Sally Ann McDonald

December 13, 1969 — March 10, 2026

Sally was born on December 13, 1969. She passed away at age 56 on March 10, 2026. Sally and her twin sister, Susy were born prematurely at Overlake Hospital in Bellevue, Washington to Janice and Jerry Meier. They were tiny little babies and were not released from the hospital right away. Their three sisters anxiously waited for the twins to join them at their home in Kirkland, Washington. Susy came home on Christmas Eve and Sally came home in January 1970.

Sally graduated from Forest Grove High School in Oregon in 1988. She impressively landed her very first job as a meat packer. Throughout her career in the grocery industry, Sally worked as both a meat packer or baker: wherever a position may present itself. She was an extremely hard worker with the hustle and confidence to master two skill sets. Sally baked and decorated an absolutely stunning four-tier wedding cake for her twin sister Susy and Matt's wedding.

Sally was preceded in death by her mother, Janice James. She is survived by her Daughter: Holly McDonald and Holly's Dad: Robert Holt. They called the Big Hole Valley in Montana home the last fifteen years after traveling around the PNW a bit including a stint in Japan. Sally will be missed by her Dad: Jerry Meier, Stepmom: Pat Steinfeld, Sisters & Brother-in-laws: Shelley & Roger Marley, Cheryl & Ken Seaton, Kris & Rodney Brown, & Susy & Matt Michel, Nieces & Nephews: Kassie, Travis, Angela, Morgan, Caitlin, Luke, Ashby, Sam & Lilly, Stepsons: Bobby, Mac, & Johnny, Uncle Denny, Aunt Laurie & Cousins, Heather & Melissa & Families.

Sally enjoyed four-wheeling on her quad with her dogs trailing closely behind, collecting rocks, sunbathing and looking for Bigfoot. She loved her dogs Dum Dum, Papa, Bullet and Heidi to name a few. We called her Silly Sally because she would just come up with the most random observations and make us all laugh. When she was younger, she did cartwheels nearly everywhere she went and treasured her time on the school gymnastics team with Kris and Susy as teammates and Shelley was the Assistant Coach. Sally was wiry and tough as nails, protective of her family to the core nicknamed Wonder Woman by Uncle Larry. Sally's steadfast family love and devotion will always be deeply cherished. She was truly a diamond in the rough. Rest in peace sweet angelic, Sally.

A Celebration of Life memorial service will be held at Brundage Funeral Home, 300 S. Atlantic in Dillon, Montana on March 27, 2026 at 1pm. Please join us in remembering Sally and sharing stories.

QUILLING OR PAPER FILIGREE

Cheryl Power is the newest artist showing work at the Tendoy Fine Art Gallery. Power uses quilling or paper filigree techniques to create her works. Quilling is done using fine ribbons of paper that are rolled, shaped and glued together to create decorative designs. Motifs in Power's work include birds, wildlife and flowers. She also makes greeting cards that feature quilling. Her work is on display at the gallery Tuesday through Friday between 11 a.m. and 4:00 pm.

MYCA & UMW to Host Educator Airlift Event on March 25

The Montana Youth Challenge Academy, in partnership with the Montana National Guard 1-189th (General Support Aviation Battalion) and the University of Montana Western, will host a statewide Educator Airlift on Wednesday, March 25, 2026.

This unique event brings together high school administrators, counselors, and staff from across Montana to experience the MYCA program firsthand. Attendees will gain insight into the Youth Challenge model of development, explore student success and graduation pathways, and learn more about UMW's Experience One program. Meanwhile, National Guard crews will complete essential aviation training.

Participants will fly in from areas across the state, including Kalispell, Missoula, Great Falls, Helena, Billings, and Bozeman. The event is designed to strengthen connections and awareness and help MYCA better serve Montana's youth.

As part of the day's activities, military helicopters are scheduled to land around noon on the south end of campus in the tailgating/parking area.

This will be an exciting opportunity to see aircraft land on campus, but it also requires some important safety measures:

- The south tailgating/parking lot and the adjacent parking lot near the BARC will be closed during the event.
- These areas must remain clear to provide safe landing space and to account for rotor wash from the helicopters as they land and take off throughout the afternoon.
- To ensure public safety, it is critical that all observers stay clear of these areas on March 25.

We appreciate your cooperation in keeping these spaces clear and safe for this special event. For more information, please contact the Montana Youth Challenge Academy at 406-960-4424.

Beaverhead County Sheriff's Office to Receive New K9 Vehicles Through Grant Funding

Jeremy Crawford, Southwestern Montana News

The Beaverhead County Sheriff's Office will soon add two new Chevrolet Tahoe patrol vehicles to its fleet, thanks to grant funding made possible in part by U.S. Representative Ryan Zinke. The funding is part of a $1 million allocation distributed across Montana to support law enforcement agencies.

According to Sheriff Wendt, the grant will specifically fund the purchase of two Tahoe units that will be fully equipped for use by the department's K9 program.

The Sheriff's Office launched its K9 unit just a few years ago, and since then, the dogs have become a valuable asset in assisting deputies with a variety of law enforcement operations. Officials say the addition of these new, properly outfitted vehicles will further strengthen the program and enhance public safety efforts throughout Beaverhead County.

White Hat Coalition ribbon update

The White Hat Coalition is currently looking for the names and current rank of our military members from Beaverhead county. Founder Stan Smith stated, "we are refreshing all of the wooden yellow ribbons with new paint and lettering as well as updating ranks of those serving. We need name and rank of any serving currently on our list and collecting new names with their rank to place around downtown." Please send all updates by messenger to Stan Smith or the Beaverhead White Hat Coalition Facebook or drop by the Big Sky Cinema or 3D Store by March 30th for inclusion.

