Montana Western to Host 33rd Annual Bulldog Bash on October 11

The day kicks off at 10:00 a.m. with a community tailgate at Bulldog Stadium, followed by the Montana Western vs. Carroll College football game at 1:00 p.m. Alumni, supporters, and community members are invited to come out and show their Bulldog pride.

Following the football game, join us for the Bulldog Bash. Doors open at 5:00 p.m. for no-host cocktails, and a roast beef dinner will be served at 5:30 p.m. The evening will feature a student-athlete speaker and a special video presentation offering a behind-the-scenes look at a day in the life of UMW student-athletes, highlighting football player Jonathan Kirkley and volleyball player Jordan Olson. Guests will also have the chance to participate in a silent auction and an exciting live auction lineup.

Funds raised during the Bulldog Bash support scholarships and program enhancements for UMW's student-athletes. The event provides a fun and meaningful way for alumni, boosters, families, and friends of the University to connect and support Bulldog Athletics.

Advance ticket purchase is required. To purchase tickets, please visit https://tinyurl.com/DawgBash25 or call Kelly Allen at 406-683-7306.

For more information, or to make a donation to the silent or live auction, please contact Jolene Robbins, Special Events and Alumni Coordinator, at 406-683-7303 or jolene.robbins@umwestern.edu.

UMW Athletics and the Foundation thank the community for their continued support and look forward to another memorable Bulldog Bash!

Montana Western Football Defeats Rocky Mountain 35-21 Saturday

The Montana Western football team (2-1) earned the 35-21 victory over Rocky Mountain (0-3) Saturday afternoon in Billings.

The Bulldogs compiled 498 yards of total offense (350 passing, 148 rushing) and earned 30 first downs. They converted eight third-down and one fourth-down effort.

"Rocky came to play and did some things on defense that were really tough to deal with," Head Coach Ryan Nourse said. "They have a talented wide receiver group that really tested our secondary. They guys did an awesome job of taking the adjustments we made at half and putting them into action in the second half and getting a tough road win."

Michael Palandri paced the Bulldog offense, throwing for 350 yards and three touchdowns. He also ranked second on the team in rushing with 50 yards and a rushing TD. He also successfully ran in a two-point conversion to increase the lead to 28-14 late in the third period.

Eli Nourse tallied 12 catches for 148 yards and a touchdown to lead UMW's receiving efforts. Seth Shook and Jakob Humphrey also caught touchdown passes.

Humphrey was Western's top rusher, posting 74 yards (6.2 yards per carry).

Maclain Burckley had a perfect night kicking, going 3-3 on PATs and 2-2 on field goals, including a season-best 47-yard score just before half.

Keegan Muffich led the Bulldog defense with eight tackles, including three solo. Romeo Simpson, Brady Mounts, Jace Fitzgerald, Tyler Walker, and Taylor Schoen posted four tackles each.

Walker topped the team in tackles for loss with 1.5 (four yards) while Schoen earned the lone sack of the contest for a five-yard loss for Rocky.

Mounts snagged an interception in the fourth quarter to help ice the game.

Community Gathers in Jaycee Park for Candlelight Vigil Honoring Charlie Kirk

Jeremy Crawford, Southwestern Montana News

Nearly 400 community members gathered Monday evening in Jaycee Park to honor the life of Charlie Kirk, who was killed earlier this month during a debate event at Utah Valley University.

The vigil opened with a prayer, followed by reflections from students involved in the Turning Point USA chapter in Dillon, as well as members of Chi Alpha and Waypoint Church. Speakers shared stories of how Charlie had influenced their lives, with some recalling personal encounters. After each speech, attendees observed a moment of silence.

A single candle was lit in Charlie's memory, and from that flame nearly 400 others were kindled, symbolizing both his life and the lives of others lost to violence in recent weeks.

The gathering remained peaceful throughout. Law enforcement was present but not called upon to intervene. Volunteers offered cocoa, tea, and cookies to help attendees stay warm and comfortable as they reflected together.

UMW Ranked Among Top Colleges in the West by U.S. News & World Report

The University of Montana Western has been ranked #5 in Top Public Schools – Regional Colleges (West) and #15 in Best Regional Colleges (West) by U.S. News & World Report in its 2025-26 rankings.

U.S. News & World Report's Best Colleges rankings have guided millions of students and families in their college search. The 2026 edition evaluates more than 1,700 U.S. colleges and universities, using up to 17 factors to measure academic quality and graduate success.

"For over four decades, Best Colleges has served as a trusted and data-backed resource for students and families navigating the complex college search process," says LaMont Jones, Ed.D., managing editor for Education at U.S. News. "Over the years, Best Colleges has evolved into a comprehensive tool that reflects the changing landscape of higher education, providing prospective students with a crucial starting point to identify schools that align with their academic and personal goals."

U.S. News calculates each ranking based on a specific methodology, using factors including graduation and retention rates, academic quality, Pell Grant recipient graduation rates, social mobility, first-generation student graduation rates, student support services, financial support, and academic resources for faculty.

In addition to being ranked #15 in Regional Colleges (West) and #5 in Top Public Schools (West), Montana Western also ranked #22 in Top Performers on Social Mobility. The Western region includes 15 states: Washington, Oregon, California, Idaho, Nevada, Utah, Colorado, Wyoming, New Mexico, Montana, Arizona, Texas, Oklahoma, Alaska, and Hawaii.

To view Montana Western's full rankings list, visit: https://www.usnews.com/best-colleges/montana-western-2537/overall-rankings.

Academic programs at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

My dog Jake has been diagnosed with allergies to everything except VENISON, BEEF LIVER and RICE. Beef liver can cause copper poisoning in dogs. Rice is ok as a supplement but it can contribute to inflammation for dogs with allergies. With this very unusual diagnosis I am struggling to keep my dog alive . If you have any venison in your freezer that you don't want I sure could use it. I will pick it up. Call me - Catherine Cain 406-498-6198
