Montana Western to Hold 129th Annual Commencement Ceremony

The University of Montana Western will celebrate its 129th Annual Commencement Ceremony on Saturday, May 9, 2026, at 10:00 a.m. in Bulldog Stadium on the UMW campus.

"We look forward to celebrating this important milestone for our students, and we are proud of all of their accomplishments," said Montana Western Chancellor Michael Reid.

A total of 350 Montana Western graduates will be awarded over 405 degrees by the end of the 2025-26 academic year. Of those graduates, 58 have completed two or more degrees, and 80% are receiving honors by achieving a GPA of 3.33 or higher. Over 200 graduates have chosen to participate in this year's ceremony. The ceremony's Chief Marshal will be UMW Equine Studies Instructor, Iola "Olie" Else.

Commencement Speaker: Heather Hoyer

This year's commencement will feature Board of Regents Member and Great Falls Public Schools Superintendent Heather Hoyer. A Montana native and Montana Western alumna, Hoyer brings more than 30 years of experience across K-12 and higher education. She is widely recognized for her leadership in hands-on learning and Career and Technical Education, including being named the 2024 Montana ACTE Administrator of the Year, and continues to serve on statewide boards, including the Montana University System Board of Regents.

"Montana Western is thrilled to welcome alumna Heather Hoyer back to campus as our 2026 Commencement speaker," said Chancellor Michael Reid. "Her journey from UMW student to statewide education leader is inspiring, and we are excited for our graduates to learn from her experiences."

UMW Alumni Distinguished Service Award Recipient:

Dr. Janelle Handlos ~ Dr. Janelle Handlos, a Montana Western alumna, has dedicated more than 20 years to the university as an educator and athletic professional. Since joining UMW in 2001, she has served in a variety of roles, including Head Athletic Trainer, Interim Athletic Director, faculty member, and department chair, while also helping establish the Department of Health & Human Performance. She remains actively involved in the Dillon community through coaching, volunteer work, and service.

"We are honored to recognize Dr. Janelle Handlos with the 2026 Montana Western Alumni Distinguished Service Award," said UMW Foundation and Alumni Director Roxanne Engellant. "Her impact on students, campus programs, and the Dillon community reflects her strong commitment to service and leadership."

Events Leading Up to Commencement ~ Social Honoring Dr. Janelle Handlos and UMW Classes of 1976 and 2001

The Montana Western Foundation and Alumni Office will host a social honoring Dr. Janelle Handlos and Montana Western classes of 1976 and 2001 on Friday, May 8, in the Lewis & Clark Room. Thanks to the generous sponsorship of the UMW Foundation Board, the luncheon is offered at a special reduced rate of \$10 per person for all guests. To RSVP, please call 406-683-7303 or visit

Whole Food Health Minute

Food Is Medicine: Eggs

Few foods have been as unfairly villainized as the humble egg. For decades, they were cast as the villain in the cholesterol story—and that reputation stuck around long past its expiration date. The good news? The science has done some serious catching up, with researchers largely clearing eggs of their bad rap and finding that for most healthy adults, eating an egg a day doesn't meaningfully raise cardiovascular risk. Eggs are one of the most nutrient-dense whole foods on the planet, packing complete protein (all nine essential amino acids), vitamins A, D, E, K, B12, folate, selenium, and choline—a nutrient critical for brain health, liver function, and fetal development that most people don't get nearly enough of. The yolk, long demonized and discarded, is where most of the nutrition lives—including lutein and zeaxanthin for eye health, and emerging research suggests choline may also help protect against age-related cognitive decline, so please, eat the whole egg. Keeping that yolk soft and runny—whether over-easy in olive oil or a jammy soft-boiled—is thought to preserve more of the fat-soluble nutrients and support better absorption. Hard-boiled is still a great portable option, just know you may lose a little of that bioavailability. As always, sourcing matters: pasture-raised eggs contain higher levels of omega-3 fatty acids and vitamins, a direct reflection of how those hens lived and what they ate. Like so many whole foods, the egg itself was never the problem.

Individuals with advanced cardiovascular disease or familial hypercholesterolemia should consult with their healthcare provider regarding egg consumption.

Good health is built day by day, starting with real food.

Dillon Public Library - 2 workshops this week:

This is a presentation in conjunction with a grant received from Montana Children's Trust Fund. The grant allows authority figures to present information that brings awareness of Child Abuse and Neglect to our community. The public is welcome to attend, and there will be light snacks provided. An activity will be available for children that come with parents/guardians.

