Sandra Lynn Peterson

February 16, 1947 — June 8, 2025

Sandra, was reunited with her loved ones in heaven, on June 8, 2025. She was surrounded by love and family. She was preceded in death by her sons, Michael Lloyd and Ronald Roy Peterson, her husband, Ronald Roy Peterson, her parents, Lloyd and Carol Wilhelm and step mother Diane Wilhelm, as well as her Aunts, Connie (Burr) Lively and Corky (Mickey) Diamond, her grandparents and great grandparents.

Sandra was brought into the world by her parents, Lloyd and Carol Wilhelm February 16, 1947, in Butte, Montana. She has three sisters Karla (Rick) Valentini of Anaconda, Montana; Wrenie (Steve) Knutson of Helena, Montana, and Kara Wilhelm of Butte, Montana. Sandra was blessed with many nieces and nephews: Todd Valentini, Tami Manning, Geno Valentini, Jamie Lodmell, Chance Wilhelm, Ashlee Graves and Jessica Knutson.

During her early years they lived in many places including Butte, Alaska, and Elliston. There are others but these are the ones she talked about most.

Sandra graduated High School in Deer Lodge, Montana. During her growing up years, she loved to ride horses and spent many hours riding in the mountains on her horse Honey. In later years she taught her daughters to ride as well.

She loved her sisters and her cousins fiercely, and they enjoyed many hours of adventures together as children wherever they were.

Sandra married Ronald Roy Peterson on October 22, 1966, and together they had four children. Ava (Rusty) Talbott, Malissa (Jeff) Crane all residing in Butte, Montana, and her sons Michael Lloyd Peterson and Ronald Roy Peterson whom both gained passage to heaven as infants. Ron and Sandy struggled in their marriage at times, but in the end, they were exactly what each other needed. They loved each other dearly! She was an amazing mother that tried her hardest to be there for her children, to spoil them with all the things she could and to help them when she was needed. She made a lot of their school clothes in younger years, spent hours planning out the holidays and birthdays, worked hard to create beautiful bedrooms and all the things two girls could ask for. We were so lucky, deeply loved and honored to call her Mom! As a family we spent many weekends camping, fishing, traveling and enjoying life!

Sandra was a loving grandmother to her 6 grandchildren: Josh (Erica) Chamberlin of Oregon, Nycole Chamberlin of Idaho, Michael Peterson Crane of Butte, Casey (Brittany) Peterson of Idaho, Heather (Eric) O'Connell of Butte, Brittnee Crane of Missoula. She took her role as grandmother very seriously and made sure they always had the extra things they wanted. She spent hours with them, took them on special outings and vacations. They have a lifetime of memories to cherish of times spent with their grandma.

Sandra had a whopping 26 great grandchildren, including those naturally born into the family and those adopted by marriage, she lovingly welcomed them all. Although she got sick before she was able to welcome many of them into the family, she loved you all and enjoyed getting to watch you and be with you always. All that was needed to know her feelings was to see the looks on her

beautiful face as the smile broadened when each of you would talk to her or show her your love.

Sandra worked many places over the years from most recent Butte Silver Bow Bus Driver, Butte Silver Bow School Bus Driver, Centennial Concrete, United Building Center, LaVelle Powder, Pork Chop Johns, Sheriff's Pizza, all in Butte, the Quack Quack Café in Melrose and The Register's Office in Deer Lodge during high school. She said her favorite job was driving the special needs school bus and she loved all her kiddos! She was a hard worker and dedicated to what ever job she held at the time.

Sandra had a wide list of hobbies and interests that would take a lifetime to list. There wasn't a craft she couldn't do and do well. Her most recent favorites included showing her Great Danes, sewing, pottery, knitting, crochet, and beading, although there were many others over the years. She was a fantastic cook, did carpentry work, remodeled her homes including the plumbing and electrical, and loved to help others! She built an addition full length of our first family home in Butte with very little help after the main structure was erected. She and Ron built their garage on their final home with some help from friends and family. Working together on such projects was a struggle for Sandra and Ron, they did not always agree, but they got it done!

Sandra loved her people and there were many she claimed beyond family! To all of Sandra's friends her family wishes to convey their deep gratitude to you all for being such a special part of her life!

Sandra was a strong believer in giving blood and did so as often as they would allow her. She said you never know when someone might need it!

Sandra loved her animals and spent many hours working with her dogs in later years. I truly believe she chose Great Danes as they were the closest she could get to horses. She was part of the Great Dane Rescue in Montana for many years and helped to find homes for Danes when called upon.

