Jed C. Fitch, 51, of Grangeville, died Thursday, November 6, 2025 at his home.

The Giving Tree 2025

The Giving Tree 2025 is up and going for another year! The Giving Tree ensures that children in underserved homes will have a gift under their Christmas tree. Applications can now be picked up & returned to Rattlesnake Creek Alpacas store, 23 S. Idaho St. in Dillon.

Parents/guardians can pick up an application and fill it out, listing a gift request (please by cognizant of the cost of the gift), and clothing size (please specify whether the size is women or girls, men or boys). A tag is made with the gift request, and put on the Tree at Rattlesnake Creek Alpacas. Community members can take a tag off of the Tree, buy the requested gift, and return it to Rattlesnake Creek Alpacas (with the tag attached & clearly visible). The deadline for returning the gifts is December 17, but the earlier we get them, the earlier the elves can work on processing the gifts. **Bulldogs Dominate Senior Day with Record-
Breaking 66-14 Victory***Jeremy Crawford, Southwestern Montana News*

The Montana Western Bulldogs closed out their regular season in spectacular fashion Friday, steamrolling Arizona Christian 66-14 on Senior Day at Vigilante Field. The win capped the Bulldogs' regular season at 7-3, setting a high note heading into postseason consideration.

Quarterback Michael Palandri delivered a performance for the record books, throwing eight touchdown passes and racking up 423 passing yards, breaking his own single-game touchdown mark of seven set last year—also against the Firestorm. Western raced to a 42-7 halftime lead and never looked back.

The Bulldogs receiving corps was unstoppable. Eli Nourse hauled in 154 yards and a touchdown, while Seth Shook added 117 yards and two scores. Aidan Lammers, Jakob Humphrey, Jonathan Kirkley, and Mason Rasmussen each found the end zone as well, spreading the offense's dominance across the field.

On the defensive side, Western's unit set the tone early and never relented. The Bulldogs totaled 75 tackles, including 11 tackles for loss and three sacks, while forcing three fumbles and recovering one. Keegen Muffich led the way with 12 tackles and a sack, while Reece Stanish added seven tackles and another sack, with six stops behind the line. Arizona Christian managed just 295 total yards and was held to 35% on third down, not scoring again until the game's final 14 seconds.

"This was a great way to finish the season off," said head coach Ryan Nourse. "This team has practiced and prepared well all season—one of the best I've ever had in that regard. They deserved to get a resounding victory in their last home regular-season game."

With momentum and confidence on their side, the Bulldogs now turn their focus to what's next—potential postseason play and a chance to keep their red-hot offense rolling.

Montana Western Foundation Announces Gift of Historic Andrus Hotel

The University of Montana Western Foundation is excited to announce that Dr. John Micha, and his wife, Vicki, have transferred ownership of the historic Andrus Hotel to the Foundation.

"Thanks to the generosity and forward thinking of Dr. Micha, the future of the Andrus Hotel will continue to be an important part of our community," said Phil Willett, Chair of the Montana Western Foundation Board of Directors. "This remarkable gift ensures that the Andrus remains both a thriving local business and a lasting part of Dillon's rich heritage."

With this generous donation, the Montana Western Foundation will continue to partner with the Drew Family, owners of Sparky's Garage, who have now also assumed operations of the Andrus Hotel. The partnership will also allow the university to explore new opportunities for internships, hands-on learning experiences, and academic programming, while also preserving the hotel's role as a cornerstone of Dillon's downtown.

Dr. Micha's longstanding relationship with the University of Montana Western has been marked by a shared commitment to education, innovation, and community success. His goal in making this gift was to ensure that the Andrus Hotel continues to thrive—both as a business and as a legacy for future generations.

As a gift to the Montana Western Foundation, no state or institutional funds from the University of Montana Western will be used in the hotel's operations or maintenance. The Foundation and their partner will continue to pay all expenses associated with the property.

A dedication ceremony honoring the Micha Family and their extraordinary generosity will be held in the spring. More details will be announced as plans are finalized for the event.

Fatal Semi Crash on I-15 Late Saturday Night

Jeremy Crawford, Southwestern Montana News

A fatal crash occurred late Saturday night, November 8, on Interstate 15 near mile marker 99.

According to authorities, a Kenworth semi traveling southbound left the roadway while negotiating a curve. The passenger side of the semi struck a guardrail, causing the vehicle to overturn onto the barrier and slide several hundred feet on its top before coming to rest. The tractor came to a stop on the right shoulder, with the trailer remaining partially on the guardrail.

Emergency responders arrived on scene and found the driver deceased. The crash remains under investigation.

OPPORTUNITY TO PRACTICE LAW IN BEAUTIFUL DILLON MONTANA

The City of Dillon is looking for an experienced attorney to handle civil matters and misdemeanor criminal matters. As the Dillon City Attorney, you will work closely with the Mayor, Director of Operations, and Dillon City Police Department. You will be a voting member on the DUI Task Force Board and play a key role at zoning commission meetings, plan board meetings and other city council meetings. The City Attorney's Office is situated in a generous space on the second floor of City Hall and is staffed with a full-time paralegal. The position exposes an attorney to the many aspects of city government, as well as the prosecution of misdemeanor crimes within the city limits. When you are not at City Hall, enjoy the outdoors in Beaverhead County by partaking in world-class fly fishing, finding the perfect hunting spot, or hitting the slopes at Maverick Mountain. Dillon has a lot to offer and is a great place to live and work. With quality schools and home to the University of Montana Western, Dillon is a great spot to raise a family.

THE ADVERTISER

There will be a public hearing on Nov. 12, 2025, 5-7 pm at Dillon City Hall. The hearing is hosted by the Dillon Local Government Study Commission. It's purpose is to gather public comment concerning the form and operation of our city government. Title 7, Chapter 3 of the Montana Code Annotated defines the scope and limits of voter government review.

The Study Commission recently conducted a local government survey and public forum in order to determine topics of public interest. The following is a list of some of the governing structures and powers repeatedly expressed by the public for review:

- Ward and at large selection of City Council Members
- Professionalism of city government and the City Manager-Council form of local government
- Enforcement of present laws-ordinances
- Street maintenance
- Combining city-county services
- The public wants or at the least is open to change

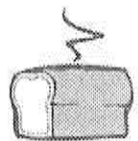

Our review is not limited to these topics, but these are topics that keep reoccurring during our information gathering. Governance can only improve through the public's involvement. PLEASE come and express your opinions on November 12.