April 28th, 2026 - 5:30-7:30 ~ Melissa Winger: Join Melissa for the second part of her course, focused on understanding how coping skills and emotional patterns are passed down through families. Parents will learn to recognize their own emotional habits, build awareness around what shows up in their family, and practice healthier ways to respond to stress and big feelings. This course will support parents in strengthening their own emotion regulation skills so they can develop a greater capacity to connect, and greater confidence to better support their children's emotional growth. If you missed the first part, you are still very welcome to attend. There is much to learn!

Letter to the Editor:

1-194 - THE TRANSPARENT ELECTION INITIATIVE

The Transparent Election Initiative, 1-194 or "The Montana Plan", as it is also known, is now in the signature gathering process so it can be on the ballot in the upcoming November elections.

The Transparent Election Initiative is a non-partisan, Montana-based campaign working to restore transparency and accountability in elections by ensuring that political power rests with citizens rather than corporate entities. If passed in November, "The Montana Plan" would clarify that the powers granted to corporations by the state of Montana and other artificial entities do not include the power to spend money to influence elections.

Petitions to place Initiative 1-194 on the General Election Ballot will be available for signature in many locations and community events in Dillon during the month of May. If you are concerned about dark money influencing our Montana elections and are a registered Montana voter, please consider signing the petition. If you have not seen the petition and would like to sign, you can also reach out to the following volunteers to get a petition to you.

Veteran News Updates:

- Our Marine Corps League, Detachment #724, here in Butte, was busy this past Sunday, running the Firing Line for the Hunters Safety program. We've been doing this for 20 years or so and what a gratifying sense of accomplishment it is to help these kids learn how to shoot their rifles. We continue to serve as veterans helping our community in many different ways. If any of you are veterans and aren't a member of a Veteran's organization, please consider it.

- May 25th is Memorial Day and a day to put on your calendars. It's a day set aside to remember our Veterans who have served our country, both past and present, in protecting and preserving the freedoms our forefathers fought and established for Americans over 250 years ago. Freedom is not free and has been paid for on the backs of our veterans, many who have given the ultimate sacrifice of their own lives. This Memorial Day will see Veteran Organization members and Community volunteers join together to place American Flags on all our Veteran graves in Cemeteries across America and in American cemeteries in foreign lands. It's a monumental task and any and all help to do this precious task will be greeted with thanks and appreciation. On a local level, here in Butte, the VFW will spearhead this flag-placing, meeting at the Spanish American grave section of the Mount Moriah Cemetery on Saturday the 23rd at 9:00 am. Lunch will be provided by the VFW at the McKenzie River Pizza for the volunteers when flag placing is completed. If this is something any of you would be willing to be part of, please put it on your calendar.

- In these times of questionable decent, well paying employment opportunities, many of our young veterans leaving the military are looking for ways to use their GI Bill benefits. It could be by going to college but another good choice is on-the job training (OJT) or apprenticeship programs. It can be used for trades in industries such as construction, law enforcement, transportation, education, healthcare, cybersecurity, etc.. Dependents of Veterans and Reservists are eligible to use transferred benefits under the Post-9/11 GI Bill. More on this in a future column.

Denim Day

On Wednesday, April 29, the Women's Resource Center
(WRC) invites the community to take a stand against sexual
violence by participating in Denim Day, a global movement
that raises awareness, supports survivors, and challenges
harmful myths surrounding sexual assault.

Denim Day originated in response to a 1999 Italian
Supreme Court ruling that overturned a rape conviction
based on the belief that the survivor's jeans were "too tight,"
implying consent. In protest of this decision, women in the
Italian Parliament wore jeans, sparking an international
movement that continues today.

By wearing denim on Denim Day, individuals send
a clear and powerful message: clothing is never consent.
Community members are encouraged to wear denim and
share their participation on social media or with the Women's
Resource Center. Those who tag WRC in their Denim Day
posts will be entered into a prize drawing, which will be
announced during Walk a Mile in Her Shoes on Thursday,
April 30 at 3:30 p.m. at the Roe House on UMW's campus.

"Denim Day is about more than what we wear, it's about
what we stand for," said Megan Chilson, UMW Professor
and WRC Board Member. "It's an opportunity for our
community to take action, speak out, and show survivors
they are not alone."

For more information about Denim Day, contact the
Women's Resource Center at (406) 683-6106.