Sandra was a member of The Daughter's of Norway and the Norwegian community in Butte and worked with them to bring the Norwegian culture to her home town. Heritage was important to her and she researched her family heritage and taught it to her children and grandchildren. She loved to make

lefsa for our family every year. A few years ago, we were able to get Mom to confirm the recipe so we could make it with her one last time. It was a beautiful day with two of her sisters, her daughters, granddaughter and Great granddaughters. Although she couldn't do all the work, she supervised us well until we got the first few made and then she was off to enjoy her lefsa while we continued.

Sandra will be dearly missed by us all and the world will never be the same without her. She gave so much to the community, her family and her friends. No matter what was happening in her life, if someone needed help, she would give it, no strings attached.

Mom fought hard most of her life but she took it in stride and kept moving forward. Only the people closest to her saw her struggles, to most of the world they only saw her strength.

Mom never quit on anything in life. She would persist until she got the outcome she wanted. We never realized how difficult it would be to put our mother on paper. There are no words to convey what a truly special and beautiful person she was to everyone she met. If you truly wish to honor Sandra, love deeply, help others, stand firm and never quit!

I found the following poem in Mom's wallet and she lived by this poem!

When things go wrong, and they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low, and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest if you must, but don't quit.
Life is queer with its twists and turns,
As everyone of sometimes learns,
And many a failure turns about,
When he might have won had he stich it out.
Don't give up though the pace seems slow,
You may succeed with another blow.

Success is failure turned inside out,
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so far,
So stick to the fight when you're hardest hit,
It's when things seem worse,
That you must not quit.

The family would like to extend an invitation to all the family and friends of Ronald and Sandra Peterson to join the Facebook Group that has been created in their memory. Please share pictures, thought and memories!

Montana Western Men's Rodeo Team Finishes Third Nationally at CNFR

The Montana Western rodeo team concluded its season at the College National Finals Rodeo, highlighted by the men's team earning a third-place national finish and Gavin Knutson being named the reserve champion bull rider.

"I'm super proud of this team and everyone that competed this week," head coach JT Robbins said. "The men's team getting third in the nation is a big deal and well deserved. I can't wait for next year."

Trevor Kay opened strong in the bareback riding, sitting in second after the first go, but was unable to finish the week due to injury.

Knutson posted a 221.5 average score in bull riding to secure the reserve champion title.

Jake Deveraux earned a top-15 finish in tie-down roping, placing 14th overall.

In team roping, Kyler Erickson and Cole Trexler won the short round and finished third in the national standings.

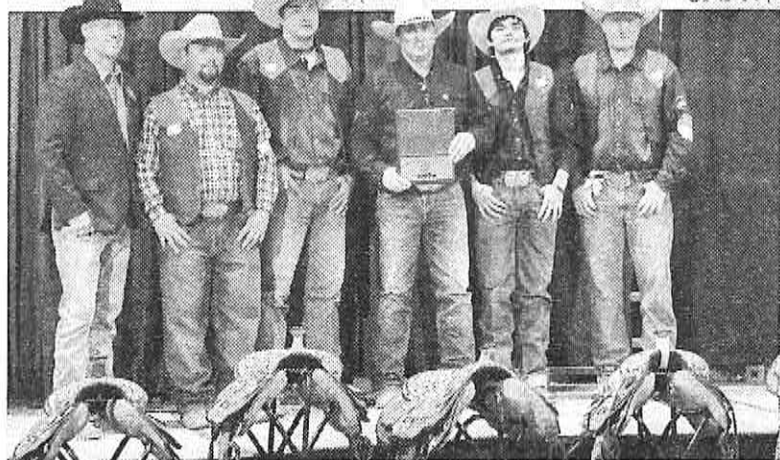

On the women's side, Tavy Leno capped off her season with a 45th-place finish in goat tying.

In barrel racing, Laura Haight made a strong CNFR debut, placing 14th.

Charlee Resch and Tynell McInenly also made their CNFR debuts in breakaway roping, finishing 40th and 52nd, respectively.

Multiple Emergencies In Dillon: Gas Line Rupture And Vehicle Crash

Jeremy Crawford, Southwestern Montana News

Friday afternoon was a busy day for first responders in Dillon. First, the town's siren sounded as emergency crews responded to a ruptured natural gas line in the alley behind Highland Avenue.

