Fitzgerald Selected to Wear No. 18 Jersey for 2025 Season

Western Bulldog and Dillon Beaver football player M.J. Simkins, whose life was tragically cut short prior to the start of his senior year, wore the number 18 with pride. The number

had tremendous significance because it showed his love for Dillon and Beaverhead County, which is Montana county number 18.

MJ wore the no. 18 for three seasons 2014 to 2016. His brother Nathan carried forward the tradition and values of the no. 18 throughout his epic Bulldog career (2017-2021). The number 18 has since become a legacy number for the Bulldog Football team.

"18 is a true legacy number. It denotes the best of what it is to be a Bulldog, integrity, work ethic, loyalty and leaving it better than you found it. Every player on this team aspires to someday wear 18," Head Coach Ryan Nourse said.

The number was and will be given to a senior student athlete who represents the spirit and values of M.J. and what Bulldog Football is all about. Now, for the 2025 season, it has been awarded to Dillon native and senior linebacker Jace Fitzgerald.

"Growing up in Dillon, I always knew what the no. 18 jersey meant. It's more than just a number, it's a legacy. M.J. Simkins wasn't just a great football player. He was someone who genuinely made the people around him better. His quote, 'leave it better than you found it' has stuck with me for years. It's a mindset I try to live by, whether I'm on the field, in the classroom, or out in the community," Fitzgerald said.

Fitzgerald, an upcoming senior on the 2025 football team, started his career playing at Montana State University. He transferred to the University of Montana Western before last

season and earned first team all-conference honors in his first season for the Bulldogs. He was second on the Bulldog defense in tackles with 81 total tackles on the season and recorded 40 solo tackles and nine tackles for loss. He was a 2021 graduate of Beaverhead County High School and is a Dillon, Mont. native.

"Wearing this number means honoring everything he stood for, loyalty, work ethic, selflessness, and pride in where you come from. It also means honoring the players who wore this legacy number before me, their dedication, leadership, and impact that they had on the program and doing my part to make sure the legacy continues to inspire and make a difference both on and off the field," Fitzgerald continued.

The Bulldogs capped off an impressive season in 2024 with a 10-2 overall record, winning the Frontier Conference Championship for a second season in a row and secured their first NAIA playoff victory in over 30 years.

"Jace is who he says he is and does what he says he will do and he operates with integrity. When he looked to move on from MSU, he didn't take the popular path like most of them, he chose to come home. This showed his loyalty to his community and to Montana Western, which gave him instant respect amongst his peers," Nourse said.

"Earning what you get is a hallmark of being a Bulldog and Jace has earned everything he has accomplished here."

The upcoming season for the Bulldogs will be the first in the revamped Frontier Conference, with the 14 football playing schools being divided into East and West Divisions. Montana Western will open the season at Montana Tech on Aug. 28.

"I am excited and looking forward to continuing to raise and uphold the standard of this program," Fitzgerald said. "As a team we want to play disciplined, physical football and stay consistent week after week. To put our team in the best position to compete for another Frontier Conference title and beyond."

The Fallen Heroes (Memorial Day Tribute)

Kevin H. Brown, Senior Chief, United States Navy (Retired)

"This poem is dedicated to all those who died for our freedom.

To the fallen heroes, a taste of freedom, they shall never know."

Far away are the horrors of war, etched in our minds

For our veterans who died, were left far behind

They fought for our freedom; we take for granted from thee

Blood spilled on foreign soil, we shall never see

The sacrifices for those who died, we honor this 26th day of May

They deserve our respect and gratitude, each and every day

Remember to place flowers on their graves and thank them well

We are their legacy, the hopes and dreams, with stories to tell.

See "Old Glory" flying so beautiful against the blue skies so proud

Sing our national anthem, sing it with pride, sing it out loud

We honor our war dead for the ultimate sacrifices they gave to thee

So that all Americans in this great nation could be free

Crash on Medicine Lodge Road Sends Two to Hospital

Jeremy Crawford, Southwestern Montana News

On Thursday, May 22, a woman rushing her husband to the hospital after a farming accident was involved in a serious vehicle crash on Medicine Lodge road.

The woman, driving a Toyota SUV, was making a sharp right turn when she lost control of the vehicle. The SUV left the roadway, rolled, and appeared to have flipped multiple times before coming to rest approximately 75 yards from where it exited the road.

Both passengers sustained injuries from the crash and were transported from the scene by ambulance. The incident remains under investigation, and authorities remind drivers to exercise caution, especially on gravel and dirt roads.

Support Jasmine's Battle Against Stage 4 Cancer

Jasmine is a single mother to two beautiful children, Sophia (6) and Lincoln (3). She was recently diagnosed with two forms of breast cancer. Her left breast at stage 2 and her right breast at stage 4. The cancer has spread from her breasts to her bones and brain due to a mutation in her BRCA2 gene, which is a gene that suppresses tumors, and her doctor has deemed her cancer incurable. She had her first round of chemotherapy and a blood transfusion on April 29th to slow the progression. She also got a biopsy done of the tumor on her brain and they inserted her portacath that day. Her second round will be on May 21st, 6 days before her 29th birthday. Due to the severity of the cancer, as her doctor has said this is the worst case he has seen in years, we unfortunately do not know how long she will be around to see her beautiful babies grow up. This go fund me is to help ease the burden that has already so heavily affected Jasmine, as well as her mother, who faces health challenges of her own. I also plan to set up savings accounts for Sophia and Lincoln. I want to make sure that Jasmine and her family do not have to worry about finances and can focus on spending their time together.
