We will also be closing at **Noon** on New Years Eve. And closed New Years Day.

There will be no paper New Years Day.

Ad deadline for the Friday's paper is 10 am Wednesday.

Merry Christmas & Happy New Years

From our Families to yours

BEAVERHEAD SENIOR CITIZENS, INC. Christmas Eve Lunch Celebration, Dec. 24, 2025 CANCELLED

With great regrets, Beaverhead Senior Citizens, Inc. announces that the reopening of the Senior Center Kitchen has been delayed. We want everyone to know that we sincerely appreciate the efforts of our contractors, 747 General Contracting and their subcontractors. This delay is not way associated with their work. It is due to the restaurant supplier out of Bozeman and the manufacturer of the commercial range. The manufacturer shipped the range with missing and wrong parts and the range cannot be operated until these parts are replaced.

As such our Christmas Eve Lunch Celebration will be cancelled and the kitchen closed until after the New Year.

We would like to wish everyone a Merry Christmas and a Happy New Year.- Senior Citizens, Inc. Board of Directors

FWP seeking tips on vandalized pictograph at Missouri Headwaters State Park

Game wardens with Montana Fish, Wildlife & Parks are seeking information on a pictograph panel that was vandalized at Missouri Headwaters State Park.

The graffiti was discovered this month at a popular destination for park visitors that contains a visible pictograph consisting of a human figure in solid red.

An initial assessment of the vandalism indicates a person likely used a paintbrush to paint over a portion of the existing pictograph and made about 10 markings in other areas of the limestone panel. This may have also damaged other pictographs at the site that are not readily visible.

This culturally sensitive site and the surrounding area have ties to many different groups of indigenous peoples dating back thousands of years. The area includes the confluence of the Jefferson, Madison and Gallatin rivers to form the Missouri River, and it hosted a camp for the Lewis and Clark Expedition in 1805.

Removing graffiti without damaging existing cultural resources can be extremely difficult and expensive.

"We're asking for the public's help in protecting this site and the other invaluable resources at our state parks," said Linnaea Schroeer, FWP's parks and outdoor recreation program manager in Region 3. "Keeping these places in good shape for future generations depends on everyone."

Anyone with possible information about this incident is encouraged to visit tipmont.mt.gov to provide details or to contact a game warden. You may be eligible for a reward of up to $1,000.

Friends of the Museum Thrift Store Will be closed Dec 24 thru Jan 4th

At the Beaverhead County Friends of the museum Thrift Store donations are needed for clean, gently used resaleable items. We also take electrical items (the bargain basement does not take electrical items) donate them to the thrift store You may call Linda Roberts at 406-407-5113 and she can pick up your items, or you can drop them off at NV Salon on days they are open.

FWP confirms grizzly bear sighting in Bangtail Range

Montana Fish, Wildlife & Parks staff confirmed a grizzly bear sighting in the Bangtail Range east of Bozeman this month.

FWP grizzly bear specialists confirmed the sighting after a trail camera captured images of a single subadult grizzly bear on National Forest land. This is the first time a grizzly bear has been formally documented in the Bangtails since grizzly bear recovery efforts began.

The sighting is not far from areas with previously documented grizzly bear presence, including a grizzly bear of similar size that was seen traveling along the Yellowstone River in Livingston this fall, as well as one observed in the Shields Valley in 2023.

These cases serve as a reminder that Montana is bear country. Grizzly bear populations continue to become denser and more widespread in Montana, increasing the likelihood that residents and recreationists will encounter them in more places each year. People should be prepared to encounter grizzly bears anywhere in the western two-thirds of the state. Avoiding conflicts with bears is far better than dealing with such conflicts. Here are some recommended ways to avoid conflicts with bears:

- Carry bear spray and be prepared to use it immediately.
- Travel in groups whenever possible and make noise, which can help alert bears to your presence.
- Stay away from animal carcasses, which often attract bears.
- Follow food storage orders from the applicable land management agency.
- If you encounter a bear, never approach it. Leave the area when it is safe to do so.
- Keep garbage, bird feeders, pet food and other attractants put away in a secure building. Keep garbage in a secure building until the day it is collected. Certified bear-resistant garbage containers are available in many areas.
- Never feed wildlife. Bears that become food conditioned lose their natural foraging behavior and pose threats to human safety. It is illegal to feed bears in Montana.

