Chase on I-15 Near Lima Ends with Disabling Crash, Arrest of Female Driver

Jeremy Crawford, Southwestern Montana News

On August 8, 2025, at approximately 5:11 a.m., the Beaverhead County Sheriff's Office received a 911 call from a truck driver heading north on I-15 near Lima. The driver reported following a dark-colored SUV with Washington plates since the Idaho border and observed erratic driving behavior.

When nearing Lima, the trucker was able to get cell service and call 911. Sheriff Wendt was immediately notified and began to pursue the vehicle at mile marker 24 near Dell. Upon catching up, Sheriff Wendt observed the SUV's erratic and reckless driving and activated his emergency lights and siren in an effort to stop the vehicle.

The driver refused to stop, swerving uncontrollably across the roadway. The vehicle's speed fluctuated between 60 mph and 115 mph over an 11-mile stretch. Sheriff Wendt expressed concern that the SUV, approaching two other vehicles traveling northbound, could cause a serious crash.

The sheriff managed to pass the SUV and slowed down in front of it, causing the driver to temporarily ease her speed and distance herself from the patrol vehicle. However, the driver then abruptly accelerated and rammed the deputy's vehicle, causing the airbags to deploy and disabling the SUV. With the assistance of several truckers nearby, Sheriff Wendt was able to remove the aggressive female driver from the vehicle and place her under arrest. Shortly afterward, additional deputies, Beaverhead Ambulance, and Montana Highway Patrol arrived on scene. I-15 northbound was temporarily shut down while authorities secured the scene and conducted their investigation.

The 47-year-old female driver from Washington sustained minor injuries and was transported by ambulance to Barrett Hospital. She was later transferred to the Beaverhead County Jail and booked on charges of DUI and other pending offenses. Authorities indicated that drugs and alcohol played a major role in this incident.

Friends of the Jaycee Park are excited to announce an update to the park. The wood chips will be removed and replaced with Playground Grass by Forever Lawn. The playground grass will make the playground area more inviting, safer and cleaner, as well as ADA compliant. Thanks to a generous donation, this project can happen this fall instead of waiting for a grant.

The playground will need to be closed during this process for safety reasons. The starting date planned for removal of the wood chips is Saturday, September 6th.

RE Miller's crew will be there with equipment to haul and help.

Adult Volunteers Needed: The volunteers are needed to shovel and haul, with wheelbarrows, the wood chips to loader buckets. The only way to get chips out from around and under equipment is by the volunteer hands. Drinks and lunch will be provided.

If you can help, please stop in Womack's Printing Place, 126 N. Montana St, call 406-683-4903 or email dillonnews@womacksprinting.com and sign up for at least two-hour time slots. Bring gloves, shovels or wheelbarrows if you have them and come on Saturday, September 6th at 9:00 am until we are done.

28th Annual - School Supply Drive 2025

The 28th Annual KDBM-AM & KBEV-FM School Supply Drive is underway. We partner with Womack's Printing Place to get the supplies that are needed for the classroom.

Last year, we gave supplies for more than 1,000 students in Dillon, Twin Bridges, Sheridan, Lima, and six rural schools.

If you wish to donate, *please make checks payable to "The School Supply Drive" or consider donating school supplies.*

Some supplies suggestions are kids scissors, wide rule note books, glue sticks, Elmers glue, anti bacterial hand wipes, kleenex, fine line or broad tip markers and loose leaf paper.

Checks may be delivered to either the Radio Station, 610 N. Montana Street or Womack's Printing Place, 126 N. Montana St. For information call the Radio Station at 406-683-2800

Barrett Hospital & HealthCare Addresses National Medicaid Cuts and Local Impact

In response to recent developments on the national stage regarding Medicaid funding, Barrett Hospital & HealthCare would like to reassure the local community that the immediate impact of these changes on our services will be minimal.

On July 1, the U.S. Senate passed the "One Big Beautiful Bill Act" (H.R. 1), advancing legislation that includes the most significant proposed cuts to Medicaid in history. The American Hospital Association (AHA) has voiced deep concern over the bill's potential to displace nearly 12 million Americans from their healthcare coverage, increase hospital uncompensated care, and strain healthcare systems nationwide—especially in rural areas.

However, while these sweeping federal changes are raising alarms across the country, Barrett Hospital & HealthCare is confident in Montana's current Medicaid structure. Montana has a responsible and well-designed Medicaid program that aligns with both existing and newly proposed federal requirements. While approximately 16% of individuals within our service area are covered by Medicaid, only 10% of patients who received care at Barrett Hospital & HealthCare in fiscal year 2025 were Medicaid beneficiaries. This highlights a difference between overall community coverage and actual utilization at our facility.

"While H.R.1 will impact healthcare nationwide, at Barrett

Hospital & HealthCare we are confident in our ability to continue to provide local healthcare, fulfilling our mission to the community," said Barrett Hospital & HealthCare's CEO Taylor Rose. "Montana's provider tax program, which helps finance the state Medicaid program, remains under the proposed cap and is not expected to be immediately impacted. Additionally, the state currently has systems in place to protect Medicaid patients from sudden or drastic disruptions in coverage with new requirements from the federal level."

