Enoch Elijah Haworth

August 17, 2018 — September 23, 2025

A bright and adventurous soul passed away on September 23rd, 2025, at the age of 7. Though his time here was far too short, he filled everyday with "It's the best day ever", endless energy, laughter, love and mischief.

Enoch had a fearless curiosity for the world around him. His love of catching snakes or spiders to share with anyone around him, whether they wanted to be shared with or not. He was happiest outside exploring all the mountain lakes, rivers and forests. Every day was an adventure for Enoch. He carried a joyful spunk that made every place brighter and every moment unforgettable.

He deeply cherished his big brothers Steven and Zander, always looking up to them with so much admiration and love. In every way, Enoch was equally the best parts of his Mom and Dad. His dad's fire and strength. His mom's heart and spark. Yet Enoch was his own unique self that made him incomparable.

Proudly patriotic, Enoch loved the red, white and blue embracing his love for his country with the same passion he brought to everything he did.

Enoch's playful spirit brought people together, whether he was showing off new video game tricks, singing a tune or his unashamed twerking. He had a smile that could ease any burden.

Enoch is preceded in death by his big sister Frankie Rose, Papa Roy, Jo Anne Keith, Grandpa Steven Haworth, Great Grandma Helen DeShazo and Great Grandma Dawn DeShazo. He is survived by his parents Cameron and Regina Haworth. His brothers Steven (Nina Smock) and Zander. His Mimi Teresa McClellan (Papa Scott) and Nana Deb Baker. As well as numerous Aunts, Uncles, Cousins and Friends.

Services will be held on Monday September 29th, 2025 at the Frontier Event Center. Gathering: 12:00 – 1:00 p.m. Service: 1:00 – 2:00 p.m. Followed by escort to his final resting place and a reception to follow.

Bicentennial Inc. Announces 2025 Grant Cycle to Support Senior Services in Beaverhead and Madison Counties

Bicentennial Inc. has officially opened its 2025 grant cycle to support programs and services that improve the lives of senior citizens in Beaverhead County and the Ruby Valley of Madison County. Applications have been mailed to past grant recipients, and new applicants are encouraged to apply before the deadline of October 31, 2025.

From 2022 through 2024, Bicentennial Inc. distributed more than $640,000 in grant funding to organizations serving local communities.

"Supporting senior citizens has always been at the heart of our mission," said Fred Morganthaler, spokesperson for Bicentennial Inc. "Through these grants, we are able to continue investing in programs that make a meaningful difference in the lives of seniors throughout Beaverhead County and the Ruby Valley."

Bicentennial Inc. was formed following the 2022 sale of Bicentennial Apartments Inc. The apartments were originally established in 1976 as a community collaboration to provide safe, affordable housing for seniors in Dillon, Montana. The building was constructed on the site once known as the "cabbage patch" on West Center Street and for decades served as subsidized housing for countless local residents.

When the Board of Directors made the difficult decision to sell the property, proceeds from the sale were used to establish Bicentennial Inc. as a foundation dedicated to continuing this legacy of service.

Grant recipients for the 2025 cycle will be announced at the Bicentennial Inc. annual banquet on December 5, 2025. Representatives of recipient organizations must be present at the banquet to receive their awards.

For more information about the grant process, please contact: Fred Morganthaler, Vice President

Letter to the Editor

Promote Joel Stewart

I met Acting Chief of Police Joel Stewart not long after he became the Parole and Probation Officer. We were both on the DUI Accountability Court. I found this young man (at the time) thoughtful, compassionate and resourceful. He understood his role was to hold his charges accountable but also knew they needed help and provided that as well.

Since becoming a police officer, Joel has faced a lot of difficult situations. He has risked his life on more than one occasion and has helped our community remain safe. He has experienced tough, sad circumstances. I know this just from reading the newspaper.

From reading the paper, I also know he received the Joe May Award, which is given to the officer who displays exceptional leadership and motivation. I have witnessed his leadership. He's what you might call an old soul.

Joel is invested in this community. He knows the people. We don't need an outsider to come and try to understand our community needs. It would take years for an outsider to gain the knowledge Joel already has of Dillon.

BLM to conduct repairs on Kobayashi Beach Recreation Area floating dock, temporarily limiting access

The Bureau of Land Management will conduct essential maintenance on the floating dock at the Kobayashi Beach Recreation Area starting on Tuesday, Sept. 30, 2025. To ensure public safety during this work, the boat launch, floating dock, and adjacent parking area will be closed to the public during daylight hours while repairs are underway.

The remainder of the Kobayashi Beach Recreation Area will remain open for the public use during the repair operations.

The BLM will remove the floating dock for the season in preparation for winter conditions after the repairs are complete.

Earlier this season, the floating dock and anchoring system sustained significant damage during high winds. The BLM installed a temporary anchoring system to maintain access to the dock through the summer. Crews will install improved anchors designed to increase holding capacity and provide long-term durability better suited to the inclement weather conditions on Ennis Lake.

Additional boat launch access is available at Clute's Landing, located 5.5 miles from Kobayashi Beach on Ennis Lake. Clute's Landing is intended for smaller motorized vessels and may not be suitable for all watercraft.

This project is made possible with direct support from NorthWestern Energy and the Missouri-Madison River Fund, helping to improve visitor safety, accessibility, and long-term cost efficiency. For questions, please contact the Dillon Field Office at 406-683-8000.
