Attorney General Knudsen and MHP urge Montanans to drive safe during 100 Deadliest Days of Summer

Attorney General Austin Knudsen and the Montana Highway Patrol (MHP) are encouraging drivers to stay safe on the road as Memorial Day weekend marks the unofficial start of summer and the beginning of the "100 Deadliest Days of Summer." Throughout the summer, there will be an increased presence of troopers on Montana roads and highways to crack down on drunk and drugged drivers.

Traffic fatalities have remained steady in 2025 compared to the same time last year. However, more fatal crashes occur during the time between Memorial Day and Labor Day than any other time of year. There were 65 traffic fatalities in Montana from January 1 through May 21 – nearly the same as the 66 that had occurred during the same time last year. Traffic fatalities involving alcohol and speed are down from this time last year. Alcohol-involved traffic fatalities are down nearly 30 percent and fatalities where speed was a factor are down 35 percent, according to preliminary data.

"Together, we can ensure everyone can enjoy the summer with their friends and families. Please, be safe on the road this summer," Attorney General Knudsen said. "Never get behind the wheel intoxicated, follow the speed limit, and always buckle up. It could save your life or the lives of others on the road."

"You can expect to see more troopers over this holiday weekend and throughout the summer as we work to keep Montana's roads and highways safe," MHP Colonel Kurt Sager said. "Too often we see tragic situations because of people not following traffic laws. Have fun this summer, but please be responsible behind the wheel."

Simple rules to follow so everyone can make it home safely and enjoy the summer with their families:

- Slow down and follow the speed limit: The speed limit is the maximum speed for the ideal conditions. Slow down when there is traffic, varied roadway conditions, or inclement weather.
- Don't drive impaired: A person's ability to operate a motor vehicle while impaired by drugs or alcohol is greatly diminished. Driving impaired can ruin your life and the lives of others.
- Wear your seatbelt: Seatbelts are the cheapest life insurance there is.

Support Jasmine's Battle Against Stage 4 Cancer

Jasmine recently received life altering news. She was diagnosed with two forms of breast cancer, her left breast at stage 2 and her right breast at stage 4. The cancer has spread from her breasts to her bones and brain due to a mutation in her BRCA2 gene, which is a gene that suppresses tumors, and her doctor has deemed her cancer incurable. She had her first round of chemotherapy and a blood transfusion on April 29th to slow the progression. She also got a biopsy done of the tumor on her brain and they inserted her portacath that day. Her second round will be on May 21st, 6 days before her 29th birthday. Due to the severity of the cancer, as her doctor has said this is the worst case he has seen in years, we unfortunately do not know how long she will be around to see her beautiful babies grow up. This go fund me is to help ease the burden that has already so heavily affected Jasmine, as well as her mother, who faces health challenges of her own. I also plan to set up savings accounts for Sophia and Lincoln. I want to make sure that Jasmine and her family do not have to worry about finances and can focus on spending their time together.

Grizzly bear shot and killed near Choteau

Two landowners were picking mushrooms about a mile north of Choteau on Wednesday night when they were charged by an adult female grizzly bear. The men shot and killed the bear at close range, and fortunately, they were uninjured during the encounter.

"I spoke to John and Justin shortly after the incident and they were both still shook up," Montana Fish, Wildlife & Parks Director Christy Clark said. "They told me their story and it was clear it was very traumatic. What's important here is they're ok."

Bears are active along the Rocky Mountain Front and in areas around towns like Choteau, Ulm and Cascade. If you are experiencing conflicts with bears, please call your local FWP bear specialist.

Be bear aware

Montana is bear country. Grizzly bear populations continue to become denser and more widespread in Montana, increasing the likelihood that residents and recreationists will encounter them in more places each year.

