Meals on Wheels Feeding Seniors

Beaverhead Allied Senior Services or B.A.S.S. is the provider and facilitator for a program called Meals on Wheels. Meals on Wheels addresses senior hunger and isolation by providing nutritious meals to elderly members within our community. Some recipients do not have the financial means to prioritize healthy eating, while others do not have the availability or the accessibility to leave their homes. Meals delivered to their home provide convenience to ensure that our seniors are eating.

The University of Montana-Western dining services took over the contract to cook and prepare meals in 2024. Since that time, we have received wonderful feedback on the quantity and quality of the food. For some, these meals are the only source of nutrition they receive.

Meals on Wheels have been working continuously to receive as many donations and grants as possible. In 2024, our program was a benefactor of the Festival of Trees organization within the Dillon Community. We were generously awarded $12,000. $9,000 was given to our program by United Way to also aid in our costs. Additionally, Meals on Wheels was allocated a $10,000 donation from the Bicentennial Foundation. Area Von Aging is an organization from the State of Montana that contributed $17,890 in 2024. These donations are greatly appreciated but only make a small dent in our overhead costs.

Currently, each meal costs our program $8.00. Meals on Wheels provide on average 53 meals a day for members of the community. That number has doubled within the last two years. That is $424 a day, $8,480 a month, and $101,760 a year. Even with the donations from different community organizations, B.A.S.S. still has a deficit of almost half our yearly costs. We have several applicants on a waitlist to receive meals, but we don't have the capacity to deliver more. In previous years, we have been able to cover that deficit from contributions received over the past 20 years, but those funds are quickly running out.

We also anticipate that our cost per meal will increase in the unforeseeable future. The City of Dillon generously provides the financial means for our driver, and our fuel.

Any financial contributions awarded to B.A.S.S. are dispersed to cover the costs of our meals. While B.A.S.S. is continuously working to keep the program going, financial matters are becoming harder to secure. When the funds run out, we will be unable to continue providing food for our community. This will be our last course of action, but with the overwhelming need for assistance and the increasing food costs, we are unsure of how long we can sustain our services.

Given the average cost of meals in 2024, the Area V agency funds available for the nutrition program would have covered only 1,919 out of the 8,847 meals served in Dillon.

That means that 78% of the participants, 69 out of 88, would have been denied service unless meal donations and locally raised funds weren't available to cover the gap.

B.A.S.S. is very grateful for a recent anonymous donation to provide a truck to deliver the meals and keep the food at a safe handling temperature. This assures a safer meal for the recipients.

B.A.S.S. is continuing to raise funds because the meal cost is something that is ongoing and the donations received covered current expenses. It is projected that the meal cost will rise in the near future and continues monthly which could then leave a shortfall for the end of the year.

If you would like to donate and help with the expense of meals, please contact a B.A.S.S. representative. Karen Kipp at 406-925-0120 or Deb Pierce at 406-660-4010.

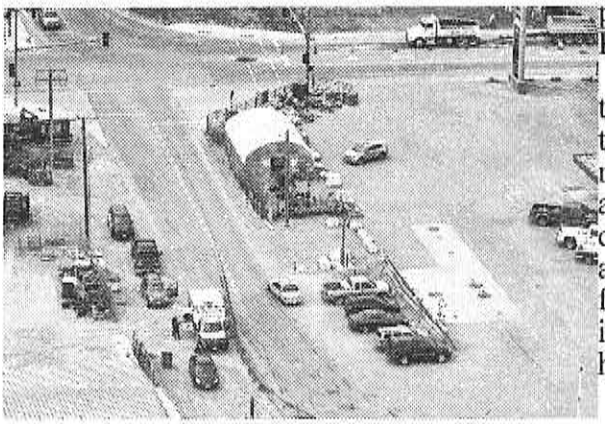
Two-Vehicle Accident on Montana Street in Dillon

Jeremy Crawford, Southwestern Montana News

Dillon police and first responders responded Tuesday afternoon to a two-vehicle collision on Montana Street.

The incident involved a black pickup truck and a grey SUV traveling southbound. The pickup rear-ended the SUV, causing both vehicles to pull off the road onto Ramshorn.



The driver of the SUV was reported to be experiencing neck pains, and an ambulance was dispatched to evaluate and assist them. No further details about injuries or damages have been released.

Secretary Christi Jacobsen welcomes Montana Mining Association

to ceremonial bill filing for its 2025 Legislative priorities

Leaders with the Montana Mining Association joined Montana Secretary of State Christi Jacobsen at the Montana State Capitol to celebrate the organization's priority legislation from the 2025 Montana Legislative Session. Secretary Jacobsen held a ceremonial filing of the bills into law.

