Neal Marshall Maxfield

Neal Marshall Maxfield of Dillon, Montana passed away on May 8, 2025, from injuries sustained in a car accident. Neal lived with authenticity and joy. His enthusiasm encouraged those around him to embrace life's experiences. His absence leaves a void in the lives of all who knew him.

Neal was born November 2, 1975, in Rupert, Idaho, the fourth of seven children to Ward and Judy Maxfield. Neal was raised on the family farmstead outside of Paul, ID. Growing up with four brothers on the edge of thousands of acres of BLM rangeland, he developed a thirst for adventure, as well as a gift for mischief. He honed interests in BMX riding, soccer, archery, and snowboarding; setting the foundation

for a lifetime of outdoor activities. Throughout his teenage years, Neal was most often found chasing adventure, mischief, or both at the side of his best friend, Ted Bradshaw.

A tireless work ethic defined Neal's adulthood. After graduating from Minico High School, Neal served a two year mission for The Church of Jesus Christ of Latter-Day Saints in Dublin Ireland. Upon returning Neal continued his education at the College of Southern Idaho (CSI), working at a Chili's restaurant while earning credentials as a Registered Nurse. In Twin Falls, he met Danielle Beck, whom he would later marry, welcoming their first son, Liam, in 2002. Neal worked as an RN at Portneuf Medical center while earning a Bachelors of Science in Nursing at Idaho State University. He then joined the US Army Reserves to support his graduate education, enabling him to graduate as a Nurse Anesthetist from the Hamot School of Anesthesia at Gannon University in 2005. Neal and Danielle returned to Idaho where Neal joined the staff at St Luke's Hospital in Boise. Here, Neal and Danielle were blessed with their second son, Henry. Despite the gruelling schedule of education, work, and military service, Neal maintained his love of outdoor activities, picking up road cycling and eventually competing in a triathlon.

In 2007, the family moved to Dillon, Montana, where Neal worked at Barrett Hospital. Amid a number of personal and professional changes (including a divorce in 2017), Neal embraced all the natural beauty that Montana had to offer, renewing interests in rock climbing, hiking, and camping. He loved to share these interests with his sons.

When Neal met Deb Kohlwey (married 2021), he knew he had found someone who could match his energy and love for life. Together they shared their interest in the outdoors, Neal teaching Deb to rock climb, and Deb helping Neal to explore his

artistic side. Emboldened by her support and encouragement, Neal became a gifted artisan, creating stunning art pieces with found wood, resins, metals, and other materials. When his extensive tool collection failed to meet a specific need for his visions, he created his own tools to fill the gap. His creativity was unlocked and there was no stopping it.

The list of work, projects, friendships, creations, and adventures that fully capture Neal's story would fill volumes. The hole his death leaves in the lives of those who loved him cannot be filled. He loved his sons without end. He adored his wife beyond measure. He will be dearly remembered, and sorely missed.

He is preceded in death by his father Ward, sister Tiffany Bopp, and grandparents. He is survived by his Wife Deborah Kohlwey [Maxfield]; Sons Liam and Henry (mother: Danielle Beck [Maxfield]); Step Children Tatjana Vermunt and Aryean Vermunt; Sister Cherish Goodwin; Brothers, Troy, Adam, Layne, and Lynn; and his Mother Judy Maxfield.

A celebration of life will be held at Barrett Park (8 miles south of Dillon, Montana) at 2:00 pm on Saturday, May 24, 2025.

In lieu of flowers, those who wish may consider a donation to a charity of their choice.

Veteran News Updates:

By Mike Lawson

This is the start of the season for our different Veteran Organizations to have their yearly conventions. This weekend the Marine Corps League Department of Montana had their Convention at the Fairmont Hot Springs Resort. It's always a good time of mixing business and pleasure. I especially enjoy meeting other members from around our state. One Marine and his wife from Polson were both using walkers but were impressive. They have been married for 69 years and are very sharp and fun to be around. Fairmont did a great job which included a banquet that was very good. The Anaconda PVT Mike Detachment hosted this convention and are to be complimented on a job well done. Next year it will be in Great Falls and the year after that it will be in Butte.

Memorial Day will be this coming Monday, as I mentioned in my last column. Saturday we'll be putting flags on all the Veteran's graves in the cemeteries of Butte and can use all the help we can get. If you feel inclined to give us a hand in this honorable endeavor, we'll meet at the Mount Moriah Cemetery at the Spanish American section at 9:00 am. Instructions and flags will be given and the volunteers will be sent to the other 3 cemeteries to place flags. It is rewarding and a bit of a history lesson as well. We appreciate all the help we can get.

