## Matthew Ross Des Jardins, 33

Matthew Ross Des Jardins, age 33 passed away suddenly at him home in Helena. He was born February 13, 1992 in Dillon to Robert and Susanne Des Jardins.

Choosing to make healthcare a career, he was driven by his intense empathy and compassion for others. He worked for Shodair Hospital as well as multiple home health care agencies in Helena. He was fiercely independent and intensely private.

Matt was proud of being born in Montana, and truly appreciated the outdoors. He enjoyed fishing, hunting and camping. He wa an avid fan of the Buffalo Bills football team.

He is survived by his loving parents, Bob & Sue Des Jardins and his special brother Zacharie, all of Dillon as well as his Aunt Judy Armstrong of Salt Lake City and numerous cousins living in multiple states around the country. He valued his friendships deeply and has many lifelong friends from the Dillon and Helena areas!!!

His remains have been cremated and his ashes will be scattered in a very special place at a later date.

No services are planned at this time. In lieu of flowers please make contributions to the Doug Flutie Junior Foundation for Autism, Inc., at www.flutiefoundation.org

## 3 Rivers Backcountry Horsemen

On May 31 the 3 Rivers Backcountry Horsemen assisted the Southwestern Wild lands Chapter of Wild Montana to install an equine hitch rail at the Mono Creek trailhead in the Wisdom-Wise River Ranger District of the Beaverhead-Deer Lodge NF. This project has been quite awhile in the making and will serve a long-standing need at this particular trailhead. Several members of the team commented on the easy digging after the difficulty of some of 3 Rivers Back Country Horsemen chapter's recent projects.

The steel rail was cemented in place and will last for a long time.

While in the area the Wild lands Chapter removed trees fallen across the trails and with 3 Rivers Backcountry Horsemen helped reconstruct the portions of the Mono Creek Campground fence that the fallen trees destroyed.

It is always a pleasure to work with other organizations to help keep our public lands accessible and easily enjoyed by the public.

## Mayday! Mayday! Hear the call and be in action. It is time for us all to GROW FOOD!

We say 'Change Your Food, Change the World!'

Join us at Patagonia Dillon June 8th, from 1pm-4pm. Cultivating Connections will be bringing lots of plants to share. "Mayday! Gardens" is a call to share, an answer to Nature's need for our attention, care, and cooperation. It's community, it's food, it's a seed for our futures. Garden plants are grown and cared for with the generous help of volunteers, visiting school classes and groups, and our youth interns. Food plants are a gift from our heart to yours- because we believe in Us, Together!

## Terminus Distilling Company Updates

*Katrina & Derek Lewis*

***Building***

Derek is almost done framing the walls, floors, and ceiling of the Small Tasting Room. Katrina has been refurbishing one of the old wooden office doors: lightly sanding it down, staining it to match the original color, and adding a protective coating. It will soon be the public entrance on the Virginia St. side of the building and we'll put back the bell that used to hang at the top.

***Business / Community***

May found us wrapping up our marketing grant through Headwaters Small Business Development Center (SBDC). In the coming months, you'll see an unveiling of our new website, complete with pictures of merchandise and products as well as an About Us video. We've also had some potential progress on what it will take to move from Phase 1 (small tasting room) to Phase 2 (medium tasting room with seating). More soon.

***Distillery***

The weather is warming up and spring cocktail experimentation has been tasty. Katrina has already made a batch of rhubarb shrub (great with some gin and sparkling water) and is tinkering with a dreamsicle slushie recipe. We look forward to sharing the results with you all.

Thanks for reading!
