Attorney General Knudsen's statement on City of Helena rescinding immigration resolution

Attorney General Austin Knudsen released the following statement regarding the Helena City Commission rescinding its immigration resolution.

"The commissioners made the right decision voting to keep the Helena community safe. This resolution should never have been passed in the first place. My office will continue to hold any jurisdictions in violation of Montana's sanctuary city prohibition accountable."

In February, Attorney General Knudsen and Governor Greg Gianforte announced the Montana Department of Justice was launching an investigation into the City of Helena over its resolution that was in potential violation of Montana's sanctuary city ban.

FINAL REMINDER: Application Deadline for Deer and Elk Permits, Nonresident Combination Licenses is April 1.

Don't wait to apply for deer and elk permits. The application deadline is April 1, 11:45 PM MST. Hunters can buy licenses and apply for permits on the FWP website; click on "Buy and Apply."

Montana Fish, Wildlife & Parks offers several tools to help hunters navigate the application process. The application process is different for residents and nonresidents, but FWP has created instructional videos to help with both kinds of customers.

Hunters and anglers can also take advantage of the MyFWP mobile app. The app holds and displays licenses, permits and E-Tags, which can be downloaded and used in the field without cell service. To create a MyFWP account, visit the MyFWP login page.

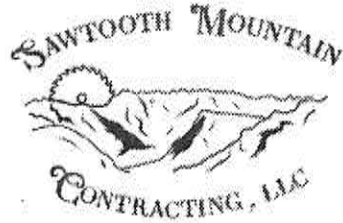

FWP also has convenient resources for understanding bonus points and how they work.

Applicants have the option to reapply for the same offerings as last year with just a simple click, eliminating the need to search through previous applications.

Most FWP offices will be open from 8 a.m. to 5 p.m., Monday through Friday. The licensing call center will be open from 7 a.m. to 7 p.m. through April 1; after April 1, the hours will return to 8 a.m. to 5 p.m. The call center can be reached at 406-444-2950.

Montana Highway Patrol alerts Montanans of text scams

The Montana Highway Patrol (MHP) is warning Montanans of fraudulent text message scams claiming a final notice for a traffic violation. MHP will never request payment or alert you of a suspended driver license by phone or text message.

To pressure recipients into providing their personal information and/or money, scammers are sending urgent text messages with fake payment deadlines and, in some cases, threatening increased fees, license suspension or revocation, as well as fines or collection activities. To stay vigilant, be on the lookout for texts that originate from a phone number outside the United States and claim to be from a department with an incorrect and unofficial name.

Keep these tips in mind:

- **Verify Sources:** The official Montana Highway Patrol does not request payments via text links.
- **Avoid Links:** Do not click or copy links from unknown texts; report them instead.
- **Recognize Red Flags:** Watch for poor grammar, unfamiliar numbers (e.g., +63 country code), or threats of immediate action.
- **Report Suspicious Messages:** Forward scams to your local law enforcement or the Montana Office of Consumer Protection.

Montanans can report any phone, email, or mail scams to the Montana Department of Justice's Office of Consumer Protection at contactocp@mt.gov, or 406-444-4500 (toll-free: 800-481-6896), or online at <https://dojmt.gov/office-of-consumer-protection/>.
