Jason Lee Pursel, 53

March 15, 1972 — January 24, 2026

Jason Lee Pursel, passed away due to complications of an asthma attack on January 24, 2025 in Dillon, MT.

Jason was born in Quakertown PA on March 15, 1972 to David "Butch" and Janet Pursel. He was the eldest of three boys and took pride in being a big brother to Wyatt, and Davie. Jason shared his childhood years with his beloved cousin whom he considered a brother, Barret Pursel. Jason would often tell stories of the mischief he & Barrett got themselves into (and our of!) and cherished these memories all of his life

Jason graduated from Upper Perkiomen High School in Pennsburg, PA in 1990 & set out to conquer the world. Jason had lived so much in his short time here on Earth. Jason built, owned and operated an indoor rock climbing gym in Pennsburg, PA - The climbing gym was one of Jason's greatest accomplishments -Jason was proud to share his passion for rock limbing by teaching others and providing a space for people to grow and challenge themselves. Jason loved to rock climb, and do anything that connected him to nature. He never wasted a day sitting idle. He was always out hiking, rock hounding, exploring, floating a river, or knapping arrowheads by a creek. Jason was a skilled carpenter, who could problem solve & build anything. Jason loved music and had a deep admiration for Ronnie Van Zant & Lynyrd Skynrd He was an accomplished guitarist and brought his guitar with him everywhere he went Jason LOVED the Philadelphia Eagles, he never missed a game, GO BIRDS!

Jason's love for adventure eventually brought him out West. First to California, then to Ashland OR, eventually settling in Bozeman, MT. In 2015 Jason came to Dillon, MT for work where he met Kasha Kidrick. Soon after, he packed everything he owned into his truck and made the move from Bozeman to Dillon where he spent his last 10 years making memories and providing Kasha with unconditional, true love.

Jason was not a man of many words, BUT he was absolutely a man of his word. Jason lived his life to the fullest measure. His loyalty, kindness, and love radiated in his spirit every single day Jason's tragic departure from this world has left a hole in the hearts of those who loved him and were lucky enough to be loved by him. Jason had to have been an angel all along, here to share his light and spirit and set an example of how to be a genuine, kind person. His life and spirit will never fade & we will carry him with us until we meet again.

Jason is survived by his partner and best friend, Kasha Kidrick of Dillon, MT. Parents, Butch & Janet Pursel of PA,

FWP seeking information on moose killed near Bozeman

Game wardens with Montana Fish, Wildlife & Parks are seeking information on a bull moose that was shot and killed along Middle Cottonwood Trail near Bozeman.

FWP received a report on Jan. 28 of the dead moose about 2 miles up the trail. FWP staff found the moose carcass intact, though its antlers had shed naturally, with a single fatal bullet wound. Middle Cottonwood Trail is on the west side of the Bridger Range, just north of Bozeman.

Anyone with possible information about this incident is encouraged to visit tipmont.mt.gov to provide details. You may be eligible for a reward of up to $1,000.

Council Feb. 4, 2026

BY: MJ

NOTICE: *It appears Major McGinley has stepped out of the mayor's position. At the Feb. 4, 2026 council meeting the Mayor stood up and said; "I resign. I can't take anymore" and walked out of the meeting.* Mr. Russell Schwandt, the council president will be the acting mayor in the interim. The council will appoint someone to fill the vacancy until next election.

It appears the mayor has not been keeping the council informed of essential, and crucial information that the council, elected by tax payers needs to know.

The city is involved in half (1/2) ± million-dollar law suits requiring transparency between mayor and council. Mr. Swenson and Mr. Wendland spoke of their opinions on what city should be doing with road in the sub-division. ***Note:*** *It appears once again the public did not hear the city's side of issue because there was no posting on the agenda.*

City was notified via a letter from the Montana Department of Administration outlining many discrepancies in the record keeping department. Audit reports not being able to be completed because of lack of information. It appears the clerk works in the city office three (3) days a week then works at home two (2) days a week. Why? Do wages need to be addressed, do more people need to be hired… **Question:** If kept abreast of the problem could the council of helped find a solution that would allow the clerk to work at city office?

