Richard Dell Gregston

June 18, 1938 — May 25, 2025

Just a note to let you know how much you were loved, respected and missed! You were andamazing provider and protector. You dearly loved your family, children, grandchildren, great grandchildren, aunts, uncles, cousins and co-workers.

Your mother asked you "what would it take for you to go to college?", "here's $20 and a pen!" So you worked in the back country for Sequoia National Park with only a horse, sleeping bag and a fishing pole every summer to pay for college. Then you were drafted into the Army. After 2 years serving your country you went back to college to earn your AA degree.

You excelled in track, setting records it took several years to be broken. You are a member of the "5 Star 100 club" which means you were one of one hundred participants over the United States that qualified in 5 events to be awarded the membership card and pin.

You served your country in the Army in the Chemical, Biological and Nuclear warfare training. They tested mustard gas on you and other chemicals including being in the Nevada desert being exposed to nuclear bomb testing. You received a Good Conduct medal, letter of appreciation and Sharpshooter Badge (M-1 rifle).

You then married, had 3 wonderful children, 6 grandchildren and 5 great grandchildren. Worked for the stated of CA, rising to the ranks of Fire Captain. You spent 28 years saving lives, property and rangeland. You missed a lot of Birthdays, Christmas's and family gatherings! However you made up for it on your days off! Oh all the hunting, fishing, boating and vacations! Wow.

You spent several years caring for you parents in their final days.

Spent many years of your retirement in Montana where you continued helping others, still saving lives and property! Always a first Responder!

You built and restored 2 cars from the ground up, oh how you loved the hot rods from the 50's and 60's!

Our son came from Alaska as he was determined to get the 1960 Chev. Impala you had started restoring finished and take you for a ride in it! By now you were too ill to finish it. Which he did! He gave you a ride around the loop in your pride and joy. What and amazing gift to his father. Our grandson also came to say goodbye and wrote you and amazing letter telling you how much he loved you and appreciated all you had done for him. He's hoping to instill all of the good qualities in his children that you had given him. RIP papaa.....

You were a wonderful man and I will love you forever!

Miss you every day My Love

How appropriate for you to have passed on a Sunday "A day of rest" and on "Memorial Day" weekend!

Love, in Jesus name, your Family!

Dillon Friends of Music Scholarships

The Dillon Friends of Music awarded $500 scholarships to Beaverhead County High School graduates Severen Meier and Kaycee Pilon.

The Hagenbarth Scholarship requires music study (vocal or instrumental) after high school. Severen Meier is this year's recipient. Last spring he committed to a 6-year enlistment with the Army Reserve. Beginning in the fall of 2025, he will also be enrolled in the School of Music at the University of Montana pursuing a degree in Flute Performance. Severen has been active in the instrumental program for four years at Beaverhead County High School and one year in the choir, receiving numerous awards and honors.

Kaycee Pilon has excelled in both the vocal and instrumental programs at the high school. Her plans include a Biology Major and a Flute Performance Minor at the University of Montana. She is also hoping to fit some choral music into her schedule. She was awarded the Dillon Friends of Music Scholarship. This scholarship recognizes excellent contributions to the high school music program but does not require further music study. She too, has received many awards and honors.

The Dillon Friends of Music is a 501©3 organization whose goal is to enhance music programs in the schools of Beaverhead County by providing financial support for activities and supplies not funded by the schools.

BCHS Student Creates Unique Thin Blue Line Honor Flag Table

Jeremy Crawford, Southwestern Montana News

Guy Holt, a 16-year-old (now Junior) student at Beaverhead County High School, brought a meaningful project to life in wood class. Inspired by the Thin Blue Line honor flag, Guy crafted a custom table that pays tribute to law enforcement.

He took slabs of wood around town to various locations associated with law enforcement and the community, and asked for signatures from anyone who wanted to show support. The result is a unique and heartfelt piece that embodies community respect and appreciation for those who serve.

Guy's dedication and creativity have highlighted the importance of honoring our local heroes in a personal and memorable way. The table remains a tribute to law enforcement and the community's ongoing support.

Bulldog Rodeo Receives Position Draw for CNFR

The Montana Western Rodeo Team is just under a week away from the start of the College National Finals Rodeo (CNFR) that is set to be held in Casper, Wyo. from June 15 through 21 and they have just received the position draw for the rodeo.

The Montana Western men's and women's rodeo teams secured second place finishes in the Big Sky Region to qualify for the College National Finals Rodeo (CNFR). This marks the first time since 2021 that both teams will be traveling to the CNFR in the same season.

The men's team will be sending a group of six men to the finals, including four repeat finalists. Four Bulldog women claimed bids to the finals after they finished in second as a team in the region. This year's finals will be a first for three of the four women competing at the CNFR. Daily results will be posted here as the week continues.
