Gloria Marie Hacker, 86

Gloria Marie Hacker, 86, of Dillon, passed away Thursday, May 7, 2026 at Beehive Homes with her family by her side. She was born on March 30, 1940 in Snohomish, Washington to Desmond & Virginia (Brossard) Hinds.

Arrangements are under the direction of Brundage Funeral Home. Condolences for the family may be posted online at www.brundagefuneralhome.com

Elizabeth (Betty) Mancoronal, 98

Elizabeth (Betty) Mancoronal, 98, passed away peacefully on May 10, 2026, with her family and friends by her side.

Betty was born on December 9, 1927, in Choteau, MT to Casey and Jenny Dane. She grew up on her parents' farm near Depuyer, MT and attended school in Valier, MT. She loved playing the accordion and the mouth harp. As a teenager, Betty, her brother John, and her father Casey played at dances. Betty met Morris O. Mancoronal Jr. in Choteau, MT and helped him operate a restaurant he owned. She married Morris in 1947, and they moved to her father's farm in Depuyer, MT. In 1948, Betty and Morris had their son William (Bill). In 1951 Betty and Morris purchased and moved to a farm East of Conrad, MT. There they raised sheep and later irrigated and raised various grain crops. After Morris passed in 2014 Betty and her two cats moved to Dillon, MT to live with her son Bill and daughter-in-law Roxi. Betty left many good friends behind in Conrad where she loved to play cards and travel around with her best friend Bonnie. However, it did not take long to make many new friends in Dillon. She became very close to Veeta

Alley who took her on all sorts of excursions to see the wildlife she loved so much and not to mention the trips to see Veeta's brother Bill and eat his homemade cinnamon rolls. She attended the Senior Center where she was loved by many. Betty and her good friend Elaine Monday sat for hours and laughed about how they had fond and some not-so-fond memories of raising sheep and other livestock. Every Friday she had her hair appointment with Karen O'Conner whom she adored. There are too many people to mention that were special to Betty. She always enjoyed the special occasions and visits with her grandsons and their extended families. The birthday and holiday phone calls from her brother Cornelius (Corny) Dane were especially meaningful to her.

Betty was preceded in death by her parents, Mother, Jenny Dane; Father, Casey Dane; Brother, John Dane; Sister, Mary Dane; and her loving husband of 67 years, Morris O. Mancoronal Jr.

Betty is survived by her Son, William (Roxanne) Mancoronal; Grandson, Jason (Kim) Mancoronal; Grandson Justin (Adrianne) Mancoronal; Five Great Grandchildren, Rachel, Amber, Brandon, Payton, Bentley; Three Great, Great Grandchildren Spencer, Ryley, Syler; Brother Cornelius Dane; Nephew, Tom Dane; Nephew Shawn Dane; and many cousins. We can't forget Betty's cat Zack.

The family would also like to give special thanks to Danielle Beck FNP-C; ER Dr. Robert Redwood and the entire staff of Barrett Hospital that cared for Betty. You are all wonderful and took great care of her.

In lieu of flowers, the family asks for donations be given to Beaverhead Senior Citizen Inc. in Dillon, or Pondera County Senior Citizens Center in Conrad.

FWP opens applications for $1.8 million in WHIP grants

The annual application period for FWP's Wildlife Habitat Improvement Program (WHIP) will open May 18 and close on June 19. WHIP is a state-funded grant program for projects that enhance, restore, improve or rehabilitate degraded wildlife habitats across Montana.

Awarded grants can be structured to provide funding for up to five years. Total funding available for 2026 is approximately $1.8 million. Based on stakeholder surveys, FWP expects average grant applications to range from $50,000 to $500,000. Applications up to the maximum of $1.8 million will also be considered. Grant awards are based on eligibility and competitive ranking.

