Lovellia "Mackie" Tomlin

Lovellia was born on 18 October 1961 in Denver, Colorado to Beverly Western and James Latta. She went to be with her Heavenly Father on 1 December 2025 in Dillon, Montana.

She loved to travel. She spent time in Colorado, California, Maui, and finally settled in Dillon about 8 years ago.

Mackie, as she was affectionately known as, loved to meet new people and make new friendships. She always did this with her best friend, Rowdy, who just happened to be a dog. Everyone around town recognized the duo. She loved living in Dillon and the friendships that she made.

Mackie had been married twice with no children. She is survived by her loving sister Lisa, who lives in Dillon, and they spent many hours together doing many different things. Loving sisters Stacey (Tennessee), Christina and Theresa (Colorado), doting brothers Tony (California), Bruce (Oklahoma), and Larry (Texas) who will all miss her.

She is preceded in death by her parents and brother Danny.

She was a loving, generous, independent woman who was loved by many and will be missed by all who knew her.

No public services, but a private family get together will be held at a later date, as requested by Lovellia.

Secretary Christi Jacobsen's Land Board motion supports nearly 50 jobs and generates revenue for Montana schools

At the final Land Board meeting of 2025, Secretary of State Christi Jacobsen voted to support a series of trust lands initiatives, including timber sales, oil and gas lease sales, and cabin and homesite sales — measures that will generate significant funding for Montana's public schools.

Secretary Jacobsen motioned to approve timber sales in Lake County, projected to generate $312,000 in revenue.

The motion received full support from her Land Board colleagues.

She also backed competitive bids for oil and gas leases, expected to provide more than $10,000 for Montana's common schools and nearly $1,500 for the University of Montana. In addition, Secretary Jacobsen successfully motioned for final approval of cabin and homesite sales across the state. That unanimous decision will deliver $735,000 in funding for Montana Technological University.

"I'm proud to support our Montana schools," said Secretary Jacobsen. "The fact that student funding increased in fiscal year 2025 is a huge win for our communities and for public education."

Fiscal Year 2025 marked a strong year for trust lands management, with highlights including:

- Increased funding for students statewide
- Higher revenues from agriculture and grazing leases
- Expanded minerals management
- Strengthened forest management initiatives

Secretary Jacobsen reaffirmed her commitment to advancing timber projects and other trust lands efforts that sustain Montana's schools and communities.

Wood Bank Raffle Drawing December 17

There is still time to purchase a raffle ticket to support the Wood Bank, and possibly win a woodcraft prize. There are 3 prizes: (1) a set of two folding end tables of pine, (2) a set of two end tables with tops made from smooth-finished rounds cut from a local elm tree, and (3) a spice rack and charcuterie board. These items were locally crafted by Gerry Meacham, of Sharptail Creations. All proceeds from the raffle will support the Wood Bank, a local charity that brings gifts of firewood to warm the homes of our neighbors in need.

The tickets cost $20.00 each, and are available at Womacks, or from Wood Bank volunteers until December 16. Only 100 tickets will be sold, and on December 17 during the KDBM-KBEV morning show, three winners will be drawn. Each ticket has a 1/33.3 chance to be a winner. That's better odds than the Powerball! Plus your money stays right here in SW Montana, to help your neighbors keep warm this winter. For info, call Rick Hartz at 406-683-4506.

AFCA All-American Honors

The American Football Coaches Association (AFCA) released its 2025 NAIA Football All-American Awards Thursday. Western football players Jacob Westberry (First Team), Eli Nourse (Second Team), and Tyler Walker (Second Team) were named to the list.

The AFCA All-American teams are voted on by head football coaches across all five divisions of the organization.

"Being named an All American is a special recognition earned by so few," head coach Ryan Nourse said. "I'm proud of what these young men have accomplished and how they have represented UMW and our football program in their careers."

AFCA NAIA All-American First Team – Long Snapper

Jacob Westberry –Hamilton, Mont. / R-SO

Westberry was a key member of the Bulldogs' special teams unit in 2025, appearing in every contest. His snaps set up nine successful field goals, including a 55-yarder that was third in the nation this year. He also aided in 48 made PATs and 34 successful punts.

AFCA NAIA All-American Second Team – Wide Receiver

Eli Nourse – Dillon, Mont. / JR

Nourse totaled 78 receptions for 1,192 yards (119.2 yards per game) in his junior campaign, setting school records in career receptions (256) and career receiving yards (3,583) in the process. He earned 10 receiving touchdowns. His longest catch was 65 yards and he averaged 15.3 yards per reception. Nourse finished second in both the conference and the nation in yards per game. He also ranked fifth in the Frontier and 14th nationally in receiving touchdowns.

AFCA NAIA All-American Second Team – Defensive Line

Tyler Walker – Dillon, Mont. / R-SR.

Walker was a force to be reckoned with in 2025. He set school records in single game sacks (4.5) and single-season tackles-for-loss (21.5) while helping the Bulldogs' defense set the record for single-game sacks as a team (eight). Additionally, Walker led the team in total tackles (70), solo tackles (33), TFLs (21.5), and sacks (8.5). He also forced one fumble and tallied two fumble recoveries, three pass breakups, and one QB hurry.

Sayler shot 50.0 percent from the floor (6-12) and from beyond the arc (4-8).

Davis posted double-digit rebounds for the second time this year.

GAME SUMMARY - The game was close through the first four minutes of play, and then Western turned up the heat on both ends of the floor. The Bulldogs held Mayville to just four points for the rest of the quarter while opening up a 19-point gap for themselves offensively.

The Comets shot better in the second frame, but it did little for them and the UMW led by 22, 42-20, after 20 minutes

The Bulldogs shot 44.7 percent (17-38) from the floor 25.0 percent (4-16) from three, and 66.7 percent (4-6) from the foul line over the first two periods.

MSU got within 16 in the third before Western pulled away by 22 once again.

UMW kept it's foot on the gas in the fourth, leading by as many as 30 before cruising to the 24 point win.

SOURDOUGH

By "Swede" Troedsson

During the 1970s, Hank Greitl was heading up a Forest Service helicopter sagebrush spraying project in the Gravelly Mountains, located southwest of Ennis, Montana. A sheepherder's camp was also located in the vicinity of the sagebrush spray project camp.

Early one morning, much to the sheepherder's amazement, the sagebrush spraying project helicopter landed close to his camp! A project employee ran over to the sheepherder's camp holding a cup. The employee asked the sheepherder if he had any sourdough starter so that the spray project camp could use it to make sourdough hotcakes.

The sheepherder filled the employee's cup with sourdough starter. After thanking the sheepherder, the employee returned to the helicopter. The helicopter then departed and flew back to the project camp. Now the camp could enjoy sourdough hotcakes!
