Terminus Distilling Company Updates

Katrina & Derek Lewis

Building

Locals have probably noticed the exterior improvements, including a roof on the awning, replacement windows for the original ones that had been boarded up, and patching multiple areas (we'll paint them later). The finished window trim, door trim, and walk-up counter repurposes wood found inside the building. One update not visible yet: Derek framed the opening for the large door we'll use on the manufacturing end. He's working on refurbishing the partner door to the one we installed in the tasting room.

Now that electrical is run in the production space, Derek has starting covering the walls. We'll use metal and polyurethaned shiplap to ensure it's both functional and waterproof. Once walls and ceiling are complete, he'll start moving in the still and other equipment we've been accumulating.

We mentioned last month that we had been given access to grocery receipts for Joe A. Browne. I said he was from Melrose, but I think he may have been of Twin Bridges. Below are the records of his purchases from April 1922 - it's amazing to see what he was buying (and the prices). The first slide is the overview and subsequent slides are each of the dates he came into town.

Business / Community

Jesse Scofield has started on the lighting fixtures for the tasting room – he's using an old piece of heavy sheet metal from the building. The patina will tie in beautifully with the room's antique ceiling tiles.

We've selected Arryved as our Point of Sale system. They provide reasonable sales charges, synchronous inventory for

Distillery

This month, Katrina brought her University of Montana Western students on a study abroad trip to Japan. With her co-leaders, Laura and Nao, she enjoyed a variety of drinks, from convenience store caffe latte's to matcha eggnog cocktails. It turns out that matcha's seemingly ubiquitous popularity is more of an American phenomenon (and is having some issues). Laura visited the acclaimed Mori Bar Gran - it is now on the must-go list for any future trip.

Katrina had a chance to visit two sake brewery museums and learn how the fermented rice wine was/is made. She also tried shochu, a distilled Japanese spirit. Shochu is usually made with one type of starch (ex. rice, wheat, potato) and distilled in a single run at a lower proof (usually 25-35%), making it both distinctive and flexible in cocktails. It is served either neat, with cold water, with warm water, or on the rocks (rokku), all of which bring out different flavor profiles. Katrina's favorite was sweet potato shochu on the rocks. Highly recommend trying it if you can find some in your area.

Celebrate the Wood Bank at Beaverhead Brewing Co. Pint Night Nov. 21

Coming up on Friday November 21, from 4:30 to 8 pm will be the fifth annual Pint Night for the Wood Bank at the Beaverhead Brewing Company. There will be snacks and a 50:50 raffle. On display at the Pint Night will be three handcrafted furniture prizes made and donated by local woodworker Gerry Meacham of Sharptail Creations LLC for a fundraising raffle for the Wood Bank. Tickets for the woodwork raffle are $20 each and only 100 tickets will be sold. Three lucky winners of this raffle will be drawn on December 17 on the KDBM/KBEV morning radio show.

The Beaverhead Community Wood Bank Ministry is a homegrown, all-volunteer charity that provides gifts of firewood to help warm the homes of our neighbors in need. Each qualified household may receive up to three cords of wood to help heat their home this winter. Last year the Wood Bank provided firewood to 57 households. So far this season, 43 households have been approved to receive firewood, based on income limitations and disability concerns. As of November 1 the Wood Bank had already distributed 64 cords of firewood this autumn. The firewood isn't free – it is priceless. Our community has stepped forward in extraordinary ways to support the Wood Bank. On behalf of the households warmed by gifts of firewood, THANK YOU for your support. It wouldn't be possible without you!

Making and delivering firewood takes time. 42 local volunteers and 82 cadets from the Montana Youth Challenge Academy logged a total of 1,227 volunteer hours at the wood bank in 2024. For a few hours each week, wood bank volunteers share their time and energy to help others, while enjoying outdoor activity and the sense of accomplishment a big stack of firewood can provide.

The Wood Bank's major expense is for logs. Most of the wood comes from dry, dead timber salvaged from logging areas on Federal, State, or private lands, purchased in semi-truck loads. The cost of a truckload of logs for the wood bank in the past year has been $2,000.00. Each truckload is processed by volunteers into 10-11 cords of firewood, so about 15 truckloads are needed to meet the goal of 150 cords (a total cost of $30,000.00). In addition, there are operational expenses for fuel and equipment, insurance, phone, bookkeeping, etc. So, fundraising is always on the Wood Bank's agenda.

For information about the Wood Bank, Pint Night, or the fundraising raffle, contact Rick Hartz at 406-683-4506.

Bulldog Volleyball Completes Reverse Sweep Over Rocky Mountain, Win 3-2

The Montana Western volleyball team (13-14, 11-9 FC) completed the come-from-behind 3-2 victory over Rocky Mountain (2-23, 1-19 FC) Saturday evening on "Senior Night".

"First off, I want to say thank you to this group of seniors who have been part of this program growing into what it is today," head coach Katie Lovett said. "It was great getting to cap off senior night with a hard-fought win. Not everything went perfectly, but when it came down to the end the team stepped up in some big-pressure situations. I'm really proud of how they all persevered."

