The Chief of Police Steps Down

I am truly grateful for the chance to serve as your City of
Dillon police chief. Over my 13 years with Dillon PD, it has
been an honor to get to know so many wonderful residents/
students/business owners, whose support and trust have meant
so much to me. After thoughtful consideration, I have made the
difficult decision to step down to pursue a new career path—
one that will let me carry forward my passion for service on a
wider scale. Thank you all for allowing me to be part of this
community; I will always cherish the memories we've created
together.

Sincerely,
Jeremy Alvarez

Dear Mayor and Council Members,

I am formally announcing my resignation from Chief of Police with the Dillon Police
Department, effective 08-27-2025. I am providing a two week notice in accordance with the
department's policies, to ensure a smooth transition. I am more than willing to assist in the
training or handover of my duties to another officer. Please let me know how I can be of
assistance during this transition period.

I want to express my sincere gratitude to the Dillon Police Department, for the invaluable
experience and knowledge I have gained throughout my tenure. The department has provided me
with an excellent platform to grow both professionally, personally, and I will forever cherish the
memories I have made here. I have thoroughly considered this decision and believe it is in my
best interest to pursue new career opportunities.

I would like to thank the Dillon community, citizens, and the school districts for all their support
over the years. The community has been a great place to call home as well as support law
enforcement. Thank you Dillonites. It has been an honor serving alongside such dedicated
professionals, and I wish the Dillon Police Department continued success in upholding justice
and protecting the community.

Please let me know how I can be of assistance during this transition period. Should you require
any further information or need to discuss any aspects of my resignation, please do not hesitate
to contact me at 406-683-3714 or jalvarez@beaverheadco.mt.gov.

Thank you once again for the opportunities I have had with the Dillon Police Department.

Sincerely,

Jeremy Alvarez

Exciting Updates to Jaycee Park

Friends of the Jaycee Park are excited to announce an update to the park. The wood chips will be removed and replaced with Playground Grass by Forever Lawn.

The playground will need to be closed during this process for safety reasons. The starting date planned for removal of the wood chips is Saturday, September 6th. RE Miller's crew will be there with equipment to haul and help.

Adult Volunteers Needed: The volunteers are needed to shovel and haul, with wheelbarrows, the wood chips to loader buckets. The only way to get chips out from around and under equipment is by physical labor!

If you can help, please stop in Womack's Printing Place, 126 N. Montana St, call 406-683-4903 or email dillonnews@womacksprinting.com and sign up or sign up at <https://www.justserve.org/projects/> Bring gloves, shovels or wheelbarrows if you have them Saturday, September 6th at 9:00 am until we are done.

Help! My Child is Stuttering film available online to help parents of children who stutter

Help for Parents of Children who Stutter is as Close as Your Computer or to View at the Library

The Stuttering Foundation's film, entitled Help! My Child is Stuttering, is available at this link <https://www.stutteringhelp.org/content/help-my-child-stuttering>.

In this 16 minute film, parents and speech-language experts talk about how to promote easier talking as they interact with their children. The professionals offer simple tips that parents can follow easily.

The film features some of the world's leading therapists with children who stutter: Lisa A Scott, Ph.D. of the Florida State University's School of Communication Science and Disorders; Ellen Kelly, Ph.D., of Vanderbilt University School of Medicine; speech-language consultants Frances Cook, MBE, MSc, Willie Botterill, MSc, and Elaine Kelman, MSc., from the Michael Palin Centre for Stammering Children in London.

"This is an important tool for families and teachers of children who stutter," added Jane Fraser, president of the nonprofit Stuttering Foundation. "This film is designed to give parents and teachers the tools they need to play a vital role in the process of helping children who stutter."

For more information about stuttering write the nonprofit Stuttering Foundation, PO Box 11749; Memphis, TN 38111-0749, call 800-992-9392, or visit www.stutteringhelp.org.

Since 1947, the nonprofit Foundation has provided free materials to public libraries nationwide. A library that will shelve the current offer can download a request form at <http://www.stutteringhelp.org/libraries-information> or e-mail info@stutteringhelp.org.

The Montana State Auditor, James Brown, Marks National Fraud Awareness Day with Call to Action for Montanans

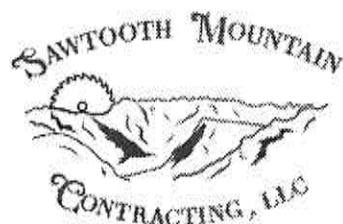

Today, on National Fraud Awareness Day, Montana State Auditor James Brown is urging Montana residents to stay alert, in protecting themselves from financial scams.

"Fraud impacts everyone — from hardworking families to small businesses — and the best defense is awareness," said Auditor James Brown. "On National Fraud Awareness Day, we want to remind people that fraudsters are creative, persistent, and always adapting, but so are we. When fraud occurs in Montana, we will find it and prosecute bad actors to the fullest extent of the law. We are also committed to partnering with victims, when appropriate, to help them recover from fraud with our victim's restitution fund."

In the past year, our agency has uncovered millions of dollars of fraud, partnered with law enforcement to secure convictions, and we have historically awarded over 2 million dollars in restitution to nearly 150 Montanans who were victims of Fraud.

Tips to Protect Yourself:

1. Verify before you trust. It is okay to hang up and call the number of the official insurer that you have or company you are dealing with.
2. Guard personal information. Never share Social Security numbers, bank account info, or passwords with unverified sources.
3. Be wary of urgency. Scammers often pressure you to act quickly — slow down and think it through.
4. Report suspicious activity. Contact our agency at (406) 444-2040 or visit us at www.csimt.gov

Letter to the Editor

I am again asking voters and citizens to open their eyes and ears to the corruption and nepotism in Dillon and Beaverhead County Government.

For Example:

#1. Elected officials choosing candidates to be voted for.

#2. Election officials removing rights for people that they disagree with or just don't like!

We are watching Dillon and Beaverhead County become a communist run city with dictators! This is what the DC Democrats have been doing for years! Want to become N.Y.C?