The Montana Hospital Association (MHA) recently echoed this message in a June 30 letter to state and federal lawmakers, emphasizing that while the bill presents long-term risks, the structure of Montana's Medicaid program continues to serve nearly 80,000 low-income, working residents effectively. The state's program is not only fiscally responsible but also responsive to the needs of those it serves, with over 70% of Medicaid expansion beneficiaries currently employed.

It is important to note, however, that further federal cuts beyond those currently proposed could create downstream effects. Should such measures occur, it may force the state to make difficult decisions about coverage, funding, and provider payments. Barrett Hospital & HealthCare will continue to monitor the situation closely and advocate for our patients and community.

"We remain committed to delivering high-quality care to all patients—regardless of coverage," said Taylor Rose. "Should federal changes evolve, our goal will always be to ensure that our community members retain access to the healthcare they need and deserve. We encourage the community to support Barrett Hospital & HealthCare by choosing local providers, thus sustaining the continuation of local health care. Supporting our local medical community helps ensure our services remain viable in the future."

Bulldog Volleyball Picked Fourth in 2025 Frontier Conference Women's Volleyball Coaches' Preseason Poll

Montana Western Volleyball landed fourth on the 2025 Frontier Conference Women's Volleyball Coaches' Preseason Poll, the league office announced Monday.

The Bulldogs were edged out by Bellevue, who landed the top spot in the poll, followed by Providence and Montana Tech (second and third, respectively).

"It's exciting getting picked fourth in the preseason poll, especially in this tough of a conference," UMW Volleyball head coach Katie Lovett said. "We are looking forward to the great competition night after night and all of the new opponents we get to face this year."

The Bulldogs are coming off a stellar 2024 campaign that saw them finish eighth in the country with a 25-10 overall record (10-5 in conference play). The highlight of the season came in the form of a commanding 3-1 victory over the one-ranked Northwestern (Iowa) in the second round of the NAIA National Tournament.

Coach Lovett returns 13 student-athletes from last year's squad, including right-side hitter Jordan Olson, who ranked second on the team last season in kills (358), kills per set (2.56), and total attacks.

Also back for the Bulldogs are setters Taylor Petersen and Megan Hardman, who finished the year in second and third in assists (616, 177), respectively. Petersen also topped the team in service aces in '24, and will look to continue that form this season.

Veteran Madisyn Frazier finished third on the team in both digs (422) and digs per set (3.15). Olson also contributed on the defensive end last season, ranking third on the team in total blocks (101).

UMW bolstered this season's roster with five freshmen, who will add depth in all aspects of play in 2025.

LOOKING AHEAD

The Bulldogs open the season at the Palm Beach Juniors Classic Aug. 15-16. They will kick off the tournament against IU East at 6 a.m. MT/ 8 a.m. ET Friday, before facing Taylor at 11 a.m. MT/ 1 p.m. ET. Things will wrap up Saturday with matches against Saint Francis (1:30 p.m. MT/ 3:30 ET) and tournament hosts Keiser (4 p.m. MT/ 6 p.m. ET).

Attorney General Knudsen provides update on arrest of Anaconda suspect

Montana Attorney General Austin Knudsen, Governor Greg Gianforte, and other state, local, and federal officials held a press conference Friday night to update the community on the arrest of the suspect in the August 1 murders in Anaconda. At the press conference, authorities also released the suspect's mugshot.

On Friday, August 8 around 2 p.m., authorities apprehended and placed Michael Paul Brown under arrest after a week-long search. Brown was arrested in a structure located within the search area, which was previously searched and cleared, without incident. He is currently being held at the Butte-Silver Bow Detention Center.

"It's a good day. We got the man. Michael Paul Brown is in custody. I am proud of the unrelenting law enforcement effort this week - federal, state, and local agencies came together to get the job done," Attorney General Austin Knudsen said.

There were dozen of agencies involved in the search. Task force officers led by the U.S. Marshals Service and including officers from the Montana Highway Patrol, Laurel Police Department, Great Falls Police Department, the U.S. Forest Service, and the Montana Division of Criminal Investigation were involved in today's takedown.

"Our brave men and women in uniform didn't waste a second. Law enforcement jumped into action, began the search with the promise to not give up until they found this suspect," Governor Gianforte said at the press conference.

"The work that our local officers, standing arm to arm with U.S. Marshals, federal agents, members of law enforcement from communities across Montana - the work you all did is incredible. It's often tireless and thankless work, but I hope that all of you that worked in find Michael Paul Brown know how thankful the entire community of Anaconda is to go to sleep tonight and finally rest," Deer Lodge County Attorney Morgan Smith said.

Beaverhead Buckaroos

The Beaverhead Buckaroos had their July fun meeting at Clark Canyon Dam. We had a short meeting, played in the lake and made hot dogs and smores over the campfire. Everyone one is busy gearing up for fair. Our next meeting is Tuesday August 12 @ 6pm. ----
