Air Force base in Layton, Utah. While Jay was at Hill Field, he met Marlene through a friend. They were soon married after a brief courtship. Jay attended Weber state university earning his bachelor's degree. After college he worked as a social worker in Ogden, Utah and Rialto, California. Jay and Marlene lived in several places before finding a home in Ogden, Utah. Together they had seven children. He and Marlene later divorced. Jay then moved to Dillon, Montana where he resided for many years. In Dillon, Jay owned his own repair shop which he named Chapman auto repair. Around this time his daughter Missy introduced him to his wife Sharon Blomquist. He bought a house in Dillon and the two of them fixed it up to their liking. They spent many years in this home. Jay grew a garden that he spent most of his time in. He would surround his garden and home with his favorite flower, hollyhocks. It was truly a sight to see. The harvest season was plentiful where they were able to enjoy the fruits of their labor. Jay was an exceptional cook. He made his own flour, garlic powder, jams, jelly's, bread and even his own bullets. Jay was also an avid fisherman and hunter. He loved to hunt in the fall getting an elk, deer or antelope. He loved wild game and the outdoors.

Jay and Sharon sold their home and moved to Wisconsin where they resided until his passing.

Jay was preceded in death by his parents, sister Helen, daughter Jaelene (Missy) son Jeff and grandson Jeffrey. He is survived by his wife, Sharon and her son Erik (Ellyn) Wehler, Sons Kevin (Pam) Chapman, James Chapman, Brian (Francine) Chapman His daughters, Laurie Chapman Folk and Carla Ward Chapman. He has several grandchildren and great-grandchildren. Funeral services will be held, July 12th at 11:00 at vineyard church in Dillon Montana.

The group packed up the balloon, celebrated with snacks and drinks, and reflected on a memorable ride. For Tammy, this was more than just a balloon trip—it was a chance to check off a long-held bucket list item her mother never had the opportunity to experience.

One Man's Opinion - Slaughterhouse Rules

As a life long resident of Beaverhead County I have been involved in 4-H for 55 years. Growing up on ranches and working in the meat business for 50 years as; employee, foreman, manager and owner-operator of several slaughter and processing business's!

The one thing that is guaranteed is human error! If an employee, customer, kid across the street doesn't get a gate hooked tight, a cow gets out and these are not happy cows?! The chase is on! Guys in trucks with rifles! Bset result is you put the cow down fast! Of course it could be Safeway's parking lot, Jaycee Park, BAseball field, or hospital lawn that is found at.

Two big problems: #1 You shoot the cow, against the law in the city limits. #2 Someone drives up with a pickup, another with a back hoe or tractor, both driving where you shouldn't, not counting the blood spot you will make! Also a no-no and it will happen, 1 year, 5 years or ten it may take, but it will happen. An hopefully no one gets hurt. Of course this doesn't address the odor and flies of the holding pens!

Ted Rutenbur, 25 years Silo Meats owner-operator, previous Roberts Packing Company, previous, Butte, Montana employee in a meat business.

BLM considers new areas for coal leasing in Montana and Wyoming

The Bureau of Land Management is seeking public comment on potential updates to coal leasing on public lands in the coal-rich Powder River Basin areas of southeast Montana and northeast Wyoming. Coal produced from the basin accounts for more than 85% of all federal coal production.

The BLM is considering updates to identify areas that may be suitable for future coal leasing.

Notices of intent for both the Miles City Field Office and Buffalo Field Office proposed resource management plan amendments will be published in tomorrow's Federal Register. Additional details are available at the BLM National NEPA Register (Miles City) and (Buffalo) websites, where the preferred method to submit comments is through the "Participate Now" button, which will open following tomorrow's publication.

Comments may also be mailed or delivered to:

BLM Miles City Field Office

111 Garryowen Road, Miles City, MT 59301

For more information, contact Project Manager Irma Nansel at inansel@blm.gov or 406-233-3653.

Or: BLM Buffalo Field Office

1425 Fort St., Buffalo, WY 82834

For more information, contact Project Manager Tom Bills at tbills@blm.gov or 307-684-1133.

The public comment period for both field offices closes on August 7, 2025.

Dillon Days Celebrates Independence with Community Events

Jeremy Crawford, Southwestern Montana News

The Dillon Montana Community Foundation hosted the 6th annual Dillon Days from July 4th through the 6th, offering a variety of events that brought the community together to celebrate the holiday weekend.

The festivities began on July 4th with the traditional Duck Race at Depot Park, where spectators along the banks of Blacktail Creek cheered on their ducks in hopes of winning one of three cash prizes. It took 2 minutes, 7.61 seconds for the winning duck to reach the net. The winners were:

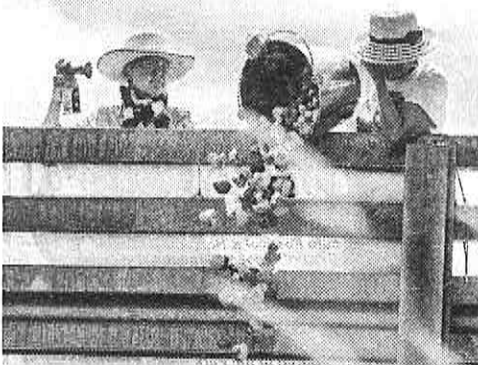

- 1st Place: Nicole Lynch
- 2nd Place: Blomberg Kids
- 3rd Place: Steve Cox

After the race, attendees enjoyed the Horse Power Roundup Car Show and some delicious BBQ from the Blowin Smoke contestants.

On Saturday, downtown Dillon bustled with activity as vendors lined the streets with a wide variety of goods and services. The day featured a Cribbage Tournament at 11 a.m., food vendors at Depot Park, and an evening Cowboy Poetry & Music Rendezvous at the Frontier Event Center, with performances by Tim Hues & Phillip Page and a lively set from The Road Agents.

Sunday wrapped up with a community worship service at Jaycee Park and the final judging of the Blowin Smoke BBQ Cook Off.

Overall, the weekend was a successful celebration of community, food, music, and fun, attracting residents and visitors for a memorable Fourth of July experience.
