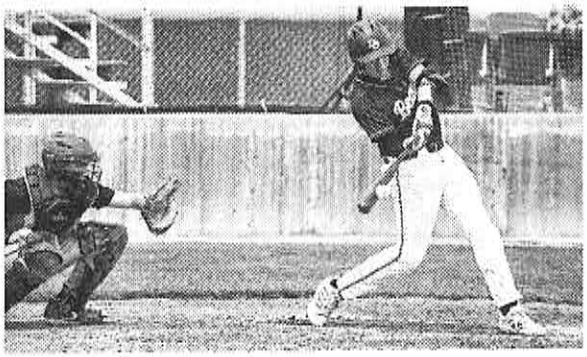
Billings Central Catholic Rams Down Beaverhead County, 8-1

Jeremy Crawford, Southwestern Montana News

The Beaverhead County Varsity Beavers fell to the Billings Central Catholic Varsity Rams 8-1 on Saturday, despite displaying solid batting efforts.

The Rams took the lead early, with Matteo Harris singling in the first inning to drive in the game's first run. In the top of the second, Brennan Harlan launched a home run to left field, driving in two more runs to extend Billings Central's lead.

Paxton Prill earned the victory for the Rams, pitching four innings and allowing four hits and just one run. He struck out eight batters and walked two. For the Beavers, Cohen Hartman pitched three and two-thirds innings in relief, giving up three hits and two runs (one earned) while striking out three and walking two. Logan Fox took the loss, going three and one-third innings, surrendering six runs on eight hits, and striking out two.



Despite the loss, Kanin Engelhardt showcased the team's depth at the plate, leading with three hits in three at-bats. Taylor Handlos drove in the lone run for Dillon, providing some offensive production.

The Rams totaled 11 hits in the contest, with Matteo Harris, Howie Martin, Brennan Harlan, and Oliver Prill each collecting two hits. Harris and Harlan also drove in two runs apiece, highlighting their importance to the team's offense.

Workshop Update – Join Us at Bee Haven Gardens!

After a week of rain, it's a delight to see the sun shining again – just in time for our upcoming workshop next weekend! Here's what you need to know:

Saturday, May 24th Time: 5:00 – 8:00 PM

Location: Bee Haven Gardens, 678 Hwy 91S

Pull into the driveway for Beaverhead Honey Company. There's ample parking – just look for a gravel area and settle in.

We may not need the full three hours, but the time will fly by as we move through our demonstration plots. We'll be outdoors, with the option to step inside a high tunnel if the weather decides not to cooperate.

What to Expect:

- Hands-on learning – bring gloves if you'd like to dig in, or simply observe as we work through each crop plot.
- Vegetarian sack dinner provided.
- Chairs and restroom access available.
- Bring your own water or preferred beverages.

Can't make the workshop? No worries! I'll be prepping and planting on Thursday and Friday from 10:00 AM – 3:00 PM, and you're welcome to drop by for some informal, hands-on experience.

The American Cancer Society Awards $15,000 to Cancer Support Community Montana to Provide Transportation and Lodging Assistance to Patients During Cancer Treatment

The American Cancer Society recently awarded two grants totaling $15,000 to Cancer Support Community Montana (CSCMT) to provide transportation and lodging assistance to people with cancer during treatment. The grant is part of a nationwide investment of $9 million that is expected to provide nearly 63,000 eligible patients with nearly 800,000 transportation and lodging services.

"We are extremely grateful for the American Cancer Society's support. When someone has cancer and is seeking treatment, transportation and lodging can pose significant challenges, especially in our rural state of Montana. This is one of our most requested support services, and with this funding, we are able to offer assistance, and in doing so reduce stress and anxiety and increase hope and joy," said Chris Darnell, CEO, Cancer Support Community Montana.

With more than 5,000 visits annually, Cancer Support Community Montana uplifts and strengthens people impacted by cancer by providing support, fostering compassionate communities, and breaking down barriers to care. CSCMT provides in-person and online individual and group counseling, nationally recognized education including our Frankly Speaking about Cancer series, travel assistance, resource navigation help, a wig program, cooking / nutrition and strength / exercise classes, and other healthy lifestyle and social opportunities, and, above all, Community and Hope. All of the programs and services are free of charge to participants across the state.

Access to high-quality cancer treatment impacts cancer outcomes. A lack of the transportation and lodging needed to receive quality care can lead to missed appointments, treatment interruptions, and delays in follow up care. In a 2023 Journal of the National Cancer Institute (JNCI) study, American Cancer Society researchers found that delayed care due to lack of transportation is associated with increased emergency room use and mortality risk among adults with and without cancer history.

"Transportation obstacles or the cost of a hotel room should not be barriers that determine the survival of those needing cancer treatment," said Dr. Arif Kamal, chief patient officer for the American Cancer Society. "Partnering with health systems and organizations

across the country to provide funding to deliver the direct assistance needed helps to fill these equity gaps and improves cancer outcomes.

The American Cancer Society and Cancer Support Community Montana believe all people should have a fair and just opportunity to live a longer, healthier life free from cancer regardless of how much money they make, skin color, sexual orientation, gender identity, disability status or where they live. In addition to providing transportation and lodging funding to health systems and organizations, the American Cancer Society runs a Road To Recovery program that provides free rides to and from treatment and over 30 Hope Lodge communities that provide a free place to stay during treatment.

About the American Cancer Society The American Cancer Society is a leading cancer-fighting organization with a vision to end cancer as we know it, for everyone. For more than 100 years, we have been improving the lives of people with cancer and their families as the only organization combating cancer through advocacy, research, and patient support. We are committed to ensuring everyone has an opportunity to prevent, detect, treat, and survive cancer. To learn more, visit cancer.org or call our 24/7 helpline at 1-800-227-2345. Kindergarten Early Registration & Screening

When: Tuesday- May 27th & Wednesday-May 28th

Time: 8:30 am – 3:20 pm daily

The screening process will take approximately 30-45 minutes.

We will provide refreshments while you wait!

Who: All Children that will be 5 years old by September 10th

Where: Parkview Elementary School

We will be completing Kindergarten registration at this time for students who will be five years old on or before September 10th, 2025. If you plan to register your child for Kindergarten, please bring a state issued birth certificate and a current immunization record.

Programs:

Kindergarten for Success-Parkview Elementary offers a Transitional Kindergarten program where the students will stay in kindergarten for two consecutive years, working on Kindergarten curriculum. It is available only for students who will be 5 on or before September 10, 2025. Eligibility is based on a point system. Students receive the most points for spring/summer birthdates. This program is not intended for students with developmental delays, but is geared towards giving our younger students additional time for social, emotional, and academic growth.

Traditional Kindergarten-We also offer a traditional one-year Kindergarten program.

Please call Natalie to schedule your appointment at

If you are living with low vision, are a health care provider or caregiver, come learn about our Older Blind Program – a program that is free and available to anyone 55 and over living with vision loss. We provide magnifiers and other low vision aids and teach adaptive techniques for living with low vision. We will also discuss how vision loss can impact employment and how Vocational Rehabilitation can help someone struggling at work due to vision loss.