This Friday, May 23, our Butte VA Clinic will be renamed the Charlie Dowd VA Clinic. This renaming ceremony will be hosted by the Montana VA Health Care System (MTVAHCS). This is in honor of Charles "Charlie" Dowd, the last known living Pearl Harbor survivor from Montana. He passed away in our local SW Montana Veteran's Home on March 17, 2023, at the age of 99. He was on the roof of a building shooting at the Japanese planes bombing Pearl Harbor. He earned two Bronze Metals while serving in the Solomon Islands and New Guinea. Our Southwest Montana United Veteran's Council Honor Guard will do a veteran ceremony for this event. The ceremony is scheduled to begin at 2 p.m. at 40 Three Bears Drive in Butte.

Our weather is going to be a mix of rain and sun this week. Hopefully for you who garden, you can get your planting done. Road repair and construction is upon us, so drive defensively and with care. Wishing you all a great week. Until next time, take care.

Commissioner James Brown and the Board of Land Commissioners Approve \$12 Million in New Revenue to Benefit State Schools at May Meeting

At its regular May meeting, the Montana Board of Land Commissioners approved an estimated \$12 million in new revenues to support Montana's public schools and other state trust land beneficiaries.

"Today's project approvals are a testament to the careful stewardship of Montana's natural resources and our unwavering focus on supporting Montana's students," said Commissioner Brown. "These revenues will directly fund classrooms, infrastructure, and educational opportunities across our state, ensuring that Montana's children have the resources they need to succeed."

Meeting Highlights

- Timber Sales:** The Land Board authorized five timber sales across Missoula, Lincoln, Mineral, and Flathead counties. These sales include Balding Bear, Chopax, Four Score, Starvation, and Swift Stryke, which are projected to generate more than \$1.2 million for the Common Schools and other trust beneficiaries. The projects are designed to promote healthy forests, reduce wildfire risk, and support local economies, while addressing public and tribal input on cultural and environmental concerns.

- Oil and Gas Communitization Agreements:** The Board approved agreements for several Bakken Formation wells in Roosevelt and Richland counties, including the Kai Wells and Storvik wells. These agreements are expected to provide \$10.6 million in royalties to the Common Schools and Public Land Trusts, reflecting the state's significant mineral ownership in these productive units.

- Easement Revenues:** The Board approved multiple easement applications for infrastructure projects, including

fiber optic cables, water pipelines, and highway improvements, across Custer, Fallon, Flathead, Golden Valley, Lewis & Clark, McCone, Rosebud, and Teton counties. These easements will generate \$191,000 in revenue for trust beneficiaries while expanding essential services and connectivity for Montana communities.

The Land Board's decisions incorporated extensive public and stakeholder feedback, including input from tribal representatives, environmental organizations, local residents, and state agencies. All projects underwent a level of environmental review and coordination with relevant agencies to ensure responsible resource management and protection of cultural and natural resources.

The Montana Board of Land Commissioners oversees the management of more than five million acres of state trust land. Revenues generated from these lands are constitutionally dedicated to supporting public education and other trust beneficiaries throughout Montana.

Respect or Disrespect at Council meeting?
 By: MJ
 The council had asked that Mr. Guza be available at the April 23, 2025 Special Meeting to answer question they may have. It appeared Mr. Guza was informed he did not have to be available because of disrespect shown him at the last council meeting. **NOTE:** Disrespect is behavior which shows that you do not think someone or something is valuable.
NOTE: I listen to the council meetings and never at any time did I hear any council member being disrespectful toward Mr. Guza. I heard the council members asking business questions of Mr. Guza that would help them make an informed decision about Mr. Wendland's (1/2±) one half million-dollar invoices.
INVOICE: Mr. Wendland presented an updated invoice to the city in the amount of \$534,796.15 for West Side addition road expense. Statement was received by the city on May 2, 2025. Invoice included \$135,207.83 outstanding interest (15% annually at \$161.29 per day), plus administration & legal fees for March of \$3,700.00 and April \$3,400.00.
QUESTIONS: *There are many complications involved with the West Side Addition Road project. The city has a contract wrote by Mr. Dolan, last City Attorney. Mr. Guza spoke several times at a council meeting stating the contract had ambiguities & was poorly wrote. 1) what were the ambiguities and what was poorly wrote; 2) does city pay the \$30,000 approved by the council; 3) where will money come from to pay the \$534,796.15± invoice (taxpayers); 4) was transparency lacking between city officials and council; 5) were the laws followed; 6) was there bids asked for on the project, if not why; 7) What city official had the authority to okay the project and where is that written document...*

Mayor McGinley asked the council members to write down their questions for Mr. Guza, give them to him and he would forward them to Mr. Guza.
The council tabled until they hear from lawyer.
