Are you a member of a service club or nonprofit organization in Beaverhead County?

If so, we would like your input!

You're invited to participate in a focus group conducted for Beaverhead County Public Health and Barrett Hospital & Healthcare to evaluate community perception of local healthcare services and to identify important health issues. Your comments will help determine the awareness of local programs and services, as well as satisfaction or dissatisfaction with local services, providers, and facilities.

Whether you have used local providers or not, this is your opportunity to give us your ideas to help guide us in planning responsive and high-quality local healthcare services in the future, and to understand where the gaps are in health services.

Your identity will not be in the focus group report, and your individual responses will be kept confidential. The questions and discussion at the focus group will be led by staff of the Montana Office of Rural Health, which is assisting in this project.

We invite you to participate in the following focus group:

Casting call for background extras on "The Last Big Sky"

The Last Big Sky is a powerful psychological drama that follows a mother whose deep assimilated Nigerian faith is tested when she travels to a familiar, yet unfamiliar Montana hospital to confront the impossible task of taking her star-athelete son, Jason, off life support after a tragic injury on the football field. It follows her final act of maternal love and the quiet devotion required to survive the unimaginable.

The film will be shot on location throughout Dillon April 23, 24, 25 and 26 and the production will need background extras. Local film maker, Stan Smith and Nnamdi Kanaga, a Nigerian writer, director, now living in Montana, are working to bring this emotional story to the screen.

Stan is casting background extras to appear in a football game, hospital and cafe scenes. If you have a free day or an afternoon and would enjoy seeing how a film production comes together contact Stan on facebook messenger with questions and interest. No acting or film experience needed. Join us in telling this story based on true events to the screen.

Montana Western and Bank of Commerce Performing Art Series Present "The Play That Goes Wrong"

The University of Montana Western's Theatre Program and the Bank of Commerce Performing Arts Series are excited to present "The Play That Goes Wrong" from April 16 to May 2 in UMW's Beier Auditorium.

After benefitting from a large and sudden inheritance, the inept and accident-prone Cornley Polytechnic Drama Society embark on producing an ambitious 1920s murder mystery. They are delighted that neither casting issues nor technical hitches currently stand in their way. However, hilarious disaster ensues and the cast start to crack under the pressure, but can they get the production back on track before the final curtain falls?

The Play That Goes Wrong is a farcical murder mystery, a play within a play, conceived and performed by award-winning company Theatre Mischief. It was first published as a one-act play and is published in this new edition as a two-act play.

Written by Henry Lewis, Jonathan Sayer, and Henry Shields, and directed by Stephen Alan Seder, the production is rated PG. It is family-friendly overall but may include mild themes, language, or moments that parents may wish to consider.

Performances will be held at 7:30 p.m. every Thursday, Friday, and Saturday from April 16 to May 2 in UMW's Beier Auditorium.

To purchase tickets, please visit the BOC Performing Arts Series Box Office webpage. Admission is $16 for general seating, $12 for seniors (65+), youth (18 & under), and military, $10 for UMW faculty/staff, and free for UMW students with a valid student ID.

For more information, please contact Assistant Professor of Theatre Stephen Seder at stephen.seder@umwestern.edu or 406-683-7038. Learn more about UMW Theatre and upcoming performances.

Montana Tech's SAE Baja Club invites community to Carnival of Cars

Montana Technological University's SAE Baja Club is inviting the community to the Carnival of Cars on Saturday, April 11, 2026.

The event will take place at 1440 W Park St., Butte. The show begins at 10 a.m. with a $15 car entry fee and free admission for all spectators. Student vehicles are $5. The event will feature a variety of vehicles, carnival style games, 50/50 tickets, and an opportunity to connect with the students behind Montana Tech's nationally competitive off-road racing team. The SAE Baja Club designs and builds an off-road vehicle from scratch each year. It's a project that takes more than 1,000 hours. The team then takes the vehicle to competition, where it undergoes rigorous performance and endurance challenges.

While the work is hands-on and demanding, it's also a major financial commitment. The club relies on sponsorships and community support to cover the cost of materials, registration, and travel to competitions. Registration alone costs $1,850. Proceeds from the event will go toward the travel costs for this year's competition and future competitions.

Anyone interested in entering their car in the April 11 meet can register on-site starting at 10 a.m. The club welcomes both vehicle owners and spectators to come out, enjoy the show, and support Montana Tech's Baja team.

Friday April 10 - 11:30 a.m.

Please join us at the Dillon Public Library on Friday, April 10th at 11:30 AM for a free Computer Class in File management. The class will be given by Tara Stevens, owner of Computer Rescue Service home and business tech support. Topics discussed will be: Cloud storage and why you should not use it, and how to move files to and from your own storage devices. You will come away with a handout that includes screenshots so that you can retrace your steps later at home. Please bring your Microsoft or Apple laptop with a mouse if you have one. If not, there are several library computers available. This is a mostly Windows oriented class, but Apple follows the same principals, so please feel welcome to bring a Macbook! A sign up sheet will be available at the library, so that we can reserve space. Looking forward to seeing you...

A Yoga Sampling at Patagonia! Every Monday until April 27th | 6:30 – 7:30 PM | FREE 16 S Idaho St, Dillon

Vibrant Lives of Montana and Patagonia are partnering to bring yoga to the community! Join us every Monday evening at Patagonia to experience a different style of yoga/meditation from our local facilitators. Tonight we have Blakely Hay sharing Intro to Ashtanga. Ashtanga is a structured sequence of postures and connecting movements. The system starts with a mantra in Sanskrit, and then Suryanamaskara (sun salutations). Then we work through standing postures, seated postures and end in Savasana (Corpse Posture). Options for modification are modeled and encouraged. Follow Vibrant Lives of Montana on Facebook for updates, or stop by Patagonia.

Friday, April 10th, the students will have an assembly for the Cancer Campaign Kick Off! We are excited for this year's cancer campaign events and to give to such a worthy cause. Students, make sure to pay attention to upcoming events so you know where you can get involved!

The Beaverhead County ACEs Task Force wants you to know that children who grow up in a household with a family member with mental illness or depression can experience confusion, fear, anxiety, and stress. But one committed, caring adult can help a child build resilience and find success. Be that adult! Healthy families build strong communities.

More on ACEs, these DMS 8th grade students shared poems they wrote about perseverance and resilience. Please read and enjoy!
