Harold "Butch" Roy Selway

Harold "Butch" Roy Selway of Dillon, Montana passed away peacefully within his home the morning of Thursday November 20, 2025. His loving daughter, and beloved Yorkie were at side during Butch's last breath.

Harold was born in Dillon, Montana November 23, 1941, to Harold and Marie Selway. He attended elementary school and middle school while living in Dillon with his older sister Darlene, and brother Jack. Harold demonstrated great passion, strength, and speed as he matured into his teenage years. He was involved in Basketball (forward), Track (shop put, and disc throwing), and football (guard and tackle) throughout all four years of high school. He was one of the few Freshman earning a spot on the All-State Football Team. Butch played guard and tackle within the team...and boy did he! Harold earned the nickname "Butch" because he was so tough (all who knew him, and played ball with him knew it!). Butch participated in "B Club" Sophomore through Senior year and held the position of "Sergeant at Arms" Senior year. He graduated high school in 1960 where he went on to continue his education at Bozeman College majoring in engineering while enrolling in the National Guard.

As time progressed Butch worked at the Beaverhead National Forest Service climbing the ladder into lead positions while continuing service in the National Guard. Butch quickly became a permanent employee within the Engineering Department in 1963 as a "Lead Civil Engineer". He was one of two individuals within Montana with the means and ability to design the Scenic Byway. This was Butch's greatest project that he held dear to him. He retired in 1997.

While being an active member within the National Guard Butch became a Sergeant. He was on the "combat rifle team" in 1964 achieving "expert status" with the M-14 Rifle. He loved his country, and he loved helping keep it safe. Butch received an Honorable Discharge in July 1993 as Staff Sergeant company A 1st Battalion, 163D Cavalry.

Butch met the love of his life Patricia (Patty) Lynn Cox at a city hall dance in Dillon in the Spring of 1962. He said, "there was chemistry from the beginning." They remained friends while Butch attended college in Bozeman, and Patty attended school in Twin Bridges. They couldn't help but gravitate towards

one another. They became engaged in 1963 and married the following year. Butch said, "It was love at first sight," and Patty would say "we had each other from hello." They shared a beautiful life together for fifty-four years. Butch became a father to son Michael (1965), and daughter Shannon (1969). Patty passed away in August 2017.

Butch loved deeply, and with his entire heart. He was loyal to a fault. He was the kind of person to take the shirt off his back for anyone in need. Butch loved his family dearly along with his Yorkie Mia. He loved being a husband, father, grandfather, uncle, and friend. The passion and heart that he demonstrated throughout his career and schooling carried on throughout his personal life.

He attended every family event no matter the distance, or circumstance. He prioritized his loved ones. Butch was always there to tell a silly joke, give a helping hand, or provide support in any way possible. He loved seeing those around him happy, laughing, or smiling. He was such a light in the lives of those around him. He was the glue that bonded families, and friends together.

Butch was very talented and excelled at whatever he put his mind to. He was an excellent carpenter and enjoyed woodworking in his outside "man cave." He refurnished and built countless items, sharing his talent with friends and family. He enjoyed growing vegetables in his garden, working outside caring for his yard, playing Sodoko, and he was an avid coin collector. He was an excellent historian and storyteller. He was proud of his heritage and shared his knowledge with those around him.

Butch is preceded in death by his parents (Harold & Marie), Brother (Jack), sister (Darlene), wife (Patty), and son (Michael).

Butch is survived by his daughter (Shannon), 6 grandchildren, and 1 newly born great grandbaby.

Butch's ashes will be combined with his Wife Patty. A Celebration of Life will be held in the Spring of 2026 in Dillon, Montana in which he will receive his final place of rest.

Amber Thorvilson Appointed Deputy State Auditor for the State of Montana

The Office of the Montana State Auditor is pleased to announce the appointment of Amber Thorvilson, CPA, as Deputy State Auditor. The Deputy Auditor position is the second highest position in the agency. Thorvilson will assist Auditor Brown in operating the agency on a daily basis.

