William "Bill" Earl Blanchard, 75

William "Bill" Earl Blanchard, 75, of Lima, MT passed away on December 22, 2025, in the Denver Hospice Inpatient Care, of Denver, CO. Bill was born February10, 1950 to Vinol and Maria Blanchard, in French Camp, CA. From a young age Bill learned rewards of hard work. He would work long enough to learn a trade and then moved on to learn another. All the skills he learned took him to work on ranches in CA. In the mid 1980's he met the love of his life Michele Bisbikis, in Stockton, CA where she worked for Pacific Bell Phone Company. In 1986 the couple were married, and in 2003 they moved to Montana and fell in love with everything Montana. During their retirement Michele was well known for her painting and also as an accomplished seamstress. Bill loved hunting, fishing and trapping, and displayed his trophies throughout the couple's home.

In May of 2016, Michele passed away after 30 years of life with Bill. He continued to live in their home in Lima, MT until September of 2025 when he moved to CO to live with family.

Bill was preceded in death by both parents, his wife, and older brother Tony.

He is survived by his son Josh Blanchard of Denver, CO, brother Mark (Norma) Blanchard of Denver, CO, and a sister Ilona Blanchard, of Denver, CO. Also surviving is one grandchild Josiah Blanchard and many nieces, nephews and extended family.

A graveside service is scheduled for Monday, January 5th, 2025 at 11am at the Lima Cemetery, with a luncheon immediately following at the Lima Community Center. The family would like to extend an invitation to all Bill's friends to join them and share memories. Services are being managed by Affordable Funeral & Cremation Services. Memorials can be left at www.affordable-fcs.com.

To my precious brother, Billy. We lay you down to sleep now by your beloved Michelle. Forever and a day.

Elizabeth "Betsy" Johnston Schwegman

Betsy took a trip to California to visit a childhood friend. While in California, she decided to stay, rent an apartment, and get a job. It was the best decision of her life, because while living in California, she met the love of her life, Donald Ferdinand Schwegman.

Betsy and Don were married on May 2, 1959, in Drexel Hill. After their wedding, they headed out on Route 66 for Montana, a state where they both yearned to live. Their first home was a tiny rock house, in the middle of a field, on a ranch in Melrose, Montana, population 200. They welcomed their daughter Barbie in October 1960 and not long after, they moved to Dillon, Montana, and daughter Donna was born October 1962.

Betsy loved being a mother and made her daughters many adorable dresses, knitted them sweaters, helped them learn to play the piano, enrolled them in dancing lessons, and encouraged their participation in Girl Scouts. Betsy and Don also focused on church life and the family spent much beloved time with the members of Grace United Methodist Church in Dillon. For four years, Betsy taught art at Dillon Junior High. She then earned her primary education certification and for three years taught second grade at Parkview Elementary.

Betsy and Don relocated their family to northwestern Montana, in 1975. Betsy worked in the County Superintendent's Office, and Don taught junior high industrial arts. They had a very close bond and were each other's best friends.

In 1984, Betsy and Don decided to move to the four-state area and live the remainder of their lives in Neosho and Grove, Oklahoma. Betsy kept busy with church activities,

bible study, teaching young adult Sunday school, and joined a needlework group, just to name a few.

After the death of her soul mate in 2012, Betsy moved back to Neosho to be closer to her daughter Donna. She joined the YMCA Silver Sneakers exercise classes and enjoyed that immensely. The members of the group were all very special to her. Betsy lived near Freeman Neosho Hospital and loved to eat her lunch at the Flowerbox Café during the week. The employees of the hospital were so kind to her and she enjoyed the fellowship. It enriched her life!

Betsy is survived by her daughters, Barbie Townsell, Cave Spring, Georgia, and Donna Wells, Neosho. She is also survived by her older sister Mary DeMaris, McLean, Virginia, and stepson Jon Schwegman. Betsy was preceded in death by her beloved husband, Donald Schwegman, her parents, Stuart and Harriett Johnston, her older brothers, Dudley, Robert, Alan, and Malcolm, her wonderful son-in-law, Tommy Townsell, and her stepson, Mike Schwegman.

Betsy will be remembered for her kindness, her humor, her amazing talents, and her warmth.

Protecting Montanans from Bad Actors: State Auditor James Brown Delivers Restitution Checks to Montana Fraud Victims

Montana State Auditor and Commissioner of Securities and Insurance James Brown is sending restitution checks to qualifying Montanan citizens who were victims of securities-related fraud schemes. Montana is one of only 6 states that provides restitution assistance to victims of investment fraud. The money for the fund is paid by firms doing investment business in Montanans and by monies collected from those who have violated Montana's security laws. No general fund money is involved.

Brown announced that his office has already recently delivered over $100,000 in restitution to Montanans in 2025, thereby returning hard-earned investment dollars that were stolen by fraudsters. While fraud is on the rise in other states, especially places like Minnesota, Brown's office is committed to keeping bad actors from operating in the Treasure state by aggressively prosecuting those who would harm Montanans, particularly senior citizens and other vulnerable people.

"When fraudsters and bad actors harm Montanans, we aggressively investigate them, we fully prosecute them, and we ensure they take a one-way trip to Deer Lodge," said Auditor Brown. "The most rewarding parts of my job as State Auditor is locking up bad actors and helping Montanans rebuild their lives. There is no better time to do that than this holiday season."

Brown further set forth how Montanans can qualify for restitution assistance by visiting the CSI webpage at csimt.gov. While there, one can download and print a copy of the restitution assistance application. Brown encourages folks to read the application carefully and complete all four pages of the application. If there is a question or problem, Brown encourages Montanans to call the CSI Securities Division at 800.332.6148 or the main agency line at 406.444.2040.

Smith River float permit applications available from January 1 to February 15

Applications for a permit to float the Smith River will be available beginning on Thursday, Jan. 1, through Sunday, Feb. 15. The drawing for float permits will tentatively be held on Wednesday, Feb. 18.

The permits are issued each year through a lottery and are required to float the 59-mile section of river between Camp Baker and Eden Bridge. Parties of up to 15 people can float with one permit. A person applying for a Smith River permit must be a minimum of 12 years of age at the time they submit their permit application. There is no age restriction to participate on a Smith River float trip.

Applicants can apply for a Smith River float permit online through the Montana Fish, Wildlife & Parks Online Licenses Service, and pay a $15 nonrefundable permit application fee. Successful Smith River applicants will be notified via email shortly after the permit drawing is conducted on Feb. 18.

Links within the notification email to successful applicants will allow them to download and print their float permit, as well as access important and detailed information regarding their Smith River float.

Those who receive a float permit will be contacted by phone two days prior to their scheduled launch date to complete the registration process, which includes declaring boat camps and paying the appropriate float fees.

In addition to the permit drawing, the public may purchase as many $5 Super Permit chances as they wish. Montana State Parks issues one Super Permit each year through a separate lottery. The recipient of the Super Permit will be allowed to launch on any date of their choosing for that float season.

The opportunity to purchase chances for the Smith River Super Permit will be available until March 15. The Super Permit drawing will take place on March 16. Super permit chances may be purchased online through FWP's Online Licenses Service .

As a reminder, all float parties, private and commercial, will be required to pack out their human waste from the Smith River corridor, and floaters will need to pack portable toilet systems. Alternative waste disposal systems, including bag systems, such as Clean Waste and RESTOP2, will not be allowed. Floaters can clean and sanitize their portable toilet system with a SCAT (Sanitizing Containers with Alternative Technology) machine, which has been installed at the Eden Bridge take-out.