"Montana mining is critical for American resolve. Montana mining electrified the nation in the past, and we are a key player in the tech and renewable future," said Secretary Jacobsen. "It is great to stand with Montana miners today to set in stone key Montana Mining Association objectives for the future of mining in the Treasure State."

In addition to the Mining Association's key objectives, the Montana Legislature passed House Bill 203 earlier this year, establishing "Montana Mining Day" to honor the state's rich mining heritage. The bill received near-unanimous, bipartisan support on its way to becoming law, designating February 9 as "Montana Mining Day."

"Miners powered the electrical revolution. Today, America's best and brightest are poised to represent America again as miners in the Treasure State," said Secretary Jacobsen. " As we celebrate the rich heritage of mining in Montana, we extend our gratitude to the miners who laid the foundation for Montana's prosperity and the contributions that have created a global legacy of resilience and innovation."

Mayday! Mayday! Hear the call and be in action. It is time for us all to GROW FOOD!

We say 'Change Your Food, Change the World!'

Join us at Patagonia Dillon June 8th, from 1pm-4pm. Cultivating Connections will be bringing lots of plants to share. "Mayday! Gardens" is a call to share, an answer to Nature's need for our attention, care, and cooperation. It's community, it's food, it's a seed for our futures. Garden plants are grown and cared for with the generous help of volunteers, visiting school classes and groups, and our youth interns. Helena Reps Edge Out Dillon Cubs in Dramatic Walk-Off, 7-6

Jeremy Crawford, Southwestern Montana News

The Dillon Cubs fell just short in a thrilling game against the Helena Reps on Tuesday, losing 7-6 in a walk-off victory that kept fans on the edge of their seats until the final out.

The game was tied at six in the bottom of the seventh inning when Reddek Richardson singled to drive in the winning run for Helena.

Kanin Engelhardt led the Cubs with a strong offensive performance, going 3-for-4. He singled in the first inning, doubled in the seventh, and singled again in the sixth to provide key hits for Dillon.

The Reps took an early lead in the second inning with a wild pitch and an RBI single by Deagan Solan that scored two runs. The Cubs responded in the top of the seventh inning, tying the game with a single by Trenton Moreni, a double from Engelhardt, and a single from Marcus Lagunas.

The game's winning score came in the bottom of the seventh as Richardson's clutch single propelled Helena to victory.

Grant Bahnmiller earned the win for the Reps, surrendering four hits and three runs over one and two-thirds innings, with two strikeouts and two walks. Jase Alvarez took the loss for Dillon, pitching one and one-third innings, allowing one run on zero hits, with one strikeout and one walk. Will Hansen started for Dillon, giving up five hits and three runs in two and two-thirds innings.

Both teams showcased offensive firepower, each collecting 10 hits. For Dillon, Moreni and Engelhardt each contributed three hits, with Lagunas and Alvarez also adding multiple hits.

The Helena team was led by Reddek Richardson, who had three hits in five at-bats from the leadoff spot. Deagan Solan and Pierce Sublette each drove in two runs for Helena, while Brayden Spurzem and Tyler Kaiser added multiple hits. The Reps also played solid defense, turning one double play in the game.

Veteran's Corner Update #311

By Mike Lawson

Veteran News Updates:

• As I mentioned earlier, I attended the State Disabled American Veteran (DAV) Convention in Great Falls this last weekend. It was good to see Veterans from other parts of our vast state. One of the most important functions we in the DAV do, is getting our Veterans to their medical appointments. This can be a challenge as Montana is 559 miles long from our Eastern Border to our Western Border and 321 miles wide from our Northern Border to our Southern Border. Our roads can be a challenge in the winter months especially since weather changes can change driving conditions within 10 miles. The Volunteer DAV Van Drivers are a special breed who develop friendships and compassion with these Veterans who they transport. We drive many miles and hours and are glad to do it as we're told many times that without us getting these vets to their appointments they would be in a lot worst shape or would have died. We do fund raisers, seek grants, etc. to buy new vans when they get high mileage on them. We're always trying too recruit new drivers as many of us are getting up in years and the need for younger guys and gals to step forward and keep this amazing program helping our Veterans move on into the future. Helping one another and our communities is what it's all about.

• The American Legion and the VFW Conventions will be taking place in a couple of weeks. A big part of all our Veteran organizations on both the National and local levels is voluntarism and keeping track of our volunteer hours. They all have National Headquarters which have folks who go to the legislative bodies of Congress to lobby for Bills to help our Veterans. One of the tools they use is showing the volunteer hours that our Veterans volunteer for Community and Veteran causes. These hours are amazing in number and speak volumes to what a difference they make and the support they expect our Representatives to give for the betterment of Veteran causes. If you're a Veteran, we can use you in a positive fun way.

May you all have a great week. Enjoy life in caring for others.