NOTABLES: Megan Hardman recorded a season-high 40 assists and added 16 digs for her ninth double-double in the last 10 games (11th overall).

Four Bulldogs reached double figures in digs, including three with 20 or more.

Western earned a season-high 16.5 blocks.

MATCH SUMMARY: The visitors struck first in a marathon 31-29 first set. Errors from the Bulldogs allowed Rocky to double their lead with a 25-23 win in frame two. UMW pulled one back with a 25-19 set three victory and evened the score in the fourth 29-27. Western sealed the comeback with a dominant 15-9 final frame.

SPLIT BOX Montana Western outperformed the Battlin' Bears in nearly every category, including kills (77-47), assists (73-44), digs (100-87), and aces (7-4). The two sides tied 16-16 in blocks.

LOOKING AHEAD: The Bulldogs head out on their final road trip of the regular season, facing (RV) MSU-Northern (11/6) and #1 Providence (11/7).

Veteran's Corner Update

By Mike Lawson

Veteran's Day is always an important day for all of us who have ever served in our Armed Services. There are still some WWII Veterans alive. We especially honor them and the many decades of Veterans who have served since then and are serving now. This country we call home, the USA, has graciously honored her Veterans with this day that was first honored on November 11,1919. Our Veterans make the difference of being free and not being conquered by an aggressive country. They fought for the freedom that our forefathers created 250 years ago. We not only honor those who have died in the many conflicts in which they fought, but also all veterans who have served and continue to serve. It's a special day of recognition that we, as Veterans, thank our country for.

It's a frightening time for many Veterans who are on SNAP which we used to know as Food Stamps. The shut-down is causing this life-line to be underfunded and closed to those who need it. One Navy Vet said "We would not eat without SNAP."There are about 1.2 million Veterans who are enrolled in this program, according to the National Council on Aging. Another statistic is around 1-in-8 Americans rely on food assistance. Let's hope our politicians on both sides of the isle, can come to an agreement to end this shut-down or find ways to feed those who rely on food assistance.

Many Veterans don't know that Veteran's Burial benefits include the Veteran's wife and children being buried in a national cemetery next to him/her. This exists to allow families to remain together, even in death, with the dignity of perpetual care in ground consecrated for military service. If you are a Veteran and want to be buried in a VA National Cemetery, it's advised that you apply for pre-need eligibility. Check it out with a VA Rep.

The VA currently serves more than 600,000 women Veterans, the fastest growing cohort of Veterans. They also serve more than 50,000 Veteran caregivers, more than 600,000 Veteran survivors and millions of Veterans who did not serve in Combat. The new VA mission statement is inclusive of these folks being served by the VA. It is as follows: "To fulfill President Lincoln's promise to care for those who have served in our nation's military and for their families caregivers, and survivors."

A statement by the VA Secretary "We are here to serve all Veterans, their families, caregivers and survivors-and now, our mission statement reflects that."

OPPORTUNITY TO PRACTICE LAW IN BEAUTIFUL DILLON MONTANA

The City of Dillon is looking for an experienced attorney to handle civil matters and misdemeanor criminal matters. As the Dillon City Attorney, you will work closely with the Mayor, Director of Operations, and Dillon City Police Department. You will be a voting member on the DUI Task Force Board and play a key role at zoning commission meetings, plan board meetings and other city council meetings. The City Attorney's Office is situated in a generous space on the second floor of City Hall and is staffed with a full-time paralegal. The position exposes an attorney to the many aspects of city government, as well as the prosecution of misdemeanor crimes within the city limits. When you are not at City Hall, enjoy the outdoors in Beaverhead County by partaking in world-class fly fishing, finding the perfect hunting spot, or hitting the slopes at Maverick Mountain. Dillon has a lot to offer and is a great place to live and work. With quality schools and home to the University of Montana Western, Dillon is a great spot to raise a family.

A minimum of three (3) years experience is required. Negotiable salary dependant on experience, plus a competitive benefit package, including PERS retirement. Resume and three (3) references required.

For complete job description and/or questions

There will be a public hearing on Nov. 12, 2025, 5-7 pm at Dillon City Hall. The hearing is hosted by the Dillon Local Government Study Commission. It's purpose is to gather public comment concerning the form and operation of our city government. Title 7, Chapter 3 of the Montana Code Annotated defines the scope and limits of voter government review.

The Study Commission recently conducted a local government survey and public forum in order to determine topics of public interest. The following is a list of some of the governing structures and powers repeatedly expressed by the public for review:

- Ward and at large selection of City Council Members
- Professionalism of city government and the City Manager-Council form of local government
- Enforcement of present laws-ordinances
- Street maintenance
- Combining city-county services
- The public wants or at the least is open to change

Our review is not limited to these topics, but these are topics that keep reoccurring during our information gathering. Governance can only improve through the public's involvement. PLEASE come and express your opinions on November 12.
