In Loving Memory of Karin Malesich

It is with great sadness that we announce the passing of Karin Marie Malesich who departed this life on April 8th, 2026, at the age of 84. Karin was a cherished sister, mother, grandmother, and great grandmother, aunt and teacher. Karin is remembered for her kindness, love, humor and laughter she brought into the lives of everyone who had the opportunity to know her.

On April 19, 1941, Karin Marie Soyland was born to Einar and Ingaborg Soyland in Granvin, Norway. First of four children, Karin spent her time helping family with chores under German occupation during World War II. In 1948 her whole family packed up what they could and moved to the United States for a new start and settled in Roundup, Montana. Her father worked in the coal mines while her mother cared for the children and worked in and around Roundup. After settling into the western frontier, Karin began school but did not speak a word of English, a fellow student had heard from her parents that a new student from Norway will be starting school and in her class. This student made it her mission to watch over Karin and help her assimilate into the Montana life. Karin remained close to her through High School, and they stayed in touch through the years – Karin had stated that she was her best friend in life.

After graduating from high school, Karin moved to Dillon, MT to pursue a degree at what was then called Western Montana College. She achieved a master's in education and met her future husband, Martin R. Malesich. Karin, or "Mrs. Malesich", started her 26-year teaching career at Parkview Elementary School where she taught 2nd and 3rd grades. Karin absolutely loved being a teacher and had always stated that she was born to teach and that she truly loved all those kids; and it was exhibited with how her students succeeded in the classroom and ultimately how they also succeeded in life. Many of her former students stayed in touch with her through the years and mentioned she was their favorite teacher. Some of her students would even stop by her house for a visit just to

tell Karin of their successes and credit their favorite teacher for instilling the desire to learn and to put it to use in their everyday lives.

Outside of her teaching career Karin was also very active in the Lutheran church and the Sons of Norway communities in Dillon. Karin also helped at her mother's restaurant "Inga's" family dinner for many years. Karin was a dedicated mother, grandmother and great grandmother, impacting multiple generations with her love, endless compassion and generosity of spirit.

The last few years of her life were highly impacted by dementia due to the terrible disease of Alzheimer's; she lived her last few years in the Renaissance Senior Care facility. While there, she continued to make close friendships with other residents and staff. The family would like to thank all the wonderful staff that provided such excellent care to Karin.

Karin was preceded in death by her mother Ingaborg Van Urich and her father Einer Soyland (Sr). Her brother Einar Soyland (Jr), as well as her grandchildren Jonathan Hutton, Timothy Hutton, Kiko Miller, and Braydon Malesich; and nephew Shawn Soyland.

Karin is survived by siblings: Jorun Ruff and Johanas Soyland; her children: Sonya (Forrest) Miller, Mark (Krista) Malesich, and Ingrid Malesich; grandchildren Christine Hutton, Christina Miller, Keoni Miller, Marshal Malesich, Bryce Malesich, Jackson Malesich, and Hailey Malesich, as well as numerous friends and extended family members who will miss her dearly.

Karin is forever in our hearts.

Clarene grew up in Los Angeles County and attended Monte Vista High School in Whittier, CA, and graduated in 1969. After high school, she attended Southland College for Dental Assisting in Montebello, CA, graduating in 1971. In her younger years, she loved dance, riding horses, and traveling. Increased activity on BLM lands near Bannack during Army National Guard munitions cleanup

The Army National Guard, in coordination with the Montana Army National Guard and the U.S. Army Corps of Engineers, is conducting investigation and cleanup work on public lands managed by the Bureau of Land Management near Bannack from now until mid-June.

Residents and visitors should expect increased activity in the area near Bannack Bench Road during scheduled fieldwork. Crews and equipment may be seen traveling and working off designated roads as part of the investigation.

Public access to the land will remain open. However, motorized travel for the public is restricted to designated roads and trails, and visitors are asked to follow all posted rules for safety.

The work is taking place at the former Bannack Artillery Range, a 3,413-acre site in Beaverhead County, about 1.5 miles south of Bannack and 11 miles northwest of Clark Canyon Reservoir.

The investigation is part of an effort to determine whether past military training activities have left behind materials that could pose risks to people or the environment. The site was used for artillery training in 1949, 1950 and 1952. Fieldwork is scheduled in phases through fall 2026, including surveying, surface inspections and limited subsurface investigations, followed by site restoration. The work is being conducted with support from U.S. Army Corps of Engineers contractor Tetra Tech.

Project information is available to the public at the Dillon Public Library, which serves as the project's information repository. Documents available for public review include work plans, safety information and project updates.

Veteran's Corner Update #560

By Mike Lawson

Veteran News Updates:

- Some local Veteran News that is not only important but is a solemn welcome home for WWII US Army Private Henry D. Bordner who was in the US Army 192nd Tank Battalion in the Philippines when he was captured by the Japanese on the 20th October 1942. He is said to have been on the Bataan Death March. His parents were notified of his capture and death on 30 June 1943. His remains were dug up and buried at the American Military Cemetery near Manila, but couldn't be identified until his relatives in Butte were asked to submit DNA, in 2016. Nine years after this he was positively identified from this DNA, on April 2, 2025. His remains are being flown by Military Transport into Butte, this April 15th, and will be taken to Dugan Dolan Mortuary. He will be buried with Military Honors. His interment will be at Mountain View Cemetery, American Legion Block: 6. Welcome home Henry! Hand Salute! Now you can Rest in Peace.

- Many of us have had trouble falling asleep or staying asleep. This is called insomnia and the VA has an app that can help you. It's called the VA's Insomnia Coach app. It can be used as a standalone self-care tool or an addition to professional care. It is based on scientific research to change behavior and thoughts to improve sleep. You can watch this on YouTube. Look for "Watch Introduction to Insomnia Coach App on YouTube." It wouldn't be a bad idea to tell your health care team at your next appointment or use "My HealtheVet" to reach out with a secure message.

- April is Whole Health Month. The VA Whole Health helps Veterans by supporting the whole person rather than just treating symptoms. In helping Veterans live the lives they want to live, the following five ways are suggested to get involved in Whole Health Month of April; 1) Get inspired with Veteran Success stories. (2) Complete your own Personal Health Inventory. (3) Read the research about how Whole Health helps Veterans with pain management, tobacco cessation, opioid cessation, diabetes, and more. (4) Explore complementary and integrative health approaches to support your well-being. Spring into action and take charge of your health and wellness. Contact your local VA facility, and find out how you can get started with Whole Health.

BEAVERHEAD COUNTY ELECTION ASSISTANT/DEPUTY CLERK

POSITION: Election Assistant/Deputy Clerk

DEPARTMENT: Election Office/Clerk & Recorder's Office

RESPONSIBILITIES: The Election Assistant/Deputy Clerk & Recorder is responsible for processing voter registrations, assisting with the preparation for and conduction of elections, the coordination of election judge training, and other duties associated with the election process. The Election Assistant/Deputy Clerk & Recorder will assist in preserving the records of the county, including deeds, mortgages, surveys, birth and death records, and other documents.

Requirements: This position is a multi-faceted role responsible for managing land records, vital records, and the complete cycle of local, state, and federal elections.