The incident occurred when a contractor digging in the alley hit the solid steel gas line, causing it to rupture. Dillon Police, the Beaverhead County Sheriff's Office, and Dillon Volunteer Fire Department arrived on scene within minutes. Firefighters quickly evaluated the situation and placed a temporary cap on the line to stop the leak until Northwestern Energy could make more permanent repairs.

While on scene, responders received another call regarding a vehicle accident on Anderson Lane. A Dodge Neon with two occupants was heading westbound when the driver lost control, resulting in the car rolling onto its top. The vehicle came to rest on the side of the road.

The Montana Highway Patrol is investigating the crash and has reported that injuries are currently unknown.

Emergency crews remain on the scene managing ongoing issues and ensuring safety for those involved.

Meat processing (KILL plant)

By: MJ

Kill Plant: They have tried to put this kill plant in Dillon several times in past years and failed. Once again, they want to establish the kill plant at 620 N. Mt. Street. Councilman Schwandt during the council meeting ask about the kill plant and the mayor had no response however, the Director of Operations said there was no permit. NO further discussion or explanation was given by city officials to the council.

Questions: State and local laws say clearly animal blood cannot be put into public sewer systems. Where has Beaverhead Meats been putting the blood if they have been killing animals? Where is the blood going to go from further kills? It is rumored they will be killing cows. Will there be a fence around the plant? Will that fence be soundproof? Where will the smell go, possibly pungent smells will blanket the entire community?

Questions: It is rumored Beaverhead Meats has been already killing animals. Why have the laws not been enforced? Has the law enforcement agency been instructed to look the other way? If so, why? Many questions?

Citizens & organizations in the community are working to make Dillon a place to visit, to enjoy, and enhance the health, safety and general welfare of the residents. **Questions:** How will those groups promote the community with a slaughter business in the middle of town. How will a kill plant next to a motel that guests are staying in impact their visit?

CITY ORDINANCE 17.16.130: Food processing or manufacturing involving food products shall be in Heavy Manufacturing Industrial Districts and shall be reviewed as Conditional Use in those districts. No food processing or manufacturing involving food products shall involve keeping, housing, feeding, storing or killing of animals or poultry. Conditions shall be required to guarantee an appropriate transitional area to adjacent residential districts. Fencing or screening shall be Chapter 17.16 – Standards for Specific Uses Page 4 Adopted December 5, 2012, required between industrial and residential districts. No use shall contaminate soil, ground water resources or public water, wastewater and sewer systems and systems to mitigate shall be a required condition. The use shall not create dust, air pollution, odors, noise, vibration, or glare that would impact the public health safety and general welfare and impact the character and investment value of adjacent properties.

NOTE: Contact your council representative, commissioners or city hall with comments you may have. Better yet, come to the next council meeting and verbally express your views.

Treasure Hunters Flock To Dillon For Weekend Of Events And Book Signing
Jeremy Crawford, Southwestern Montana News
 This weekend, Dillon became a hub for treasure hunters from across the country and beyond. Many came to seek answers to their questions about the treasure hunt craze, some to meet the man behind the phenomenon, and others to make Dillon a stop along the quest for the elusive treasure.
 A key highlight was the visit of Justin Posey, author of the book *Beyond the Map's Edge*. Posey was in Dillon hosting a variety of events. On Friday night, he kicked off with a bar crawl, starting at Beaverhead Brewing and ending at Cranny's, where he met fans, signed copies of his book, and answered questions.
 On Saturday, the town transformed into a book lover's gathering as a large portion of Idaho Street was closed to host a public book signing event, organized by The Bookstore. Afterward, Justin held a lively Q&A session at the Frontier Event Center.
 Debbie, owner of The Bookstore, was overwhelmed by the turnout and the logistical challenge of managing the crowds. She noted that this event drew her largest crowd ever—estimated between 1,600 and 1,800 attendees—and involved extensive planning, thanks in part to collaboration with the Beaverhead Chamber of Commerce and many volunteers. To manage the crowds, a ticketing system was implemented, allowing guests short intervals to meet the author and have their books signed.
 Local businesses also took part by setting up booths to showcase their offerings or sell food and refreshments, turning the event into a community celebration.

At the event's map station, attendees placed pins indicating their hometowns, with pins from across the United States as well as from countries including Australia, Sweden, and Belgium.
 Overall, the event was a tremendous success and a highlight of a busy weekend for Dillon. It will undoubtedly be remembered as a special moment in the town's history and a memorable chapter in the ongoing treasure hunt saga.
