A celebration of life will be held at Brundage Funeral Home, Wednesday October 15th at 11am, followed by a reception at the 4-H Building. In lieu of flowers, the family asks that you donate to the Bvhd Animal Shelter, charity of your choice, or the family asks you honor her memory by cooking a favorite family meal or gather with loved ones as Doris loved to do.

BCHS Choral Ensembles and Jazz Band Annual Fall Concert, October 22nd

Beaverhead County High School's Treble Chorus, Men's Chorus, Teen Tones, and Jazz Band will present their Fall Concert in the BCBS Auditorium on Wednesday, October 22, 2025 at 7:30pm in the BCBS Auditorium. The concert is free to the public.

The Jazz Band, conducted by Mrs. Katie Raffety, will perform several selections. Jazz Band offers students of high level musicianship the opportunity to collaborate on music within the jazz genre and often features soloists.

The Choirs conducted by Mrs. Carolyn Van Slyke, will perform a wide variety of songs. Singing in choir offers students the opportunity for vocal training, musical literacy, and personal growth. Singers learn to collaborate to bring music to life and have fun in the process.

Several BCBS students will participate in All-State Honor Choir in conjunction with Montana Music Educator Convention in Great Falls, October 15-17. Students were selected from hundreds of other Montana high school musicians who auditioned last spring. Those participating in the choir are Christopher Valach, Briana Burton, Hannah Kidd, Emma Lovaas, and Lily Malesich. They will work with outstanding director, Dr. Richard Sparks. We wish them the best of experiences at All State!

The band and choir students are fundraising this month. Students use the funds they raise for music related costs: reeds, instrument repair, uniform costs, music activities and meals during travel. Ask them about what is available. Thank you for supporting and encouraging the music at Beaverhead County High School! We appreciate your support of the arts in Beaverhead County.

Come join us for a night of great music!

**UMW Volleyball Completes Season
Sweep Over Mayville State**

The Montana Western volleyball team (9-11, 7-6 FC) earned the win against Mayville State (5-12, 3-9 FC) 3-1 (21-25, 25-17, 25-13, 25-16) Friday night in Straugh Gymnasium. With the win, the Bulldogs completed the double over the Comets in 2025.

Western's defense stepped up in the final set, forcing the Comets into a -.108 hitting percentage as they cruised to the 3-1 victory with a 25-16 set four win.

Second-Half Comeback Falls Short, UMW Football Upended by #14 Carroll 42-34

The Montana Western football team (4-2, 1-1 FC West) fell to #14 Carroll College (5-1, 2-0 FC West) 42-34 Saturday afternoon at Bulldog Stadium. A 14-point fourth quarter got the Bulldogs within striking distance, but a late interception stopped the momentum in its track.

"Highly embarrassed with how we played," Head Coach Ryan Nourse said. "Carroll desired the win so much more than us and that's what is the most disappointing with the loss. Carroll played well and harder than us, and the way we played to lose the game the game is what disappoints the most. We will rebound on Monday, make improvements and put the work in to get ready for a good COI on the road."

Western tallied 349 yards of total offense, including 329 passing yards. UMW earned 23 first downs and converted on five third downs.

Michael Palandri led the Bulldogs with 329 passing yards and three passing TDs in the game, including a long of 46 yards. He was sacked four times and was picked off on three occasions by the Fighting Saints defense.

Aidan Lammers ran for a team-high 16 yards one touchdown. On the receiving end, Seth Shook caught for a team-best 137 yards and one TD while Eli Nourse added 114 yards and two touchdown catches.

Defensively, Keegan Muffich led the game with 10 total tackles, including a game-best eight solo efforts and also forced (and recovered) a fumble in the game.

Tyler Walker compiled a game-high 2.5 TFLs for nine yards while Devin Crow had a game-best 2.0 sacks, also for nine yards.

Connor Dunlea earned a pick six with an interception returned for a 26-yard touchdown to make it an eight-point game late in the fourth.

LOOKING AHEAD

The Bulldogs are back in action next week when they compete at College of Idaho Oct. 18. Kickoff is set for 1 p.m. MT

LETTER TO THE EDITOR

Earlier this year, public land ownership and use were big topics in the news. The issue divided many Montanans on how best to use and manage these lands. I'm an avid user of public lands and fully support keeping them open to the public, but I also want to shed some light on how they're funded at the federal level.

The federal government is obligated to pay local jurisdictions some form of property tax on the land it owns. There are complex formulas and programs used to calculate those payments, and each year Congress must appropriate the money in the federal budget before it can be distributed to local areas.

Beaverhead County has just over 2,000,000 acres of public land. Part of that is the Red Rock Lakes National Wildlife Refuge south of Lima, which totals 48,787 acres in Beaverhead County. In 2010, the appraised value of that land was \$23,988,920. Based on U.S. Code and the required formulas, the tax payment to Beaverhead County should have been \$179,917. What the county actually received was \$38,501—just over 21% of what was owed.

For fiscal year 2023-24, the total due was \$194,059, but the county received only \$43,432. Between 2008 and 2024, Beaverhead County has been shorted roughly \$2.26 million. A large portion of those funds would have gone to the Lima school system. Many have heard about the Lima school's budget struggles and the fear of losing its high school—this ongoing underpayment is one of the main culprits.

It's important to remember this isn't a "tax bill" the county sends to the federal government. The dollars owed are determined by U.S. law and federal formulas. When Congress fails to appropriate the full amount owed for wildlife refuges nationwide, the reduced funds are divided up and sent out to local jurisdictions.

This is a prime example of Washington bureaucracy affecting us personally. At a time when hundreds of millions of taxpayer dollars are being sent overseas for various programs, this should raise alarm bells. Our federal government is funding education and literacy initiatives in other countries, yet it's shortchanging the taxpayers who fund those programs and the

schools here at home. That kind of fiscal mismanagement shows where the government's priorities truly lie.

As a fiscal conservative, I fully support cutting waste and eliminating unnecessary programs that have grown over the past few decades. But this is different—this is money legally owed back to local communities and should be made right immediately. For many national wildlife refuge communities, the shortfall might not be noticed, but for rural areas like ours, it's a major hit to local schools and essential services.

I encourage everyone to reach out to our elected representatives and senators in Washington and let them know you support cutting unnecessary overseas spending while fully funding the programs that are legally owed to local communities. If the federal government is going to own and manage so much land across the United States, then it should also follow the law and pay what it owes to the people who live and work on those lands. How would you be treated if you only paid a portion of your property taxes each year?

One last thing to consider: with more than 2,000,000 acres of public land, Beaverhead County receives just \$0.55 per acre each year in PILT (Payment in Lieu of Taxes) — one of the lowest rates in the state. That's an issue worth revisiting soon.

My dog Jake has been diagnosed with allergies to everything except VENISON, BEEF LIVER and RICE. Beef liver can cause copper poisoning in dogs. Rice is ok as a supplement but it can contribute to inflammation for dogs with allergies. With this very unusual diagnosis I am struggling. If you have any venison, elk or moose in your freezer that you don't want I sure could use it. I will pick it up. Call me - Catherine Cain 406-498-6198 Jake thanks you!
