Red Clinton

On December 30th, 2025, Red Clinton age 71 was called Home by her Savior Jesus Christ. She passed away peacefully with the sun shining warmly on her face and her husband of 54 years, John Clinton by her side at Barrett Hospital. She was deeply devoted to her family, her church, her faith and her Country.

Born February 5, 1954, Lynnis DiAnne Misner was the fourth child of five born to Lewis Donald Misner and Betty Joan (Dye) Misner in Tulsa Oklahoma. Lynnis' grandma Winnie introduced her to a handsome man named John Clinton, the son of Katheryn and J.I. Clinton, and once the two young kids began dating John gave Lynnis the nickname "Red" due to her long beautiful red hair. John and Red fell in love and were married June 25, 1971, at the First Assembly of God Church in Sand Springs, OK.

The last 13 years John and Red retired and lived in their home up Cave Gulch. It was their dream, and they made it happen. Sadly, disease has a wicked way of cutting our dreams short. Red was happiest at her home, and she was proud of it, but the isolation began to take its toll over the past few years when her beautiful mind began to fail her. She was diagnosed with dementia and although her body was still a perfect specimen of what a 71-year-old woman could be, and her heart remained forever young, her mind was becoming more of a shell of her former self. She struggled with memory problems, her personality began to change, and she became more withdrawn from the very people she loved the absolute most. It was very difficult for everyone that loved Red to see her declining in this way. So, on the sunny day of December 30, 2025, after her kids, grandkids, and devoted husband of 54 years said their goodbyes, Jesus came to bring the beautiful wife, mother, grandmother, sister, aunt, cousin and friend Home. She was ready, and we had to let her go.

Lynnis DiAnne (Misner) Clinton is preceded in death by her parents Lewis Donald and Betty Joan (Dye) Minser, of Tulsa, OK, her oldest brother Edward Ray Misner of Broken Bow, OK, Father-in-Law Jonathan Isaiah Clinton of Sand Springs, OK, Brother-in-Law John Elsworth Utter of Owasso, OK, Brother-in-Law Steven Dean Clinton of Mexico Beach, FL, Mother-in-Law Kathryn Collene (Moore/Clinton) Graves and Step Father-in-Law Floyd Euguene Graves both of

DOLLAR-FOR-DOLLAR STATE TAX CREDIT!

Rather see your tax dollars make a difference at Beaverhead County High School than sending them to the state? If so, please call BCHS at 683-2361 ext 113 to learn how you can make a donation to our school and earn state income tax credits. The credit applies to individuals, estates or trusts, corporations, partnerships and LLCs. This year we plan to use donations to contribute toward, in no particular order, one or more of the following priorities: replacing classroom floor tile, remodeling the Family and Consumer Science room, adding new bookshelves to the library, and/or replacing a boiler in the main school building. You can also find more information by clicking on the Innovative Educational Tax Credit link on our website: https://www.bchsmt.com/

Montana Western Presents Missoula Children's Theatre "The Secret Garden"

The University of Montana Western's Fine Arts Department and the Bank of Commerce Performing Arts Series are excited to welcome the Missoula Children's Theatre production of "The Secret Garden" on Saturday, January 31, 2025, in Beier Auditorium.

Missoula Children Theatres' The Secret Garden. January 2026 Mistress Mary Quite Contrary embarks on a journey from India to her uncle's home in England. Along the way she makes friends with the hilarious Canadian Geese and the colorful Giant Bugs that Rock! In time she learns to appreciate everything around her, including the Moor Animals and the helpful Fireflies. Add to that a good healthy dose of caring, and what happens? Colin, Martha, Archibald – well, the whole household – begin to enjoy the return of health and happiness in a garden carefully tended…until it blossoms once more.

Rated G, this fun and engaging performance is perfect for audiences of all ages and offers a delightful introduction to storytelling, music, and theater for children.

The Secret Garden will be performed in Montana Western's Beier Auditorium at 3:30 p.m. and 6:00 p.m. on Saturday, January 31.

Dillon Public Library upcoming presentation

January 24, 2026 Saturday at 11 a.m.
At the Dillon Public Library Open to the Public

How Schools and Communities can Support Families Experiencing Homelessness to Decrease the Risk of Abuse and Neglect. This workshop will focus on the US Department of Education's program that support students experiencing homelessness, and how school districts and the communities in which they are located can implement programs to help decrease the risk of abuse and neglect. We will discuss federal education laws such as the Every Student Succeeds Act and the McKinney-Vento Act, the requirements for all schools, and how implementing promising practices can support students and families and reduce abuse and neglect.

This will be the first program for the Strengthening Families, Safeguarding Futures: A Community-Based Approach to Preventing Child Abuse and Neglect presentations that will be going on throughout the year. (Grant received from the Montana Children's Trust Fund)

Heather Denny is a Montana educator certified as a secondary Social Studies teacher, K-12 School Counselor, and K-12 Administrator. She has a bachelor's degree in history and Secondary Teacher Certification from the University of Texas at El Paso. She also has two Master's degrees in Education, School Counseling and Administration, from Montana State University – Bozeman. Heather began her career in education as a classroom teacher in Texas, and then in Florida, before serving as the homeless liaison for Bozeman Public schools. In 2011, Heather joined the Montana Office of Public Instruction where she provided support to school districts across the state as a Title I, Part A Specialist, and as the State Coordinator for both Homeless Education and the Title I, Part D – Neglected, Delinquent, and At-Risk Programs. In 2021, Heather broadened her focus by joining the US Department of Education (USED) to support the American Rescue Plan – Homeless Children and Youth Program. She is currently a program officer at USED with the Title I, Part D program where she bring her decade of experience in Montana to her continued work supporting at-risk students.

The Dillon Public Library would like to thank Heather, as a local Montana expert, for volunteering to provide this information on her own time."
