U.S. Forest Service hosts hearing on a three-forest unit to support local economies, timber industry

The Forest Service announced a public hearing in Helena on April 1, 2026, for a proposal on portions of the Beaverhead-Deerlodge, Custer Gallatin and Helena-Lewis and Clark national forests forming a sustained yield unit. Operating this unit will help ensure continuous, predictable supply of timber and forest products to support the local mills and economy.

Local wood processing infrastructure supports the Forest Service ability to actively manage the land, creating healthy forests and reducing the risk of wildfire to surrounding communities. The sustained yield unit provides longer-term stability for the forest industry, allowing for investment and modernization, which supports the local economy and provides employment opportunities.

In the initial 10-year period, the Montana Tri-Forest Federal Sustained-Yield Unit intends to offer 350 million board feet of timber providing stability and aligning with Executive Order 14225, Immediate Expansion of American Timber Production.

The public hearing will be held at the Delta Hotels Helena Colonial on April 1 from 5-7 p.m. MT. More information about the public hearing may be found on the proposal website. The purpose of the hearing is to inform the affected communities of the proposal and provide an opportunity for the public to provide input.

Persons or organizations wishing to provide oral testimony at the public hearing must pre-register by 11:59 p.m. MT on Mar. 31, 2026, and may only register for one speaking slot.

Written testimony may be submitted through April 10, 2026, by email to SM.TriForestSYU@usda.gov or via postal mail (postmarked) to Helena-Lewis and Clark National Forest, c/o Sharon Scott, 2880 Skyway Drive, Helena, MT 59602. Visit the website to learn more.

CLARIFICATION

Michael Piper would like to clarify that he did put in his resume for Mayor. He stated "I did not attend the special meeting because I was not notified of it."

Terminus Distilling Company Updates*Katrina & Derek Lewis***Building**

This short month has moved quickly. With the tasting room painted, Katrina turned her attention to staining and finishing the trim that will go around the doors and windows. Derek installed baseboard heat, then focused on two other key spaces: the mechanical room and the employee bathroom. Both need to be functional for our opening.

Next up is bar design – we've been busy pinning down the details and taking final measurements.

Distillery

As we prepare to serve delicious non-alcoholic drinks alongside our spirited ones, we are expanding our recipe ingredients. You've heard of a Shirley Temple, but did you know that grenadine is made out of pomegranate syrup? Katrina has some taste tests out in the community right now comparing two different pomegranate syrups - the winner will be added to mocktails, ginger beer, and cocktails.

BCHS Beavers Sweep

Western A Divisional Basketball in Hamilton

Friday night the Dillon boys varsity basketball won over their conference rivals the Frenchtown Broncs 55-41. The first half of the game was close with neither team making baskets and both having strong defense.

The third and fourth quarters each had the Beavers hitting more shots and widening the lead to take the victory.

The Lady Beavers took a quick 37-13 half time lead in the semifinal play Friday night and handily rolled over Whitefish 63 to 29 to advance to the championship game Saturday.

The Beavers scoring was led by Landri Hartman with 25 points and Tess Tash had two threes to bring her total to 16.

SATURDAY NIGHT CHAMPIONS

The Dillon basketball teams dominate the Western A Division to advance to the State Tournament March 12-14 in Great Falls.

Both the boys and girls for BCHS will go to state as the No. 1 seeds.

The Dillon Beavers were in a fast paced game against the Ronan Chiefs Saturday night coming out on top of the score 59-45. The game stayed close in the first half but saw the Beavers come out in the third quarter with a run to give them an 11 point lead of 47-36.

Turnovers and soft defense allowed the Chiefs to creep back a little closer. Defense stepped up and with just under a minute to go the score board showed 56-45 Beaver lead. Seniors had a good game with Braxtyn Turney and Cohen Hartman adding 31 points between them.

Beavers bring in the players from the bench to finish the last of the game and they held onto the lead to get the victory.

The championship game for the girls had them playing against the Frenchtown Broncs. Beavers make the first basket of the game and continue with a full team effort thought out the game.

The first quarter the Beavers start with some foul trouble and

had turnovers due to the half court press the Broncos put on them. Tess Tash who is one of our lead scorers, in many games, got into foul trouble before we reached the first three minutes of the game. We had several unnecessary fouls just before half time but went to the break with a 26-19 lead.

The rough play on the court continued causing foul trouble for both teams in the third quarter. The Beavers started the fourth quarter with a 47-35 lead.

The Broncos had it under their basket and took multiple shots, multiple times getting the rebounds and taking more shots that didn't find the net. The Beavers had a total of 3 points for the 4th quarter, however the Broncos ended with not adding anything to the score board. The Beavers put the bench in for the last 40 seconds to finish the 50-35 championship win.

Secretary Christi Jacobsen says Montana entrepreneurs powered a record February

Montana Secretary of State Christi Jacobsen announced that more than 6,000 new businesses registered with the Secretary of State's Office in February, setting a new record for the month and continuing the state's strong trend of business growth.

"These numbers show that Montana's entrepreneurs are powering our economy," said Secretary Jacobsen. "Each new business represents a Montanan taking a risk, creating jobs, and investing in their community. I'm incredibly proud of their work and grateful they are choosing to do business here in the Treasure State."