Thorvilson brings more than 15 years of leadership experience in state financial management, internal controls, and regulatory compliance. She has held key roles in Montana government, including Chief Financial Officer at the Office of the Montana State Auditor and senior management positions with the Departments of Corrections and Administration. Throughout her successful career, Thorvilson has overseen multimillion-dollar budgets, strengthened internal controls, led health plan data analysis, and advanced operational efficiency through technology-driven initiatives.

Widely recognized for her commitment to transparency, accountability, and collaboration, Thorvilson has earned the trust of colleagues and stakeholders across state agencies. Her expertise in budget leadership, contract management, process auditing, and financial reporting positions will help her excel in this critical role.

"Amber brings substantial expertise and a strong record of delivering results," said Commissioner Brown. "Her knowledge of Montana's insurance market and industry will help ensure the State Auditor's Office continues to serve both consumers and industry effectively and efficiently."

Thorvilson join a strong executive team that includes:

- David Sanders, Chief of Staff;
- Tyler Newcombe, Communications Director;
- Trevor Graf, Government Affairs Director;
- Molly Plummer, Business Manager;
- Heather McRae, Executive Assistant;
- Kirsten Madsen, Deputy Securities Commissioner; and
- Erin Snyder, Deputy Insurance Commissioner.

Fisheries habitat project completed on lower Madison River

Anglers and recreational floaters asked to avoid project area

NorthWestern Energy, Montana Fish, Wildlife & Parks, and the Bureau of Land Management, in partnership with River Design Group, have completed a project to improve trout habitat in an area of the lower Madison River.

Trout numbers in the lower Madison River are at historic lows due in part to low population recruitment and limited spawning and rearing habitats.

This fall, crews expanded an island to enhance side channel habitat complexity and improve flows for the maintenance of gravels used by trout for spawning. The project also included constructing an additional side channel for added habitat complexity, as well as replanting riparian vegetation to better control erosion along the riverbank.

The project is about 11 miles downstream from Madison Dam, between the BLM's Warm Springs Day Use Area and the Hwy 84 bridge at Trapper Springs recreation area.

FWP is asking anglers and recreational floaters in this area to stay river right and avoid the island and left riverbank to allow the vegetation to become established. FWP is also asking anglers to avoid fishing the side channels near the islands from October through March to protect spawning trout.

FWP fisheries staff will continue to monitor trout populations within the project area and elsewhere as part of long-term monitoring efforts.

"We're excited to see this effort lead to positive outcomes for trout in the lower Madison River," said Matt Jaeger, FWP's hydropower, native species and Beaverhead-Ruby program manager. "We appreciate the support from our partners who contributed to this project."

"NorthWestern Energy is pleased to fund this effort and work closely with partners to improve trout populations. We believe this is the type of work that can have meaningful results to improve habitat and bolster fisheries in the Madison River," said NorthWestern Energy Fisheries Biologist Jon Hanson.

UMW Men's Basketball Wins High-Scoring Nailbiter Against Valley City State, 107-104

The UMW men's basketball program (6-1, 1-0 FC) outlasted Valley City State (4-2, 0-2 FC) 107-104 Friday evening.

Despite the Bulldogs leading by as many as 14 in the first half, the game came down to the final seconds. The Vikings managed to get the potential game-tying shot off in time, but the ball bounced off the rim and out to seal the victory for Western.

STAT BREAKDOWN

UMW shot 60.0 percent (36-60) from the floor, 47.4 percent (9-19) from downtown, and 81.3 percent (26-32) from the charity stripe in the game.

The Bulldogs tallied 29 rebounds, 16 assists, and three steals.

NOTABLES

- Six Western players scored in double figures.
- Highest team field-goal percentage of the season.
- Fourth game this season with 90 or more points.
- Four players shot 100.0 percent from the foul line.

LEADERBOARD

Kyle Gruhler put up a game-high 26 points with Emanuel Steward close behind at 22.

