Reception to follow Interment at The Den

Gile H. Mitchell, age 93, passed away peacefully on Wednesday, December 4, 2024, in Houston, Texas. Gile was born in Hannaford, North Dakota on January 9, 1931. He moved to Lima, Montana with his parents Fred and Adelaide and sister Nola when he was ten. After graduating from Lima High School, he returned to North Dakota where he attended two years of college. He was drafted into the Army in July 1951 and became a Sergeant in the 45th Division, Signal Company. He shipped out in January 1952 and trained at a radio school in Japan as an Electrical Maintenance Operator of a Radio Teletype Team that then served in Korea. He was honorably discharged in June 1953.

Gile met Ann Carroll of Dillon, Montana in 1951 while on leave after basic training. Following his military service, he returned to Dillon and received a bachelor's degree in education from Western Montana College in 1957. Gile and Ann were married in Dillon on August 24, 1957, and moved to Pocatello, Idaho where Gile worked as a Health Physicist for Phillips Chemical at the Atomic Energy Plant near Arco, Idaho. They moved to Idaho Falls in May 1958 and Gile continued to work at the Arco Plant.

While in Idaho Falls, their daughter Debora (1958) and son Gregory (1959) were born. They returned to Dillon in January 1960 and welcomed their sons Jeffrey (1960), Bradley (1961), and Timothy (1963) to the family. Together, Gile and Ann built a warm and busy household, not to mention a fun destination for the neighborhood kids.

Gile initially worked for Frank Madden (Ann's Uncle) at the Andrus Fountain Bar and subsequently bought the business. But in August 1961 the Beaverhead County High School Board of Trustees asked Gile to teach math and science for the upcoming year, and he ultimately remained for the next 25 years. In 1967, he received a master's degree and became the Assistant Principal

at BCHS. In 1970 he received his administration credential from the University of Montana in Missoula and served as the Principal/Superintendent at BCHS until retirement in 1986.

Gile became active in Dillon community groups and activities beginning in 1960, including the Dillon Jaycees (received the 2020 Dillon Jaycee Distinguished Service Award), Elks, American Legion, and Kiwanis, was a Key Club advisor, and advisor and counselor for American Legion Boys State. He joined the Jackson VFW in 1960 which was named after his father-in-law, Bill Carroll. Gile also served on the Beaverhead Golf Course Board for several years in the 1980's and served on the Dillon Credit Union Board.

Upon retirement, Gile and Ann moved to Helena where he worked for the State of Montana Office of Public Instruction. They returned to Dillon in 1990 where he became an advisor and then Director of Student Teachers at the University of Montana Western until 1999. He returned to BCHS for a final year as Superintendent for the 1999-2000 school year. Gile enjoyed retirement in Dillon and kept busy delivering medical equipment throughout Dillon and served in the Color Guard and Gun Salute Squad for funerals for veterans. He moved to Rosenberg, Texas in 2022 to live with Brad and to be closer to Debbie and Tim.

Gile and Ann were lifelong bridge players and always opened their door to visitors for a shared cocktail or meal. Gile lived life to the fullest and was always on the go. He loved people and centered his life around being in the company of family and friends. As an exceptional host and gregarious entertainer, he filled his life with good times and laughter. He was a lifelong teacher and learner with a contagious sense of humor.

Gile is survived by daughter Debbie Mitchell, son Brad Mitchell, son Tim (Laura) Mitchell, and daughter-in-law Gloria Mitchell. He is also survived by eight grandchildren Brian (Maureen) Hanna, Stephanie (Doug) Holstein, Alexa (Luke) MacMillan, Emeree (Nick) Allison, Michael and Nicholas Mitchell, and Amanda and Bryce Mitchell, and three great-grandchildren, Zell and Moxie Holstein and Adley Hanna, as well as many nieces, nephews, and cousins. He was preceded in death by his parents, wife Ann Mitchell, sons Greg Mitchell and Jeff Mitchell, and sister Nola and brother-in-law Stanford Empey.

Rescue Effort***Jeremy Crawford, Southwestern Montana News*

On Thursday afternoon, first responders quickly responded to a serious single-vehicle accident on the northbound lane of I-15 near mile marker 59.

