James Burt Redfield

Jim Redfield passed away on June 12, at the age of 65, on the family ranch outside Twin Bridges. James was born in Butte on June 18th, 1959 to Ralph (Bud) and Jeannette Redfield. The oldest of five children, Jim graduated from Twin Bridges Schools in 1978.

After high school, Jim began a long career as a seismographer for oil and natural gas. Jim spent years based in Ohio with Precision Geophysical as a "Doodlebugger" locating oil and natural gas deposits in the northeast until he retired in 2019. Jim returned to the family ranch helping his siblings and numerous nieces and nephews on the ranch.

Jim was preceded in death by his parents, Ralph Rodney Redfield Jr. and Jeannette Keene Redfield. Jim is survived by his brothers and sister; Wayne Redfield (Linda), Fred Redfield, Donna Sprinkle, Jerry Bud Redfield (Amanda), and numerous nieces, nephews, and grandnieces and nephews.

Graveside services will be held on June 27th at 10 AM at the Point of Rocks Cemetery.

Bozeman for several years. They enjoyed the community and all the offerings Montana State University, their alma mater, had to offer. Bill and Betty immensely enjoyed traveling to Mexico, Hawaii, and other areas of the U.S. They also enjoyed the unique cultures around the world. Some of their travels took them to Italy, France, Denmark, Norway and China. Bill had a passion for photography and geological rock formations. He was never far from a camera. He had multiple rolls of film of rock formations and far fewer of their travel destinations for which his children often teased him. Their last town of residence was Dillon, MT., to be closer to Robert (Bob) and his family, and also within a few hours of their other children.

For many summers, Bill and Betty Lou would spend time at their Whitefish Lake cabin. It was their favorite place to enjoy time together and with family and friends. They loved watching the beautiful sunsets moving across the lake and marked each passing week where the sun dipped below the mountains. Their daughter, Megan had lived there for many years and looked after their home when the cabin was empty. After Betty Lou passed away in 2014, Bill spent time between Dillon, MT., and Whitefish, MT. He also began to winter in Tucson, Az., with his daughters, Nancy and Tracy. Tracy became his full-time caregiver for the last few years of his life in both Montana and Arizona. Bill returned to Whitefish, MT., for the last time in April of 2025. Once again, he was in his favorite place. He passed away on Easter after a short illness.

Dad will be deeply missed by his children and their families. He was a wonderful father, grandfather and great grandfather. His wisdom and hard work ethic made it possible for his children to grow up with a determination to succeed in their own careers and lives, instilling a sense of responsibility to their families and communities. Bill and Betty Lou were especially prideful watching their children each graduate from college or technical school and venture out on their own. Dad's keen sense of humor will be greatly missed.

Bill was preceded in death by his parents, his beloved wife, Betty Lou of 61 years, sister Betty Jo Whitney, brothers-in-law, Bill King and Gregg Whitney, and son-in-law Mike Meyer. He is survived by his six children, Megan (Elliott), Andrea, Tracy (Lenny), Nancy (Brian), Bob (Kathey) and Michael (Patty), grandchildren, Jazmine, Jody, Jacob, Erick, Benjamin, Mikhail, Katrina, Gabriel, and Michael and great-grandsons Reece, Peyton, Noah, and Wilder, and sister-in-law, Roberta King. He is also survived by his nieces and nephews and many dear friends.

His memorial will take place on June 30th in Whitefish, MT.

Secretary Christi Jacobsen supports logging, oil and gas projects

During June's monthly Land Board meeting, Montana Secretary of State Christi Jacobsen made motions to support logging and oil and gas projects estimated to generate more than \$1.2 million in revenue for Montana's trust beneficiaries. Secretary Jacobsen joined her all-Republican colleagues on the Land Board in approving several agenda items that will benefit Montana schools and other trusts.

"I was proud to support these timber sales in northwest and southwest Montana as they promote responsible resource management and generate vital revenue for our Montana schools," said Secretary Jacobsen. "Oil and natural gas production also continues to be essential for revenue stemming from our state lands. Together, these initiatives strengthen our commitment to investing in our schools and other trusts."

In addition to generating estimated revenue of more than \$400,000, this month's timber sales—one in Flathead County and the other in Beaverhead County—will help manage forests by protecting against wildfire risk, insects, and disease.

The approval of oil and natural gas production is estimated to bring more than half a million dollars to Montana's K-12 schools, with nearly a quarter-million dollars to the state's public lands trust.

Secretary Jacobsen and her colleagues also approved several easements, including replacing outdated bridges in Mineral County and updating water pipelines in Daniels and Valley counties.

 The park is always in need of candle wax (any size or color) and crayons to be used at the candle dipping station during Bannack Days. This is always a very popular activity for families. We also need cotton fabric and/or cut strips to be used at the rag doll making station during Bannack Days and Kids Day. Strips need to be 1 1/2 inches wide and either 42-45 inches or 22 inches long. There is also muslin to be cut in to 12-inch squares. Visitors of all ages will make and take home their very own dolly. Donations may be taken to Bannack or call/text Arlis Vannett (406-925-2209) to arrange a pickup or drop off in Dillon.

Montana State Auditor James Brown Applauds \$1.7 Million Approved by Montana Land Board to Support Public Schools

At this month's meeting of the Montana Land Board, an estimated \$1.7 million in revenue was approved to directly support Montana's public schools. This funding reflects the ongoing commitment of the Land Board to responsibly manage state trust lands for the benefit of Montana's students and future generations.

"The five members of the land board, including myself, Governor Gianforte, Attorney General Knudsen, Superintendent of Schools Hedalen, and Secretary of State Jacobsen, have once again demonstrated how responsible stewardship of Montana's trust lands delivers real results for our schools," said James Brown, Commissioner of Securities and Insurance.

The revenues approved at the May meeting are the result of diverse and sustainable management activities across state trust lands.

These funds are critical to ensuring that Montana's schools have the resources they need to provide a high-quality education for children. The Land Board's stewardship of more than 5.2 million acres of public trust lands continues to deliver on the promise made in Montana's Constitution: to generate income for schools while protecting the natural resources that make the state unique.

As Commissioner of Securities and Insurance and a member of the Land Board, James Brown remains committed to transparency, accountability, and maximizing the return from trust lands for the benefit of Montana's students.

Together, the Land Board is investing in Montana's future—one school, one student, and one community at a time. For more information about the Land Board, visit our website at csimt.gov/land-board

THE LONGEST DAY

alzheimer's association

Alzheimer's "The Longest Day" June 21st

Join the local ADK chapter of educators and The Dillon Public Library in their fight on Alzheimer's. There will be a showing of "Iris" at The Depot Theater at 3pm. This enlightening movie starring Julianne Moore is based on a true story and explores the harsh realities of Alzheimer's.

Informational resources will also be available.

From 5-8pm The Brewery is hosting a "pint night" to help us help others in our fight to outshine the darkness of Alzheimer's. Refreshments will be provided.

The funds raised will advance the care, support, and research efforts of the Alzheimer's Association.

Thank you for your support!
