Bannack Days Brings the 1800s Alive at Bannack State Park

This July, Bannack State Park once again transported visitors back in time with its annual Bannack Days celebration. Participants had the unique opportunity to stroll through the historic streets of Bannack and experience the 1800s through hands-on activities.

Visitors engaged in blacksmithing, tin working, and even learned about 19th-century dentistry, among many other historical trades and crafts. The event provides a vivid glimpse into the past and is a favorite tradition for history enthusiasts and families alike.

A highlight of the event is the noon shootout in front of Skinner's Saloon. Attendees were thrilled by a dramatic reenactment of an Old West gunfight, with actors portraying a lively shootout scene.

Keep Sidewalks and Street Signs Clear - It's the Law!

Property owners in the City of Dillon are reminded of their responsibility to maintain the sidewalks and public right-of-way adjacent to their property. This includes trimming back any trees, shrubs, or bushes that obstruct sidewalks, alleys, streets, or street signs.

According to Dillon Municipal Code:

- Vegetation must not block pedestrian access on sidewalks.
- Street signs and intersections must remain fully visible and unobstructed.

- Overhanging branches should be trimmed to maintain at least 8 feet of clearance above sidewalks and 14 feet above streets.

Failure to maintain vegetation in compliance with the DMC can result in notice and enforcement action by the City.

Let's work together to keep Dillon safe and walkable for everyone — pedestrians, drivers, and emergency services all benefit from clear lines of sight and safe passage.

Questions? Contact the City of Dillon at (406) 683-4245 or visit www.dillonmt.org for more information.

FWP OFFERS BAT WALKS

Bats N Brews in Miles City

Spend the evening with Montana Fish, Wildlife & Parks at Medicine Rocks State Park on Thursday, July 24, for a full slate of outdoor activities including a bat walk, sunset yoga and a Dinosaurs & Dark Skies presentation.

FWP Region 7 will host a "Bats N Brews" event in Miles City on Friday, July 25, from 6 to 8 p.m. at Otium Brewing.

FWP, ZooMontana to host bat walk

Montana Fish, Wildlife & Parks and ZooMontana in Billings are hosting a family-friendly bat walk at the zoo on Wednesday, Aug. 6. The evening event will include a presentation to introduce some of Montana's bat species and the important ecological roles they play. Participants will then wander the zoo grounds with bat detectors to hear bat echolocation frequencies.

Participants should meet outside the zoo gates between 8:15 and 8:30 p.m. The event is scheduled to last until 10:30 p.m. Wear comfortable walking shoes and weather-appropriate clothing, and bring flashlights or headlamps, bug-spray, snacks and water. There is no cost to attend this event, but donations to the zoo are welcome.

Local Property Owner Reminds Community To Respect Wildlife And Avoid Cutting Fences

Jeremy Crawford, Southwestern Montana News

Every spring, the Fish, Wildlife & Parks (FWP) department reminds the community about the natural behavior of mother deer giving birth and leaving their fawns hidden while they forage. Recently, Wade Hansen, a local resident on Lakner Lane, shared his experience with this seasonal event.

Earlier this week, Hansen noticed a traffic backup on his road caused by a mother deer on one side and her fawn resting on his property across the street. The mother was patiently waiting for cars to pass so she could return to her young, remaining nearby in her quiet vigilance.

In the past, curious passersby have asked Hansen if he would open his gate to reunite the fawn with its mother. Out of respect for the natural process, he chose to leave things as they were this time. After the incident, Hansen contacted local game wardens for advice. They reassured him to let nature take its course, emphasizing that his well-maintained fence provides a safe refuge where mother deer often leave their young, knowing they are protected.

Hansen has invested considerable time and money into fencing around his eight-acre property, originally to keep livestock safe and now to prevent his dog—who roams freely—from escaping or being harmed by passing vehicles. He urges residents to be patient and respectful in such situations, advising drivers to simply keep going so the mother deer can cross safely and rejoin her fawn.

He also requests that people refrain from cutting holes in his fences or attempting to open gates to let the animals reunite. As always, when the fawns are old enough and the mother is ready, they will leave the area naturally.

Fire Breaks Out on Riverside Drive in Dillon, Multiple Agencies Respond

Jeremy Crawford, Southwestern Montana News

Friday afternoon, the Dillon Volunteer Fire Department responded to a fire on Riverside Drive. Multiple emergency agencies were called to the scene to assist with the incident. The fire involved a pile of old lumber and logs, and firefighters quickly worked to contain the blaze. Authorities reported that the fire was also spreading to a nearby field and several pieces of equipment situated nearby.

Firefighters remain on scene, actively working to prevent the fire from spreading further and to contain it to the original pile of logs.

We have spoken with those on scene, they have confirmed the fire did not start from burning activity. They are working on finding the cause of the fire.

Two Fires At Same Time Keep D.V.F.D. Busy Thursday Afternoon

Jeremy Crawford, Southwestern Montana News

Thursday afternoon proved busy for Dillon emergency responders, as the call initially went out for a fire on Riverside Drive. While crews were en route, another call came in for a fire on Meadowlark Lane, stretching local resources. Thanks to well-practiced training and coordinated efforts, firefighters from the Dillon Volunteer Fire Department, the DNC, and the Forest Service responded strategically to both incidents. Crews split their resources to effectively manage and extinguish the fires, preventing further spread and damage.

The Meadowlark Lane fire started near 430 Meadowlark, where neighbors Petra Moller and her husband took quick action. Using garden hoses, they helped contain the fire and stop it from spreading to their property. The blaze burned a camp trailer and several other items in the area.

What is a Christian?

The Bible says to Love All People.

The Bible says to Love ALL people as much as you do yourself.
Do you?

The Bible says to REPENT of your sins against other people.
To tell them you are sorry you wronged them. To ask FORGIVENESS.
Do you?

So, if someone "Identifies" as a Christian...but hates you...tells lies about you....slanders
and gossips about you...and refuses to ask forgiveness...are they....Christians ?

If they do not want to "Make things right"...

If they refuse to be Friends?...are they Christians?

Even if they go to church every Sunday? Even if they are the Preacher at the church?

Even if they have been preaching for "50 Years" ?

The Bible says in Matthew 7:22-23, "Many will say to Me ON THAT DAY, 'Lord, Lord, did we
not prophesy in Your name, and in Your name drive out demons and perform many miracles?'
Then I will tell them plainly, 'I never knew you; depart from Me, you workers of lawlessness!'"

Many say they do not believe the Bible.

But in these "LAST DAYS"the time is coming when they soon will....even "Preachers"
