Attorney General provides tips to protect yourself from scams during the holiday season

As Montanans prepare for holiday shopping, Attorney General Austin Knudsen is sharing a reminder to stay vigilant and be aware of common scams. The Office of Consumer Protection reports that scams tend to be more common during the holidays than any other time of year.

"Scammers will stop at nothing to steal Montanans' hard-earned money, especially during the holidays. Please, make sure you are paying attention to who you are giving your money to, and if something sounds too good to be true, it probably is. Don't let criminals and thieves ruin your Christmas," Attorney General Knudsen said. "Always remember: Stop. Check. Protect."

Attorney General Knudsen shared the following tips and reminders to avoid falling victim to an internet scam while shopping this holiday season:

- When making a purchase through social media: verify the company, ensure the website is secure before paying, and check the account's public information.
- Use a credit card for online shopping so you can track your purchases and dispute any charges you didn't make or don't recognize with the credit card company. Do not use wire transfers or gift cards to make a payment. Anyone who asks you to pay using one of these methods is most likely a scammer.
- Be wary of a false sense of urgency. Trust your gut. If it seems too good to be true, it probably is.
- Do not send gift cards, prepaid debit cards, or cryptocurrency to someone you do not know. Even if you think it is someone you know, verify their identity before you wire any money.
- Never cash checks that you weren't expecting.
- When purchasing gift cards, check the terms and keep the receipts. Remember, Montana law stipulates that gift cards and gift certificates do not expire unless the business is sold. Gift cards can also be redeemed for cash if they were originally for more the $5 but have less than $5 remaining.
- If you're asked to donate to a charity, give wisely. Ask questions and donate only when you're satisfied that your money will be used in ways you consider appropriate. Be wary of callers who use high pressure tactics or those who promise you sweepstakes winnings in exchange for your contribution.
- Be cautious when clicking links. Scammers send unsolicited texts or emails, claiming a package is delayed, held at customs, or undeliverable due to an incomplete address or unpaid fee; victims are urged to "click here to reschedule" or "pay a small fee," leading to fake websites that steal personal info, credit card details, or install malware.

Montanans can report any phone, email, or mail scams to the Montana Department of Justice's Office of Consumer Protection at https://dojmt.gov/office-of-consumer-protection, contactocp@mt.gov, or (406) 444-4500 or toll free at (800) 481-6896.

Twin Bridges Christmas Stroll

All are invited to share in the spirit of the season at the Twin Bridges Christmas Stroll on Thursday, December 4th, from 5:00 PM to 8:00 PM.

Main Street will be filled with festive activities for all ages — games, crafts, ornament kits, a hot cocoa bar, Turkey Bingo (win a turkey!), the Giving Tree, face painting, cookie decorating, photos with Santa, a live nativity, and a reading of The Christmas Snow Globe. Enjoy holiday displays, treats, raffles, and Stroll Specials. Most activities are free, with a few groups offering optional donation-based fundraisers.

Holiday shoppers can explore a new Main Street business, browse gift shops extending their hours, visit The Old Hotel's Mini Maker's Market, and stop by businesses hosting open houses with refreshments. Gift certificates are a great option, too!

Enjoy a complimentary chili dinner, hayrides, live music, and our returning Stampede Card — complete yours for a chance to win a festive gift basket.

For updates, follow the The Twin Bridges Christmas Stroll on Facebook or visit www.TBCAMT.org.

Western Track & Field Opens Indoor Campaign at Bobcat Preview

Steward and Young Receive Frontier Player of the Week Honors

Montana Western men's basketball players Emanuel Steward and David Young both picked up Erck Hotels/ Frontier Conference Men's Basketball Player of the Week awards after leading the #23 Bulldogs to an 82-80 overtime victory over #4 Montana Tech.

It is both players first player of the week nod of the season.

"Stew played an incredible game Friday night. Having 10 assists while also leading us in scoring shows the work he's been putting in. David's impact on the defensive end was huge and really showcased how talented he is," head coach Patrick Jensen said. "Their recognition is well deserved, and it's also a credit to how connected our team was against a very good opponent on the road. Having multiple guys earn Player of the Week honors already this season speaks to our depth and how well our group plays together."

Steward was named Offensive Player of the Week after posting a double-double with game-highs in both points (22) and assists (10) against the Orediggers

The Portland, Ore., native shot 47.1 percent (8-17) from the floor and 60.0 percent (3-5) from beyond the arc while also knocking down all three free throw attempts in the contest.

Young earned the Bulldogs' first Defensive Player of the Week recognition of the season, registering a season-high and game-best four steals against Montana Tech.