Avoiding conflicts with bears is easier than dealing with conflicts. Here are some precautions to help residents, recreationists and people who work outdoors avoid negative bear encounters:

- Carry bear spray and be prepared to use it immediately.
- Travel in groups whenever possible and make casual noise, which can help alert bears to your presence.
- Stay away from animal carcasses, which often attract bears.
- Follow food storage orders from the applicable land management agency.
- If you encounter a bear, never approach it. Leave the

- Keep garbage, bird feeders, pet food and other attractants put away in a secure building. Keep garbage in a secure building until the day it is collected. Certified bear-resistant garbage containers are available in many areas.
- Never feed wildlife. Bears that become food conditioned lose their natural foraging behavior and pose threats to human safety. It is illegal to feed bears in Montana.

Though they have reached recovery levels in the Northern Continental Divide and Greater Yellowstone Ecosystems, grizzly bears in the lower 48 states are listed as threatened under the Endangered Species Act. Management authority for grizzlies rests with the U.S. Fish & Wildlife Service, working closely in Montana with FWP, the Forest Service, the National Park Service, the Bureau of Land Management, the U.S. Geological Survey, Wildlife Services, and Native American tribes. This collaboration happens through the Interagency Grizzly Bear Committee.

For more information and resources on bear safety, visit fwf.mt.gov/conservation/wildlife-management/bear.

Incident Note: The female grizzly in this incident had a cub of the year with her at the time of the encounter. FWP is attempting to capture the cub.

**Dillon Beavers Fall Short as Polson Lady Pirates
Secure Late 5-4 Victory**

Jeremy Crawford, Southwestern Montana News

The Dillon Beavers Varsity team put up a strong fight but ultimately fell 5-4 to the Polson Lady Pirates on Thursday. Though the Beavers out-hit Polson 7-4, the Pirates edged ahead late in the game.

The Beavers scored first in the third inning when Kinzy Creighton doubled, driving in two runs. Polson responded in the bottom of the fifth, taking the lead with a big inning. Olivia Jore doubled to center field, followed by Opal Nash's double, both scoring two runs to give Polson a 4-2 advantage. The game was tied at four in the top of the sixth when Kylie Konen doubled and Bridget Lovaas singled, both bringing in runs to knot the score.

In the bottom of the sixth, Polson regained the lead. The Lady Pirates held Dillon scoreless in the top of the seventh to secure the victory.

Adyson Creighton started on the mound for Dillon, pitching six innings with four hits allowed, five runs (one earned), four strikeouts, and four walks. Samantha Rensvold pitched the full seven for Polson, giving up seven hits and four runs with seven strikeouts and no walks.

Offensively, Creighton led the Beavers with two RBIs and went 2-for-3 at the plate. Jaja Nichols, Liz Cunningham, Opal Nash, and Olivia Jore each collected one hit for Polson, with Nash and Jore each driving in two runs.

There will be a HALF-DAY on Friday, May 30 for the last day of school. Parents and guardians, make sure to pick up your kids at 12 p.m. if they are not riding the buses or walking.

The lunch menu for the week is as follows:

- Monday: NO SCHOOL - NO LUNCH
- Tuesday: Chicken Fajitas with Refried Beans or Taco Salad Bar
- Wednesday: Local Beef Burgers on Fresh Buns with trimmings or Chef Salad Bar

On Tuesday, May 27th at 9:00 a.m., 8th Graders will have their Promotion Rehearsal. At 6:30 p.m., they will take their 8th Grade Promotion Group Photo at B.W. Lodge. At 7:00 p.m., the 8th Grade Promotion ceremony will take place at B.W. Lodge. Congratulations, 8th graders! We will miss you at DMS, but we hope you love high school. Have a great summer!

On Wednesday, May 28th, by 3:30 p.m., all library media equipment and faculty library books and videos returned to the library.

Quarter 4 grades will be sent out to students by Friday, May 30. Parents and Guardians, check backpacks for this sheet of paper so you can see how your kid performed for the last quarter of the school year and ask teachers any questions.

On Thursday, May 29th, 6th and 7th graders will be checking out. They will clean out their lockers and all books and textbooks will be returned to their respective classrooms. Students, do your best to help out in your classrooms this last week of school.