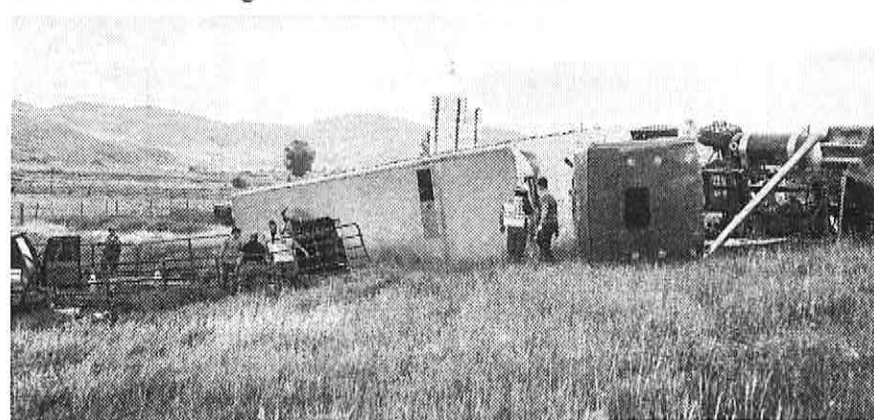

The incident involved a semi truck hauling a load of live sheep. The truck, coming out of a corner past the Beaverhead River, lost control and tipped over. During the crash, the cab of the semi separated from the rest of the truck.

First responders immediately tended to the driver and then devised a plan to rescue the livestock. Using vehicles and ladders as makeshift chutes, they guided the sheep into a nearby field. Crews then cut away the roof of the trailer to create an opening to safely extract the sheep and rescue any injured animals.

In the initial moments, some sheep were uncooperative and fled into the field in a frantic dash, making their rescue more challenging. Local law enforcement, including additional Dillon Sheriff's deputies and Dillon City Police, helped control passing traffic to ensure safety during the effort.

Help arrived with livestock panels to better direct the sheep, and the animals were successfully herded into the open field. The driver sustained injuries, but further details about their condition are not yet available.

No other injuries have been reported at this time. Authorities continue to investigate the cause of the crash.

Take a chance on the SuperTag lottery

June 30 is approaching fast. That's the deadline to purchase a chance for a SuperTag for the 2025 hunting season. Eight hunters will win a SuperTag license for one of the following species: moose, bighorn sheep, mountain goat, antelope, elk, deer, bison and mountain lion. One SuperTag will be drawn for each species. The SuperTag can be used in any hunting district in Montana - including Montana's trophy districts.

Revenue from SuperTag sales is used to enhance hunting access and boost FWP's enforcement efforts. A Conservation License is required to purchase a SuperTag; each SuperTag chance is \$5. There is no limit on the number of chances a hunter can buy.

To purchase chances online, go to FWP's Online Licensing Service. You'll receive a receipt verifying purchase that lists your lottery numbers. SuperTag chances are also available for purchase at FWP offices and license providers.

Those who win a SuperTag and also draw a license or permit for the same species will be required to surrender that license or permit before receiving the SuperTag. FWP will refund the license fee associated with the special permit or license and reinstate any bonus points. Montana's seven-year wait for individuals who draw a moose, sheep or goat license through Montana's special permit license drawings will not be imposed on SuperTag winners.

The drawing for SuperTags will be held in early July. To check your drawing status, go to MyFWP.

City-owned parking lot CLOSED

The City-owned parking lot along the west side of the 100 block of North Montana Street will be CLOSED on Friday, June 27th starting at 8:00 am. This is so that it can be thoroughly swept and cleaned in preparation for the preservation product that will be applied later in the day. The city will reopen the lot to parking once the treatment is cured.

Any vehicles or trailers that remain after 8:00 am on Friday, June 27th will be towed at the owner's expense so that the project can be completed in a timely matter. We apologize for any inconvenience that this may cause. If you have any questions please contact Kristina Abbey, Director of Operations, at 683-4245.

Secretary Christi Jacobsen applauds decision to allow proper management of Montana forests by rescinding outdated, restrictive rule

Montana Secretary of State Christi Jacobsen celebrated the recent announcement from U.S. Secretary of Agriculture (USDA) Brooke Rollins that the federal government is rescinding the 2001 Roadless Rule, removing "prohibitions on road construction, reconstruction, and timber harvest on nearly 59 million acres of the National Forest System, allowing for fire prevention and responsible timber production."

According to the USDA announcement, nearly 60 percent of Montana's National Forest System lands are restricted from road development and, therefore, cannot be properly managed for fire risk.

"Finally, Washington is doing the right thing for our Montana forests—getting government bureaucracy out of the way," said Secretary Jacobsen, who serves as a member of the Montana Land Board.

"Once again, President Trump is removing absurd obstacles to commonsense management of our natural resources by rescinding the overly restrictive roadless rule," Secretary Rollins stated in a release.

According to the USDA, nearly half of the 58-plus million acres covered under the "roadless rule" lie in areas at "high or very high risk of wildfire." "Montana is home to some of the most beautiful national forests in the country, and I join all Montanans in thanking President Trump's administration for ensuring it remains that way," said Secretary Jacobsen.