Question: Why is so much information being kept from council? How much money can the city lose until they raise taxes?

Terminus Distilling Company Updates

Katrina & Derek Lewis

Building

The Tasting Room is fully painted! The final color choice – 'Harvest Bronze' – brings a warmth to the exposed beams and large wooden door. Thanks to those who provided color advice and/or time with a brush/roller. Next, Derek will lay the floor with old growth fir tongue-and-groove floorboards that he salvaged from the building. Then, he'll install the door-and-window trim that Katrina is staining and finishing.

Derek has been framing and building out the mechanical room as well as helping run the utilities for both the Tasting Room and the production space. With the help of various contractors, he has roughed in for heat, run electric for lights and outlets, and is just about ready to tie into the water main.

Business / Community

On Tuesday mornings, Katrina attends the Good Food Network meetings at The Village. The GFN is dedicated to ensuring all residents have access to fresh, nutritious, and affordable food. Their mission reads: "Through strong partnerships, community-driven solutions, and sustainable initiatives, we work to reduce food insecurity, support local farmers, and foster a thriving, food-resilient community." Katrina hopes that Terminus can support various local producers and growers, including ingredients for our spirits (grains for whiskies and other spirits, fruit for brandies, botanicals for gin) and connecting cocktails and mocktails with Harvest of the Month.

As some of you know, Derek volunteers for the Dillon Amateur Hockey Association (DAHA) and helps maintain the Dillon Ice Rink. While this year has been disappointingly warm, we're still hopeful the Dillon Rink Day will be held in February. Keep an eye on social media for updates.

A University of Montana Western Public History class came for a tour of the building this month. John Henris and his group were also joined by Candi and Chris from the Beaverhead County Museum - we all looked the outside of the building and clues to both its origin and renovations, learned about the archeology and architecture of the original townsite block, and looked at artifacts from each of the building's eras that Derek has found over the last four years.

As we work towards opening, we're improving our website. This includes adding an online store. For a soft launch, Katrina is moving her shrub sales online – see more below.

Distillery

What strange weather for seasonal cocktails. While this is often a time for hot toddy's, negronis, or boulevardiers, our temperatures have us also reaching for a Jack Rose, ginger beer with a splash of vodka, or a shrub cocktail.

Speaking of shrubs, Katrina has been hard at work setting up the soft launch of our online store. Used for cocktails or mocktails, her current shrub inventory is grapefruit thyme, rhubarb ginger, Thai mango, mixed berry, and strawberry & roasted jalapeno. Check out our website terminusdistillingcompany.com for pickup orders. For those of you who have bought a Terminus Distilling Company 16oz glass yowler (like breweries have growlers – this is just smaller), a shrub fill is $10. If you need a yowler, they're $5 each. When we're fully open, these yowlers can also be filled with ginger beer or bloody mary mix. With our suggested 1.5oz shrub pours, a yowler fill makes about 10 drinks.

We're tinkering with our vodka recipe and having some interesting results with oats as the base grain. The experimental batches have a smooth mouthfeel and lightly nutty nose.

Bicentennial Inc. Sponsors Monthly Meal at Senior Center

Bicentennial Inc. is proud to announce its sponsorship of the senior meal held on the last Wednesday of every month at the local Senior Center, reinforcing the organization's ongoing commitment to supporting older adults in Beaverhead County and the Ruby Valley in Madison County.

The monthly meal provides seniors with an opportunity to enjoy a nutritious meal while connecting with friends and neighbors in a welcoming, supportive environment. Through this sponsorship, Bicentennial Inc. aims to help reduce food insecurity, encourage social connection, and promote overall well-being among area seniors.

This initiative directly reflects the organization's mission: "The mission statement of the Bicentennial Corporation is to provide support for services that will enhance and improve the lives of senior citizens in Beaverhead County and Ruby Valley in Madison County." "We are honored to support a program that brings people together and makes a meaningful difference in the daily lives of our senior community members," said Fred Morganthaler, Vice President of BiCentennial Inc. "These meals are about more than food—they're about dignity, connection, and care."

Seniors are encouraged to attend the monthly meal and take part in this ongoing tradition of fellowship and support.
