Chuck Heller

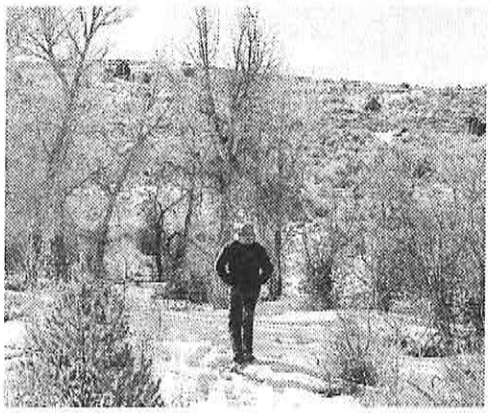
1958-2026

A Dillon Memorial.

Dillon was Chuck's last *land of gold.*

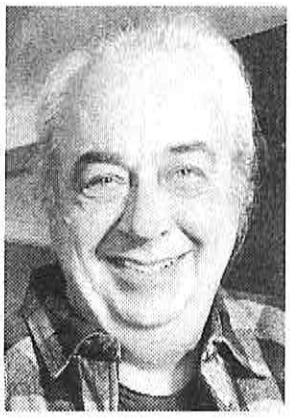
You saw him bicycling up the Blacktail and swimming laps in the Y. He found joy at many a campsite near the water: Clark Canyon, Twin Lakes, Reservoir Lake, Minor Lake to name but a few. He hiked the High Trails, Mt Baldy and loved to visit Bannack. He explored many places he fondly named: Mount Pointy, the Valley of the Bear, and Middle of Nowhere. Nothing brought Chuck joy like these adventures. Equipped with a cup of tea, a cookie or sandwich in good company, it was hard to keep up with him!

Everyone shared in Chuck's love of baking. One could always find him perfecting and tinkering with his recipes; we enjoyed his breads and sweet treats with a story and a listening ear. And while these adventures brought him far from his roots - in warmer climes - with his cookies and the friends he made along the way, he was always home. And, in the words of Robert W. Service, *He was always cold, but the land of gold seemed to hold him like a spell.*



Daniel James Rose

1970 – 1926



Daniel J. Rose, 'Dan', passed away unexpectedly on January 19, 2026 at the Ruby Valley Medical Center. He is likely recognizable as one of the local Fed Ex drivers, but more recently as one of the Madison County Shuttle drivers.

Dan was born and raised in Portland, OR, '…before it got weird', he would say. There he was part of an offroad club and excelled at BMX racing; he had the scars, and calves, to prove it. Dan earned his Associates Degree and had a successful career as a land surveyor. Later, during the recession, Dan had to pivot so turned his RV into his home office and traveled the country, bouncing from one junk yard to the next. He turned his love for classic trucks into a living, pulling then selling

parts. By 2016 Dan grew weary of the road and his home near Sacramento, CA. He and his first wife divorced and Dan came to Montana, a place he loved and visited regularly to be with family and go fishing.

Dan landed in Butte to be near his mother, Jeannette (Lynch) Rose, and met Kate Joki who had returned to Butte to be near her mother as well. Ten months later the two were engaged and took over his mother/grandmother's home near Alder.

Dan Rose was an intelligent man who had an interest in everything from quantum physics to photography and astronomy to carpentry. He taught himself the skills needed to maintain and repair his aged home. He single handedly remodeled a 1930s cabin, rebuilt engines and much, much more. There seemed to be nothing a Youtube video and a little time couldn't fix with Dan in charge.

Dan Rose was a fiercely loyal and kind man who did not hesitate to stand up for a stranger or brag about his childhood friends he still spoke to regularly. He enjoyed helping people and going that extra little step to make someone smile. He loved animals and they loved him back. He loved to cook, laugh and enjoy a cigar while tinkering in his garage. Dan loved the Ruby Valley like no place else on earth and fishing was an innate part of who he was. That and 'dad jokes'. Oh so many 'dad jokes'.

Dan is survived by his wife, Kate Joki Rose, his sister and brother-in-law Tanya (Rose) and Brian Curtis, their children Lindsey, Zachariah (Adara), and Abigail Curtis. He is also survived by his mother Jeannette Lynch Rose, aunt Dianne Phelps of Centralia, WA, uncle Greg Sandidge of Eagle Creek, OR., aunt Patti Sandidge of Belgrade, and multiple cousins. Dan is preceded in death by his father James Rose, grandmother Dorothy Sandidge, and uncles Doug, George, and Earl Sandidge, also of Madison County. A Memorial service for Dan will be held Friday, February 13th at 2pm at the Elling House in Virginia City, MT.

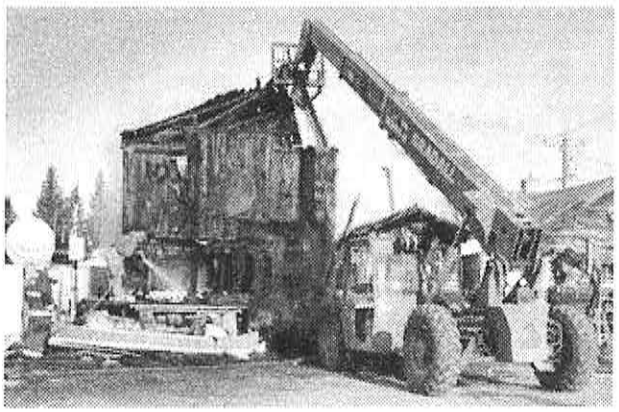
Early Morning Lima House Fire Leaves One Occupant with Minor Injuries

Jeremy Crawford, Southwestern Montana News

In the early morning hours of January 31, 2026, Lima Fire / Ambulance and the Beaverhead County Sheriff's Office were dispatched to a reported structure fire on Peat Street in Lima.

Upon arrival, responders confirmed that the sole occupant of the home had safely exited the residence and sustained minor injuries.

Fire crews were able to mostly contain the blaze; however, suppression efforts were complicated by the home having four layers of roofing, with fire burning between the layers. A local contractor assisted by bringing a telehandler to the scene, allowing firefighters to lift and separate the roofing layers so water could be applied directly to the concealed fire.



Crews remained on scene for several hours to fully extinguish hot spots before clearing the incident.
