac & cheese, Lobster Alfredo or to add to your green salad.
A 1½ pound steamed Maine Lobster is only 145 Calories and 1 gram of fat!

Serving Tips

Place lobster on serving plate shell side up to drain. Pick up and turn soft side up and arch it back until tail separates from the body. Remove tail flippers by bending back and forth and discard.

Pick up tail piece, soft side up and push the meat at the small flipper end out the bigger end with a fork. Unhinge the back shell from the softer underside by pulling it open along the sides.

The inside contains the "green tamale" which some consider edible. The legs also contain meat.

Serve with melted butter and lemon wedges. Provide diners with nut or claw crackers, bowls for shell parts and a finger bowl for cleanup. Salads and pasta make great side dishes. Add a steak and baked potato for the "surf 'n turf" lovers.

DILLON LIONS CLUB

LIVE LOBSTER FUNDRAISER

Must order by May 12th

Accepting Applications
4/28-5/9 BILL

BEAVERHEAD COUNTY is currently accepting applications for the position of County Planner. The County Planner performs professional planning support to the Beaverhead County Planning Board and Beaverhead County Commissioners on comprehensive planning and development matters, in accordance with state law, the Beaverhead County Growth Policy and local land use regulations. The varied work is performed under general supervision and requires individual judgment in variation from standards and procedures. Must be organized, people-oriented and able to communicate effectively orally and in writing. This is a full-time position and has an excellent benefit package. Pay is DOE. A complete job description and application can be found on the Beaverhead County website at www.beaverheadcountymt.gov or applications can also be picked up in the County Finance Office. Please return application and resume to ssetzer@beaverheadcountymt.gov or drop off in the Finance Office. Position is open until filled.

Moving Sale 5/6-9 BILL

Mark and Connie Worden are having an all-day moving sale at their sold home at 815 South Washington St on Saturday, May 10th. Too much to list: books, tools, household goods, some furniture, sporting goods, etc. Come and see if we have something you need, hangout for some fellowship, and reminiscing over the 21 years Mark has been blessed to live in Dillon, MT

Help Wanted 5/8-16 BILL

EXCITING CAREER OPPORTUNITY!! The City of Dillon is now accepting applications for a Water/Sewer Clerk. The employee performs routine clerical, administrative, data processing, and other public services. Excellent benefits including State retirement, health insurance, paid vacation and sick leave. Beginning salary will depend upon experience, education and other beneficial qualifications. To apply, submit a cover letter, resume and City application to the City Clerk at 125 N Idaho. The deadline to apply is May 23, 2025. We will begin interviewing on May 29. The City of Dillon is an Equal Opportunity Employer.

Do you enjoy helping others?

Do you know your way around the local area, particularly the Beaverhead- Deerlodge National Forest?

Are you a Beaverhead County History Buff?

If you said yes to any of those three questions we would love to talk to you. The Beaverhead Deerlodge National Forest in Dillon, MT is looking for a friendly 'local' to volunteer at our front desk. Hours are very flexible.

If interested, please reach out to 406-683-3900 and ask for Gail or Kristy.