The junior out of El Dorado Hills, Calif., also grabbed a team-best seven rebounds (six on the defensive glass) to help UMW stay undefeated in league play.

LOOKING AHEAD: Western returns to Straugh Gymnasium this week when it welcomes Carroll College (12/5) and (RV) Rocky Mountain (12/6). Both games are set for a 7 p.m. tip.

Veteran's Corner Update #337

By Mike Lawson

Greetings to all of you who read my SW MT Veteran update articles.

Veteran News Updates: • The Toys For Tots campaigns here and everywhere are getting in full swing, wherever you might be. If you know any folks that need help in getting their kids gifts for Christmas, get them in contact with the closest TFT Coordinator in your area. You can find them on-line or through advertising ads on radio or television. Our Butte Campaign is seeing many applications coming in as well as generous folks donating toys in our toy boxes. Money donations are coming in also, which allows us to buy toys to supplement what we don't get for groups of kids that are usually in the high-school age bracket.

• I again, mention homeless vets because we see them on the streets, drive them to VA Clinics to try and get them help. Some good news (I was informed about recently) was Montana and the national Veterans Administration had a record-breaking year in helping homeless vets find housing. The Montana VA achieved 114% of it's yearly goal to provide housing assistance to homeless Vets. The Department of Veterans Affairs reported that it permanently housed 51,936 homeless Veterans across the country in 2025. Every year since 2019 this number has increased. In May of 2025 the VA began an initiative called "Getting Veterans Off the Street". Because of this, every VA healthcare system across the country hosted dedicated outreach surge events to locate unsheltered Veterans. They were offered immediate access to housing programs, healthcare, behavioral healths services, and VA benefits. Some contact information is as follows: 1) Va,gov/homeless, 2) National Call Center for Homeless Veterans at 877-4AID-VET (877-424-3838)

Our days are definitely getting shorter which equates to more time indoors, which for some means less exercise. With the holidays, it can lead to eating more and adding inches to our waist lines. Exercise of some type, whether just walking in a grocery store or outside, going to the YMCA or gym to work out, or a home workout routine, is beneficial for our body health. We see too many of our friends in the hospital with issues related to inactivity. I'm no different and have to push myself to be more active and watch what I eat and how much I eat. Enough said.

Terminus Distilling Company Updates

Katrina & Derek Lewis

Building

This month has been about consistently moving forward. Katrina has been mudding and sanding the tasting room walls. Soon she will paint, then finish the trim for interior windows, doors, and baseboards. Derek has finished the wiring work with Nate Mooney and made preparations for the mechanical room.

At the Beaverhead County Courthouse, we traced the deed of the building. On July 1, 1922, the Olmstead-Stevenson Company sold the building to The Waldorf Company for $10. Then, on June 10th, 1930, it was bought by The Graeter-Waldorf Company for another $10. As we hear it, the Graeter family was from Bannock – we'll do some research and let you know what we learn.

Business / Community

Jesse Scofield made the first light for our tasting room and it looks amazing (see below). He'll make two more, then a larger one for over our point of sale area.

Derek found an auction in Kentucky of a chocolate candy factory. Turns out, they had two 15gal vat pasteurizers that we will look to repurpose for eggnog production next year.

Distillery

If you are interested in placing an order for Christmas shrubs, email Katrina for by Dec 10 (pickup/delivery on Monday, Dec 22 or by appt). Delicious in a cocktail or simply with sparkling water and an orange peel garnish, here are the holiday flavors:

- Pear Ginger Honey (made with Beaverhead Honey)
- Plum Ginger Spice
- Apple Cinnamon & Cardamom
- Western Chokecherry (from chokecherries picked right here in Dillon!)

Each shrub comes in a custom Terminus Distilling Company 16oz yowler. With our suggested 1.5oz pours, this makes about 10 drinks. Holiday sale: $15 each (includes $5 yowler purchase). For those of you who have a yowler to trade in, then $10/each. katrina@terminusdistillingcompany.com

If you're looking for gifts this holiday season, we have merch for sale, including hats, tshirts, and Tervis tumblers. Email Katrina for orders, sizes, and (if applicable) shipping.

My dog Jake has been diagnosed with allergies to everything except VENISON, BEEF LIVER and RICE. Beef liver can cause copper poisoning in dogs. Rice is ok as a supplement but it can contribute to inflammation for dogs with allergies. With this very unusual diagnosis I am struggling to keep my dog alive . If you have any venison, elk or moose in your freezer that you don't want I sure could use it. I will pick it up. Call me - Catherine Cain 406-498-6198 Jake thanks you!