David Young (12), Jacob Ankeny (12), Mark Huber (12), and Joshua Whiteside (11) also reached double digits in scoring. Ankeny and Billy Carlson each grabbed five rebounds, tying for the game-best.

Carlson, Young, and Kolter Merritt each handed out three assists and snagged one steal apiece.

GAME SUMMARY

The Bulldogs took the lead early, and held onto it for most of the first half. They led by as many as 14 with 12 minutes left in the period, but the hosts chipped away at it and went up by one, 53-52, at the half time break.

Western shot a blazing 71.4 percent (20-28) from the field, 45.5 percent (5-11) from three, and 63.6 percent (7-11) from the foul line in the first half.

The second period featured 13 lead changes as the two sides went bucket-for bucket. VCSU held the one-point advantage (104-103) with under a minute remaining.

Clutch points from Steward and Gruhler and some key stops by the defense helped secure the victory.

Western WBB Never Trails in 81-60 Win at Mayville State

The Montana Western women's basketball program (4-2, 2-0 FC), earned the wire-to-wire victory over Mayville State (1-6, 0-3 FC) 81-60 Saturday evening. The hosts never got closer than six in the second half.

STAT BREAKDOWN

UMW shot 44.8 percent (26-58) from the floor, 33.3 percent (11-33) from three-point range, and 78.3 percent (18-23) from the foul line in the contest. The Red and Black recorded 30 rebounds, 22 assists, 18 steals, and four blocks. The Bulldogs held the statistical advantage in nearly every category, including assists (22-12), steals (18-7), and blocks (4-2). They also outperformed Mayville State in points in the paint (24-12), points off turnovers (23-20), second-chance points (12-7), and bench points (32-13). The Comets won the battle in rebounds, 35-30.

NOTABLES

Gio Horner dropped a season-high 18 points on 50.0 percent (6-12) shooting, including 15 points from downtown. Team season-highs in points, assists, steals, and blocks. Second game with 10 or more made threes on the campaign.

LEADERBOARD

Horner led the game in scoring (18) while Bailee Saylor was also in double-figures with 11. Keke Davis pulled down a team-high six boards, followed by Brooke Deyak and Kyle Pancost with five apiece. Maile Wilcox and Isabella Lund shared the game-high with five assists each. Saylor swatted a game-best three blocks. Davis, Lund, Saylor, and Wilcox all tied for the game-high in steals, swiping three apiece.

GAME SUMMARY

Western jumped out to a 12-point lead early in the opening frame before stretching it to as many as 17 late in the first. The Bulldogs were up 31-18 at the break. The hosts didn't get closer than 10 in the second, with UMW leading by 14, 44-30, as the teams headed into halftime. The Bulldogs shot 40.0 percent (14-35) from the field, 39.1 percent (9-23) from beyond the arc, and 77.8 percent (7-9) from the line in the first half. The Comets clawed back within six points late in the third quarter, but Western quickly put any doubt to rest and led by 15, 64-59, with one period remaining. UMW stretched its lead to as many as 26 in the final frame and cruised to the 21-point win.

Come join a wonderful team at the Super 8! We are seeking full time and part time team members! Even if you have never worked in the hospitality industry, come give us a try- we feel you will love the flexibility and the fun of this job! We have Night Audit positions available. We work with the hectic schedules of highschool and college and the skills you develop with us can be taken with you anywhere and look great on resumes! We are also looking to fill long term, permanent positions. This is also a great place to work for a semi-retired individual seeking supplemental income! Contact Mandy today at the Super 8! We would love to have you working with us!

Attn Hunters 10/15-12/14

My dog Jake has been diagnosed with allergies to everything except VENISON, BEEF LIVER and RICE. Beef liver can cause copper poisoning in dogs. Rice is ok as a supplement but it can contribute to inflammation for dogs with allergies. With this very unusual diagnosis I am struggling to keep my dog alive. If you have any venison, elk or moose in your freezer that you don't want I sure could use it. I will pick it up. Call me - Catherine Cain 406-498-6198 Jake thanks you!
