Beaverhead County Museum Presents

LIFE BEHIND THE GHOST TOWN

PRESENTATION BY:

Ciara Kempf - BHVHS Historian & Ayme Swartz - B-D Forest Archaeologist

Coolidge ghost town on the Pioneer Mountain Scenic Byway is the home of the
largest silver mill in Montana, yet it only operated to capacity for about six months.

We'll look at the rise and fall of this mining camp, examine what life was like
for residents during its 1920s heyday, and introduce how a proposed self-guided
tour will improve visitors' experiences. We'll also discuss future opportunities
to help stabilize and protect what remains of this unique ghost town after the
US Forest Service wraps up reclamation efforts at the mill site in late summer 2026.

Ayme Swartz is the Forest Archeologist and Heritage Program Manager for
the Beaverhead-Deerlodge National Forest. Ciara Fares Kempf is a historian
and writer who specializes in discovering the untold stories and underrepresented
populations of the West. She is an active member and contributor to the
Big Hole Valley Historical Society, and is based in Anaconda.

A candidate must have at least two years of recent professional experience working with the public, demonstrating the ability to provide courteous customer service and maintain professional composure during high-pressure or tense situations.

Technical fluency is a core requirement, specifically a thorough working knowledge of Microsoft Word, Excel, and Outlook, as well as the ability to master specialized software and operate standard office equipment like scanners and high-volume copiers. Because the work involves handling sensitive information and complex legal documents—including Certificates of Survey and Subdivisions—candidates must demonstrate exceptional attention to detail, a strict commitment to confidentiality, and a genuine interest in performing in-depth research. Candidates are required to have education equivalent to a high school diploma; preferred two or more years of college.