Public hearing scheduled for changes to Wildlife Habitat Improvement Program rules

Montana Fish, Wildlife & Parks will hold a public hearing on Jan. 20 at 10 a.m. to consider an amendment to the previous Wildlife Habitat Improvement Program (WHIP) rule. The amendment reflects changes to the program following approval of House Bill 932 during the 2025 legislative session.

The changes in HB 932 revise WHIP from a solely noxious weed management-focused program to one that also includes FWP grants to partners for proposed projects that improve, conserve and maintain terrestrial and aquatic habitat, resulting in conservation gains for Montana's wildlife. HB 932 also revised the membership of the advisory council and preferences for grants, with final approval by the department for the proposed projects. The changes in the statute necessitate revising the current administrative rules before the next application cycle in 2026.

There will be no in-person hearing. Interested parties may attend the meeting via Zoom.

To join the Zoom meeting:

- Dial by telephone: 1-646-558-8656
- Meeting ID: 889 5994 0462
- Passcode: 57579

The deadline for public comment is Jan. 21. Comments also can be emailed to Andrew.Amidon@mt.gov

Bargain Basement Closure

The Bargain Basement will be closed on Monday, December 29th for the Holidays! Please no donations between December 23rd and January 1st. The Bargain Basement will re-open on their regular schedule starting January 5th. Thank you!

Montana Western Appoints Dr. Estee Aiken as Interim Provost

The University of Montana Western is pleased to announce that it has appointed Dr. Estee Aiken as Interim Provost and Vice Chancellor for Academic Affairs effective starting December 27, 2025, and would also like to express its sincere gratitude to Dr. Brian Elliott who has served as Interim Provost for the past seven months.

"I want to extend my sincere appreciation to Dr. Elliott for his dedication and steady leadership while serving in this role. His service has been invaluable to our campus community," said Montana Western Chancellor, Michael Reid.

Dr. Elliott earned his B.S. in Computer Science and English from Muskingum University and his M.A. and Ph.D. in English from Ohio University. His research and teaching interests include early American literature, British and Transatlantic Romanticism, satire, and mythology and folklore, and his current research explores the role of lying and deception in early American novels. At Montana Western, he teaches courses in graphic novels, American literature, fantasy and science fiction, and composition.

"Thank you to Chancellor Reid and the entire UMW community for the opportunity to serve our campus over the last several months. I hope that some of what I've been able to accomplish as Interim Provost has a lasting impact on the university for our faculty, staff, and students, now and in the future. In choosing to step back into my faculty role at this point, I can continue much of that work while also leaving the Provost position in Dr. Aiken's excellent care."

"I am also grateful to Dr. Aiken for her willingness to step into this role. She will serve as Interim Provost until our next permanent Provost is identified," said Reid.

Dr. Aiken earned a Bachelor of Arts in Music from Macalester College, in St. Paul, Minnesota, followed by a Master of Arts in Teaching Elementary School from Colorado College. She earned her Doctor of Education in Education Studies from the University of Northern Colorado.

Dr. Aiken currently serves as Montana Western's Dean of Strategic Initiatives overseeing the School of Outreach, the Office of Sponsored Programs, and university accreditation efforts. Before her role as Dean, she served as the Division Chair of Education at Montana Western, where she was a tenured professor. She has also been actively involved at the state level in roles including Montana Council of Deans of Education, Montana University System Teacher

Scholar 2022-23, past President of the Montana Association of Colleges for Teacher Education, and President of the Montana Association of Gifted and Talented Education. In her current role, Dr. Aiken is involved in many state-wide initiatives to address dual-enrollment efforts, workforce preparation, undergraduate research, policy development, and artificial intelligence. She is a founding and current board member of the Odyssey Early Learning Center. Additionally, Dr. Aiken has a wide variety of experience in grants authorship and project management and has published several peer reviewed publications.

