Wood Products Revolving Loan Fund

The Montana Department of Commerce Wood Products Revolving Loan Fund is now accepting new applications under revised guidelines adopted this month. The relaunch includes significant improvements to streamline access to capital and expand financing options.

The WP RLF provides state-funded financing to wood products businesses for eligible uses including working capital, equipment purchases, infrastructure upgrades, land acquisition or lease and debt service. The program is designed to strengthen Montana's natural resource-based economy by advancing wood products manufacturing, promoting economic diversification and supporting job creation and retention in rural and forest-dependent communities.

Under the updated guidelines, the WP RLF will now operate with a two-tier lending structure:

- **Loan Participation Program:** For requests between \$1,000,000 and \$2,000,000, Commerce will partner with enrolled lenders to co-finance loans and share risk.

- **Direct Lending:** For funding requests under \$1,000,000, Commerce will continue to issue loans directly to eligible businesses.

"These updates reflect our commitment to improving the delivery of state financing tools and expanding their reach," said Montana Department of Commerce Director Marta Bertoglio. "By working in partnership with local lenders, we can bring more resources to the table."

Commerce, under the authority of § 90-1-502, MCA, has adopted the updated program guidelines by reference and incorporated them as administrative rules. The revised guidelines modernize the WP RLF by:

- Adding loan participation options to increase lending flexibility;
- Eliminating outdated provisions and reducing redundancy;
- Reorganizing content for clarity and ease of use;
- Reducing total guideline length from 39 pages to just 12; and
- Simplifying language to reduce administrative burden for borrowers and partners.

The application portal will remain open until all available funding has been committed to eligible businesses. Applications will be reviewed on a rolling basis.

For more information, call the WP RLF team at Commerce at 406-841-2594.

Mountain biker safely repels bear encounter near Troy

A mountain biker safely managed a close encounter with a bear while riding on the Starry Goat Trail on national forestland near Troy last week.

The incident occurred when the biker, riding alone, noticed a bear approaching along the trail. The biker quickly dismounted, retrieved bear spray from his bike's water bottle cage, and discharged it when the bear came within range. The bear reacted immediately, retreating approximately 20 yards into the woods. The bear sat at the base of a tree and the biker rode off without further incident. Thankfully, no injuries were reported. The bear's exact species remains unconfirmed, though the biker believed it was a grizzly bear based on its characteristics. The Starry Goat Trail, located off Callahan Creek Road west of Troy, remains open but users are urged to remain cautious of possible bear activity. Montana Fish, Wildlife & Parks staff set up cameras on the trail to try and identify the bear but did not see activity and pulled the cameras.

Donations Needed for Candle Dipping & Rag Doll Making

The park is always in need of candle wax (any size or color) and crayons to be used at the candle dipping station during Bannack Days.

We also need cotton fabric and/or cut strips to be used at the rag doll making station during Bannack Days and Kids Day. Strips need to be 1 1/2 inches wide and either 42-45 inches or 22 inches long. There is also muslin to be cut in to 12-inch squares.

Donations may be taken to Bannack or call/text Arlis Vannett (406-925-2209) to arrange a pickup or drop off in Dillon.

FWP lands in Beaverhead County under Stage I fire restrictions

Lands in Beaverhead County managed by Montana Fish, Wildlife & Parks are now under Stage I fire restrictions.

Under Stage I restrictions, building, maintaining, attending, or using a fire or campfire is prohibited unless an exemption is made. People may only smoke within an enclosed vehicle or building, a developed recreation site or while stopped in an area at least 3 feet in diameter clear of flammable materials. People may cook on a liquid petroleum gas or propane stove that can be turned off.

FWP follows the county's lead in placing fire restrictions on its properties within a particular county. These restrictions at FWP sites will be in place until further notice. FWP urges people to use caution while recreating due to dry conditions and fire danger.

What is a Christian?

The Bible says to Love All People.

**The Bible says to Love ALL people as much as you do yourself.
Do you?**

**The Bible says to REPENT of your sins against other people.
To tell them you are sorry you wronged them. To ask FORGIVENESS.
Do you?**

**So, if someone "Identifies" as a Christian...but hates you...tells lies about you....slanders
and gossips about you...and refuses to ask forgiveness...are they....Christians ?**

If they do not want to "Make things right"...

If they refuse to be Friends?....are they Christians?

Even if they go to church every Sunday? Even if they are the Preacher at the church?

Even if they have been preaching for "50 Years" ?

**The Bible says in Matthew 7:22-23, "Many will say to Me ON THAT DAY, 'Lord, Lord, did we
not prophesy in Your name, and in Your name drive out demons and perform many miracles?'
Then I will tell them plainly, 'I never knew you; depart from Me, you workers of lawlessness!'"**

Many say they do not believe the Bible.

**But in these "LAST DAYS"the time is coming when they soon will....even "Preachers"
