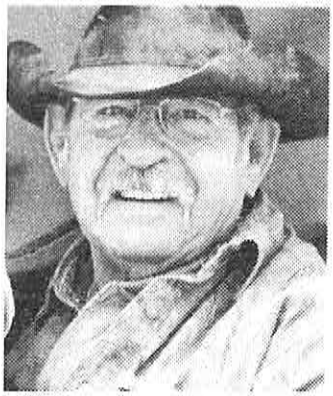
Joseph Leo Rawson Jr., 92

On Monday, April 13th, 2026 "Leo" passed into peaceful slumber at the age of 92.



He was born in Rupert Idaho to Joseph Leo Rawson and Graye Hannah (Airhart) Rawson on February 22nd, 1934. He moved to Montana at a young age and worked for the Cross Ranch where he met the love of his life in Armstead, Dorothy (Simpson).

In 1955 he was drafted into the Army, where he served two years as a MP in Germany and was honorably discharged in 1957. He then came back to Dillon and continued to work for the Cross Ranch. He married Dorothy on May 9th, 1959. They had their first son, Gayle, in 1960 and shortly after moved to Oregon to work on the Alvard Ranch. In 1961 they had their second son, Adrian. Then moved back to Montana where he worked as a powder man for several mines around Dillon, Melrose and Virginia City.

In 1969 he moved his family to Red Rock to pursue his passion of ranching, working for Tom Larson. In 1983 he moved his family back to Dillon and continued to work for Tom. After the ranch was sold to Don Harrington he stayed on the ranch working for Don and Mark Harrington. He retired at the age of 86 to take care of his ailing wife.

He was preceded in death by his youngest daughter Karla, wife Dorothy and then his youngest son Adrian.

He is survived by his oldest son Gayle (Terry) Rawson and daughter Grayce Rawson. Eight grandchildren, several great grandchildren, and two great-great grandchildren. His friends Dale and Karla Camp, Mark Harrington and several others, Patrick O'Neil who thought of Dad as a father. He will be forever missed.

Deadline reminder for hunting applications

The deadline to apply for moose, bighorn sheep, mountain goat and bison licenses is Friday, May 1; the deadline to apply for elk B, deer B and antelope is Monday, June 1. All applications must be completed online, at a License Ambassador location or at an FWP office. Most FWP offices with license sales are open Monday through Friday, from 8 a.m. to 5p.m.

FWP offers several tools to help hunters navigate the application process. The application process is different for residents and nonresidents, but FWP has created instructional videos to help with both kinds of customers. Hunters can also take advantage of the MyFWP mobile app. The app holds and displays licenses, permits and E-Tags, which can be downloaded and used in the field without cell service. To create a My FWP account, visit the MyFWP login page.

Applicants have the option to reapply for the same offerings as last year with just a simple click, eliminating the need to search through previous applications.

For more information on Montana hunting licenses and permits, go to fwp.mt.gov/buyandapply/hunting-licenses.

Multi-Vehicle Crash Reported on I-15 Near Lima Amid Whiteout Conditions

Jeremy Crawford, Southwestern Montana News

First responders from Lima were called out Friday morning to a multi-vehicle crash on Interstate 15 near mile marker 9, as whiteout conditions made travel hazardous.

According to initial reports, a gray pickup truck glanced off a camper being towed by another vehicle before rear-ending a semi-truck. The semi-truck driver did not remain on scene and continued traveling.

The camper sustained moderate damage, while the pickup truck received significant damage.

Injuries were reported as minor, and no medical transport was required.

Did you know childhood experiences, both positive and negative, have a tremendous impact on lifelong health and opportunity? The Beaverhead ACEs Task Force works to prevent childhood trauma in southwest Montana. Join us as we work to build strong families in our community.

More on ACEs, these DMS 8th grade students shared poems they wrote about perseverance and resilience. Please read and enjoy!

What is resilience?

What is resilience?
Is it strength?
NOT being weak?
To never give up?
To rise from the fall?
"I can be changed by what happens to me
But I refuse to be reduced by it"
Maya Anagalue

Perhaps
Resilience comes from the smallest things
Like when there's a homework overload
Imagine
You can relate
The end result
Is the most important
Always the end result
Not too impressive
Resilience?
What is resilience?

Maybe
It's the big things
We can go back into time
To yellow grass
Buffalo jumps
When the whites tried to achieve genocide
And later
Made the indian schools
And wouldn't stop attacking their way of life
The natives stayed strong
They didn't let their culture fade away
Forgotten
And they still have their culture
What is resilience?

Malal Yousfazai
Living in world of discrimination
Where women couldn't go to school
But this didn't stop her
She worked for education for girls
everywhere
She was shot in the head at age 15
But she
Survived
(And got a nobel prize at 17)
What is resilience?

Resilience
