Montana Western Appoints Dr. Eric Wright as Interim Provost

The University of Montana Western is pleased to announce that it has appointed Dr. Eric Wright as Interim Provost and Vice Chancellor for Academic Affairs effective starting June 1, 2026, and would also like to express its sincere gratitude to Dr. Estee Aiken who has served as Interim Provost since December.

"I want to extend my sincere appreciation to Dr. Aiken for her dedication and steady leadership while serving in this role. Her service has been invaluable to our campus community," said Montana Western Chancellor, Michael Reid. "I am also grateful to Dr. Wright for his willingness to step into this role. He will serve as Interim Provost until our next permanent Provost is identified."

Dr. Aiken will begin her new role as Chancellor of the University of Montana Western on May 21, 2026, upon approval of the Board of Regents.

Dr. Wright earned his B.S. in Physics and Mathematics from Colorado State University, and his M.S. and Ph.D. in Applied Mathematics from the University of Colorado. He has taught at the University of Montana Western since 2005.

Dr. Wright's research interests lie in analyzing and solving partial differential equations. He specializes in developing reaction-advection-diffusion models for studying the movement of chemical reactants within fluid systems in natural environments. More recently, he has begun to explore the intersection of Euclidean geometry with pre-industrial architectural and furniture design techniques. Finally, his most recent research activities center around data science, machine learning, and artificial intelligence.

"I look forward to working with Dr. Wright in this capacity. His years of dedication to and deep institutional knowledge of Montana Western will be very valuable over the next year," said Dr. Aiken.

The University will launch its search for the next permanent Provost this fall.

**Two-Vehicle Crash Shuts Down Portion of
Atlantic Street Monday Evening***Jeremy Crawford, Southwestern Montana News*

A section of Atlantic Street between Normal Street and Poindexter Street was temporarily shut down Monday evening after a two-vehicle collision prompted a response from local first responders.

According to scanner traffic, a blue Pontiac traveling northbound on Atlantic Street struck a parked Chevy truck. The impact caused the vehicle's airbag to deploy.

Police, fire, and EMS responded to the scene to assess for injuries and assist with traffic control while the area was cleared. No official word has been released on the extent of any injuries.

Stone Creek Raceway Hosts CMMX Montana Motocross Series

Jeremy Crawford, Southwestern Montana News

Stone Creek Raceway hosted another successful weekend of racing as the CMMX Montana Motocross Series rolled through with races three and four of the 2026 season.

The annual May event once again drew a large crowd, with more than 350 entries competing over the two-day stretch. Riders and fans were treated to excellent conditions throughout the weekend, with sunny skies and ideal weather providing a perfect backdrop for the action on the track.

Both days featured a full slate of racing, with competitors from across the region battling it out in a variety of classes. Spectators packed the venue to take in the high-speed competition, while on-site concessions helped keep everyone fueled throughout the weekend.

The event continues to be a staple on the local racing calendar, bringing both competitors and fans to the area each spring.

Full race results can be found here: <https://app.iraceready.com/races/-cmmx/events?menu=EventResults>

Letter To the Editor

I am pleased to endorse Austin Hoerning as an outstanding candidate for Commissioner of Beaverhead County in the upcoming election. I have known Austin for more than fifteen years. I have had the privilege of working closely with Austin and have been consistently impressed by his dedication, integrity, honesty, and work ethic.

Austin is a married family man with four children. He operates his own plumbing business. I approached Austin, a number of years ago, when I realized I needed a plumber to assist with keeping the splash pad at Jaycee Park operational. Austin has donated countless hours each year to the splash pad. I can always count on him to help, no matter when I call him. That is a characteristic I want in a county commissioner.

I wholeheartedly recommend Austin Hoerning and I am confident in his ability to excel as a Beaverhead County Commissioner.

Austin possesses the leadership and commitment necessary to make a meaningful impact as a Commissioner of Beaverhead County. I believe he is the best person to lead Beaverhead County into the future. An endorsement of Austin is without a doubt an easy decision to make. His deep love of Dillon and Beaverhead County is commendable and inspired my faith in his abilities to excel as a commissioner. Let's take our community forward together and elect Austin Hoerning.

Sincerely,
Jim Valach

American Legion May 6 Dinner and Meeting

American Legion Post 20 invites all Veterans and their spouse/guest to our Wednesday, May 6, 6pm dinner of Lopez tacos, port chili, Spanish rice, beans, sopaipillas, cake or ice cream. Dinner is \$12, soda \$1, and other drinks \$2. Our General Meeting follows if you wish to attend.

Modern payment options to Madison River campgrounds

The Bureau of Land Management (BLM) is now accepting credit card payments at all six campgrounds along the Madison River corridor, improving convenience for visitors while modernizing and streamlining fee collection across the sites.

In addition to cash and check, the following campgrounds now feature remote kiosks that accept major credit cards for campsite and extra vehicle fees: Palisades, Ruby Creek, Trapper Springs, Bear Trap Road North, and Bear Trap Road South. Red Mountain Campground fees can be paid at Remote Off-Grid Kiosks along the lower Madison River.

"By offering credit card payments at these kiosks, we're making it easier for visitors to access and enjoy public lands," said Amanda James, Dillon Field Manager.

Powered by solar energy and designed for off-grid use, the kiosks provide reliable service in remote locations and improve the overall efficiency and convenience of fee collection in the field.

The fee revenue directly supports the future maintenance and operation of BLM recreation sites in the region.

For more information, contact the BLM's Dillon Field Office at 406-683-8000.

Beaverhead County Museum Presents

LIFE BEHIND THE GHOST TOWN

PRESENTATION BY:

Clara Kempf - BHVHS Historian & Ayme Swartz - B-D Forest Archaeologist

Coolidge ghost town on the Pioneer Mountain Scenic Byway is the home of the
largest silver mill in Montana, yet it only operated to capacity for about six months.
We'll look at the rise and fall of this mining camp, examine what life was like
for residents during its 1920s heyday, and introduce how a proposed self-guided
tour will improve visitors' experiences. We'll also discuss future opportunities
to help stabilize and protect what remains of this unique ghost town after the
US Forest Service wraps up reclamation efforts at the mill site in late summer 2026.

Ayme Swartz is the Forest Archeologist and Heritage Program Manager for
the Beaverhead-Deerlodge National Forest. Clara Pares Kempf is a historian
and writer who specializes in discovering the untold stories and underrepresented
populations of the West. She is an active member and contributor to the
Big Hole Valley Historical Society, and is based in Anaconda.