"I am very excited for the opportunity to serve as UMW's Interim Provost. This is an important time for Western, as we finalize our next strategic plan and look to what the future may hold, and I'm honored to help to guide that work," said Aiken.

The University of Montana Western will undertake the permanent Provost search process once its next Chancellor is in place. The national search to identify UMW's next Chancellor, a key leader in advancing the university's distinctive educational mission and supporting students, faculty, staff, and the surrounding community has officially been launched. To learn more about the search—including the timeline, committee members, and the executive search firm assisting with the effort—please visit: https://www.umwestern.edu/chancellor-search/.

Veteran's Corner Update # 340

By Mike Lawson

The Marine Corps "Toys For Tots" Campaigns across the country are about over. Our Butte TFT Campaign that covers the Butte, Dillon, Ruby Valley, Whitehall and Harrison areas, should have been completed on Monday the 22nd and 23rd. It's been an incredible campaign with donations of toys and money being well above average, as well as children receiving gifts. The Toys For Tot's media advertising was exceptionally good across the country, so this probably touched people's hearts in their generous giving. It also was an encouragement for those parents in need to apply and receive gifts for their kids. Three of us traveled to Dillon and the Ruby Valley again on Saturday, delivering bags of toy/gifts to the children

in those areas. Les Schwab Tires is our point of contact in Dillon. We were greeted with the parent's cars lined up to receive toy bags for their kids. Many thanks to Paul and his crew at Les Schwab for being our TFT contact in Dillon. We then went to Twin Bridges to meet our TFT contact person, Jordan Pettigrew, who does a great job in the Ruby Valley. We dropped off bags of toys there and also picked up donated toys to bring back to the "Hooch". I have to relate that the day was cool, but blue sky afforded us beautiful views of the ranch and farm land. At one point, between Dillon and Twin Bridges, we could see 5 different mountain ranges with picture post- card views. This was a plus on this TFT journey.

That ugly and feared word "cancer" is something that we r people we know have experienced. For Veterans the VA has a whole array of treatments, both physically and mentally to address it. One of the most important things they have available is cancer screenings. These tests can identify if a person has cancer and needs treatment. Then the cancer can be cured or put into remission. It's important to talk to our Primary Health Care Giver and get a screening. My Dad died from colon cancer, so I am set up to get a colonoscopy every 3 years. It just makes good sense to get screened as a preventive medicine measure. Visit My HealthVet to learn more and/or get your health care team on board at the VA.

In a past column I mentioned health hazards of smoking. I know it's hard for many to quit. We who drive the DAV vans meet many Veterans who smoke and some are in very tough health. We really get to know these Veterans and think the world of them. One of these guys uses a CPAP with oxygen. He woke up in the middle of the night and lit a cigarette. The cigarette started the oxygen on fire which seared his nostrils, throat, lungs, burned his face and his hair. He spent some time in the hospital and is getting treatment for the burns on his head. He is lucky he's alive. Another Veteran we gave rides to earlier this year, did the same thing and it killed him. The point is, if you do smoke and are on oxygen, turn the oxygen off before you light up. Or better yet quit smoking. Enough said.

Beaverhead County Solid Waste Department is currently accepting applications for a Solid Waste Operator. This position is responsible and accountable for handling of solid waste for the entire county, which includes operating heavy equipment including compactors, graders, loaders, dozer, backhoe, dump trucks, etc.; servicing equipment, grading and compaction of solid waste, moving and replacing canisters, driving trucks and hauling equipment, handing solid waste, keeping work areas clean, maintaining reports and other duties as required. The position requires a High School diploma, Class A CDL, experience in operating heavy equipment, and mechanical capabilities. Wage depending on experience with an excellent benefit package following a 6 month probationary period. Contact Dana Basile at Beaverhead County Solid Waste Department at 406-683-3780 for more information.

A complete job description and application is available at the Beaverhead County Courthouse at 2 S Pacific Street or online at beaverheadcountymt.gov/human-resources/. Return a completed application to Becky Hankinson, 2 S Pacific St #1, Dillon, MT 59725 or email to finance@beaverheadcountymt.gov.

Closing date is December 31, 2025.
