2025 Pronghorn Pursuit Results

The Beaverhead Trails Coalition and BCHS Cross Country team hosted the annual Pronghorn Pursuit Trail Run on June 7, 2025. This year saw the largest number of participants with 28 racers in the 15k and 38 racers in the 5k. The striking hot pink paintbrush super bloom and perfect weather provided an ideal setting. We can't wait to do it again next year! Thank you to our financial sponsors- Pioneer Federal Savings and Loan, Stockman Bank, and Suenram & Bergeson; our prize donors- REI, Patagonia, Duckworth, Dillon Liquor Store, Beaverhead Brewing, BCHS XC; and all the volunteers- including Montana Youth Challenge. We couldn't do this event celebrating National Trails Day without you!

This institution is an equal opportunity provider and employer.

"I'm thrilled to continue this exciting and fun tradition for the fifth year in our county. I've really enjoyed helping to spread the word around the state about how this event brings adventure and joy to visitors and locals alike, as they visit points of interest and local businesses throughout Beaverhead County. I'd like to thank Ruth King and her incredible students, Roxanne Engellant and the Montana Western Foundation, and Matt Raffety and the UMW Communications Office for their continued support of this event," said Chamber of Commerce Executive Director, Rebecca Jones.

The Hunt Begins:

From now until Labor Day, these magical glass pieces will be hidden in plain sight throughout the county — tucked into local businesses and historical sites, just waiting to be found. Whether you're a visitor or a local, you're invited to explore, discover, and claim a treasure of your own.

How to Join the Hunt:

Keep your eyes open while exploring Beaverhead County — you never know where a treasure might be hiding!

If you find a Montana Stepping Stone, it's yours to keep! Snap a selfie with your treasure, then email it to info@beaverheadchamber.org with your name and the location where it was found.

You'll be entered into a drawing for \$100 in Chamber Bucks, held this September!

Important Details:

Approximately 200 glass treasures will be hidden now through Labor Day. Rain or shine, the hunt is on!

Please, just one treasure per person each summer — let's share the joy.

Treasure Hunter Tips:

These beauties are meant to be discovered — no need to dig or disturb anything. Look carefully in public spaces, local businesses, and historical landmarks.

Please respect the locations and the people who keep them welcoming and vibrant.

Whether you find a treasure or just enjoy the journey, the Beaverhead Treasure Hunt is all about celebrating creativity, adventure, and community. Don't miss your chance to be part of the fun!

For more information, contact the Beaverhead Chamber of Commerce at 406-683-5511 or info@beaverheadchamber.org, or visit us at 730 N. Montana St. in Dillon.

Westslope Cutthroat Trout Restoration in Trapper and Rock Creeks, Big Hole River Drainage

FWP proposes to conserve westslope cutthroat trout *Oncorhynchus clarkii lewisi* (WCT) in Trapper and Rock creeks to expand their range in each drainage by removing non-native trout upstream of constructed fish barriers. Historically, WCT, Arctic grayling and mountain whitefish were the only salmonid species in the Big Hole River Valley. In Trapper and Rock creeks, WCT were native and Arctic grayling likely used the streams seasonally. However, introductions of rainbow and brook trout have reduced and threaten these WCT populations through hybridization, competition and predation, respectively.
