Students Help Plant Trees During Dillon Arbor Day Celebration

Jeremy Crawford, Southwestern Montana News

Friday morning the Dillon Tree Board, along with Matt Allen of Edge Tree Care, DNRC firefighters and student volunteers gathered near the tennis courts across from Dillon Middle School to celebrate Arbor Day with a community tree planting project.

The morning began with a short presentation about the history of Arbor Day along with trivia questions focused on the oldest tree in America and the oldest tree in Montana.

Following the presentation, several students were recognized for their artwork and awarded T-shirts featuring their winning designs. Those students included Gunner Throckmorton, Levi Taylor, Luke Rowe, Timmy Hazlewood, Brynnlynn Barnes, Remi and Ari Navarrete.

After the awards were handed out, students split into five separate groups to help plant three Honey Locust trees and two Ginkgo trees near the tennis courts.

Organizers said the tree species were selected partly because they are relatively low maintenance and produce smaller leaves than many other tree varieties. The choice will help reduce leaf buildup on the tennis courts during the fall while still providing future shade to the area.

Once the planting was complete, Matt Allen demonstrated what his work as an arborist involves, including how he safely climbs trees on the job.

The event brought together local organizations, DNRC firefighters and students for a hands-on learning opportunity focused on conservation, tree care and community involvement.

Terminus Distilling Company Updates

Katrina & Derek Lewis

Building: This month is our four year anniversary of owning the former Williams Feed building. We have been busy in the Small Tasting Room. Derek installed repurposed old-growth fir flooring (see picture above) and Katrina finished it with commercial-grade poly. Katrina finished the rough-hewn bar top so that it's waterproof and durable for the Walk Up Window. Just this week, Derek and L&J Plumbing connected the water and water heater, bringing us one step closer to opening!

Business / Community: In July 2024, we reported on a federal district judge ruled that the 1868 ban on home distilling was unconstitutional. Two weeks ago, the 5th Circuit Appeals Court also ruled that ban unconstitutional. According to this article, the government has 90 days to seek review from the Supreme Court. Pretty soon, it might be legal to distill at home, just like people can homebrew and make their own wine.

Distillery: We bought a two-keg kegerator for the Small Tasting Room. The first keg tap is for our handcrafted ginger beer – the same one locals have sampled at the Dillon Farmer's Markets the last few years. What's on the other tap? Sparkling water. We'll mix it with shrubs, grenadine, or tonic syrup. While there are a variety of small batch tonic syrups available, Katrina is working on one that will perfectly pair with our gin and a fresh lime.

Soon, Derek will start moving distillation equipment into the production space. We talked about our 500gal pot still last year. With it, we'll make whiskies, vodkas, and gins.

Crossley Earns Frontier All-Conference Recognition, Lynch and Streck Named Champions of Character

Bulldog track and field athlete Luke Crossley was named to the Frontier Conference Outdoor Track and Field All-Conference Team. Mason Lynch and Kendalyn Streck were the Montana Western recipients of the Outdoor Track and Field Champion of Character awards.

Crossley's all-conference recognition comes on the heels of his program and meet record 10,000m win at the Frontier Conference Outdoor Championships.

"Luke has put in a lot of work this season and has had some big PRs," head coach Taylor Grove said. "He went out and led the race from the gun and it was great to see him push the pace and come away with the win. Definitely well deserved."

In his first season with the Bulldogs, Crossley set the school records in both the 5,000m and 10,000m while also moving into second all-time in the 1500m.

He finished in the top 10 in six races this year, including three first-place finishes.

Lynch and Streck were named the men's and women's track and field Champions of Character for Western. The head coach from each Frontier Conference member selects the recipient that fits to the NAIA's Champions of Character initiative program's five cores that include integrity, respect, responsibility, sportsmanship, and servant leadership.

The mission of the NAIA's Champions of Character program is to provide training to instill the values that build character so that students, coaches, and parents know, do, and value the right thing on and off the field.

"Kendalyn and Mason have been great for out team," Grove said. "They have great attitudes and are always working to improve, encourage their teammates, and are willing to help when asked. They have both been good leaders in the program.

A THANK YOU FROM THE KENNEL CLUB

Kennel Club would like to thank everyone involved with the successful spay/neuter clinic held on April 18-19. The Spay Montana crew spayed or neutered 71 dogs and 107 cats (many that were feral), and vaccinated and/or microchipped many animals upon owner request.

We could not have had such success without the assistance of many volunteers and the cooperation of local businesses. We give our gratitude to:

- The National Guard and Sgt. Kiley Smith - for allowing us to use their facility to hold the clinic, and offer help when needed
- Spay Montana - for providing the veterinarians, veterinary technicians, equipment and expertise
- Montana Youth Challenge's Female Cadets - for providing help wherever they were needed
- Dillon Medical - for providing the oxygen used during surgeries at all our Dillon spay/neuter clinics
- Sundowner Motel - for providing rooms where the Spay Montana crew could rest
- Dillon Tribune, Womack's Printing, and KDBM/KBEV - for helping us get the word out about the clinic
- Individual donors from all around Beaverhead County - your generosity is amazing!

A HUGE THANK YOU to all the wonderful volunteers who helped during the weekend with set up and take down, meal preparation and serving, animal check-in and check-out, animal care during and after surgery, sterilization of equipment, and wherever else support was needed. This clinic was the culmination of hard work by friends of animals and a desire to see fewer unwanted dogs and cats in our community. Thanks to the generosity of our community members' time and donations, we were able to help over 100 pet owners. If you would like to support Kennel Club for the spay/neuter clinic in 2027, you may make a donation to our Kennel Club account at Stockman Bank. See you this summer at Dillon's Farmers' Market!

Sincerely - The Kennel Club:
JoAnn Paddock, Sandra McKey, Nancy Grayson, Carol Simonsen, Julie James, Verna Holland, Regina Maki, and Katie Miller