Weekly Good Food Network Garden Notes

Upscaling Household Items for Garden Planting and Seed Starting

Upscaling household items into gardening tools is a simple, sustainable way to save money and reduce waste. By repurposing everyday objects, you can create effective containers for seed starting and planting with minimal cost.

Easy Items to Repurpose

- Food containers (yogurt cups, takeout tubs): Great for starting seeds—just add drainage holes.
- Egg cartons: Perfect for small seedlings; biodegradable and plantable.
- Cardboard tubes (toilet paper/paper towels): Ideal for deep-rooted plants like beans.
- Glass jars & cans: Work well for herbs; add pebbles if drainage is limited.
- Milk jugs & bottles: Can be turned into mini greenhouses or watering tools.
- Newspaper pots: Eco-friendly and plant directly into soil.
- Colanders: Ready-made drainage makes them unique planters. Turn a broken dresser drawer into a raised bed.
- Use old mugs or teacups for succulent displays.
- Repurpose shoe organizers as vertical gardens.
- Convert pallets into herb walls.

Key Tips

- Always ensure proper drainage
- Avoid containers that held chemicals
- Match container size to plant needs
- Monitor plastics for sun damage

Why It Matters

Upscaling supports sustainability by reducing waste and lowering gardening costs. It also makes gardening more accessible and encourages creative reuse.

With a little imagination, common household items can become practical, eco-friendly gardening tools.

Veteran's Corner Update #352

By Mike Lawson

Veteran News Updates:

• Many of us Viet Nam Veterans were part of the Veteran organization "Trip Wire" that was incorporated/registered on October 15, 1984 and dissolved on February 11, 1999. Even though it was only active for 15 years, it brought Vietnam Veterans together for a common purpose of friendship and healing. Having been mistreated and looked down upon from so many American citizens, when we came home from combat, Tripwire was a healing we needed. We came together and talked, cried, laughed, and together we wanted to do something for the community of Butte. We reached out to the news media, city/county officials to get permission to build an Amphitheater at Stodden Park as a memorial to the Vietnam Veterans. This was for the community and Veterans to use for events like ceremonies, concerts, etc.. In 1985 the Vietnam Veterans were named the "Grand Marshall's" of the famous Butte 4th of July Parade. We had built a beautiful Purple Heart float designed by Vietnam Veteran Artist Mike Kujawa. We marched in that parade and the folks along the parade route acknowledged us with respect and clapping. We took our float to the Amphitheater building site at Stodden Park and parked it. We than started to build the memorial. We did a lot of fundraisers and received generous donations to pay for all the materials. Once completed it has been used for many Veteran and Community events and maintained by Butte Silver Bow. All the Veteran War memorials, around Butte, have been moved into this corner of the park and the new Korean Memorial was built there also. This area is referred to by many as the Veteran's Corner. When a grant was received by the Denny Washington Corporation to rebuild Stodden Park, this Vietnam Amphitheater was renovated, brought up to code and is beautiful. Many of those Veterans who were involved have passed away and those of us who are left have grown older.

• Depression is a serious condition among some Veterans and can cause serious mental conditions that can lead to suicide. The VA now has a great treatment option that is getting positive results. It's called Esketamine and is well worth checking out. See your primary health provider and ask about it.

Now Hiring: Patient Access Specialist at Blacktail Health

Are you someone who loves helping others and thrives in a fast paced, people focused environment? Do you enjoy being the friendly face (or voice) that makes someone's day a little easier? If so, you might be the perfect fit for our Blacktail Health Patient Access Specialist role!

As a Patient Access Specialist, you'll be the first point of contact for our patients—providing exceptional service while ensuring every visit starts smoothly. You will:

- Greet and register patients with warmth and professionalism
- Verify insurance and assist with general questions
- Schedule appointments and coordinate services
- Support patients through the check in/out process
- Work closely with clinical teams to keep care seamless and efficient

We'd love to meet you if you:

- Have excellent communication and customer service skills
- Are detail oriented and tech savvy
- Can multitask and stay organized under pressure
- Bring empathy, patience, and professionalism to every interaction
- Enjoy working as part of a supportive, mission-driven team

What We Offer

- Competitive pay
- Comprehensive benefits
- Opportunities for growth and advancement
- A collaborative, values driven workplace
- The chance to truly impact patient experiences every day

The Beaverhead Animal Shelter, a nonprofit entity, is searching for an Executive Director to lead the shelter in Dillon, Montana.

The Executive Director serves as the chief executive officer of the organization and is accountable for the overall leadership, management, and strategic direction of the shelter in alignment with policies established by the Board of Directors.

The Executive Director ensures operational excellence in animal care and services, financial stewardship, organizational sustainability, and community impact. This role is ultimately accountable for mission fulfillment as a no-kill shelter, fiscal health, fundraising success, staff leadership, and public representation of the organization. The Executive Director reports and is accountable to the Board of Directors.

Qualifications:

- Associate's degree or equivalent work experience and at least three (3) years of management experience.
- Demonstrated experience in leadership, preferably in a non-profit and/or animal welfare.
- Experience in budgeting, financial oversight, and organizational planning.
- Proven fundraising experience.
- Strong interpersonal, communication, and conflict-resolution skills.
- Demonstrated experience supervising staff, managing performance and addressing employee conflict.
- Proven ability to build and maintain a healthy workplace culture.
- Strong emotional intelligence and interpersonal leadership skills.
- Ability to relocate or live in the Dillon area is a requirement.

Starting annual salary for this position is $50,000.