To qualify for funding, projects must:

- create habitat uplift or net conservation gain for species of conservation need or restore, rehabilitate, improve or manage land or water as wildlife or aquatic habitat through habitat improvement or conservation;
- enhance ecologically important wildlife habitats;
- have a reasonable probability of success and accomplishing anticipated or desired outcomes through appropriate planning and methodology;
- report on objectives and project progress/completion to allow the department to evaluate overall habitat improvement project outcomes;
- or support activities and employees of the state tribal wildlife programs.

In addition to the eligibility requirements, the ranking process will award additional points for projects that:

- include funding commitments from multiple partners;
- involve effective collaboration across multiple land ownerships (public and private);
- and include public access.

Starting May 18, applications can be submitted online at funding.mt.gov and then clicking "FWP Wildlife Habitat Improvement Program Grant Cycle 2026." Applicants new to WebGrants must register prior to accessing the application forms. WHIP applications must be submitted no later than June 19 to be considered for 2026 funding.

FWP plans to hold a webinar for interested applicants in June. For more information about the WHIP Program and grant application instructions, visit the WHIP webpage. If you have questions about applying for a WHIP grant or accessing application forms, contact Andrew Amidon, WHIP coordinator, at andrew.amidon@mt.gov or 406-444-7291.

Secretary Christi Jacobsen reminds absentee voters to track their ballot; sign, date, and include birth year

Montana Secretary of State Christi Jacobsen is reminding Montana's absentee voters that they can track their ballot and access important election resources by visiting the Secretary of State's voter resources website, VoteMT.gov.

"Last week, county election officials sent more than 500,000 absentee ballots to voters across the state, and roughly 13,000 have already been voted and returned for the June 2nd Primary Election," said Secretary Jacobsen. "Montana's absentee voters can use VoteMT.gov to track the status of their absentee ballot from the time it is sent to when it is received and accepted by their local election office."

Voters tracking their absentee ballot will see the following under the "ballot status" category:

- SENT: The county election office issued and sent an absentee ballot
- RECEIVED: The county election office received a voter's returned absentee ballot
- ACCEPTED: The county election office received and verified a voter's returned absentee ballot, and it will be ready for counting
- REJECTED: The county election office received a voter's returned absentee ballot, which may contain an incorrect and/or missing signature/birth year. Voters can easily resolve a rejected ballot by visiting https://votemt.gov/resolve-my-ballot/.

Together with the entire Montana Election Team, consisting of election officials from all 56 Montana counties, Secretary Jacobsen is also reminding Montana absentee voters to vote only one party's ballot during the Primary Election cycle, to seal their ballot in the secrecy envelope, and to sign, date, and include their birth year on the return signature envelope.

Secretary Jacobsen noted that Montana's 2026 Primary Election Absentee Ballot Count report is available on the Secretary of State's website at https://sosmt.gov/elections/absentee-ballot-count/. The report will be updated by county election officials as Montanans return their voted ballots.

This is the last week of school for the 8th grade students. 8th graders, have a great summer! We will miss seeing you around the middle school, but we hope you have a great time in high school.

On Monday, May 18, there will be a library overdue sheet sent out to students that still have checked-out books. These books must be returned as soon as possible so the librarians can prepare the library for the summer. The library is closed to students except to return items.

Also on Monday, at 3:00 p.m., the BCHS seniors are going to have their Walk Through the District day so all the younger students can congratulate them on graduating!

All students will be taking the ELA Anchor test for MAST testing on Monday. Students, get lots of rest over the weekend so you are ready to finish state testing strong!

And last for Monday, at 4:00 p.m.-7:00 p.m., DMS Football Camp will be on the DMS Football Field.

On Tuesday, May 19, all students will be taking their Spring AMIRA Testing in their ELA classes.

On Wednesday, May 20, all students will be taking the Renaissance/STAR Math Testing Day in their math classes

On Friday, May 22, there will be an Alternative Bell Schedule Day for the Student Awards assembly and for yearbook signing. Friday is the last day of the school year for 8th graders.

Why should Beaverhead County parents learn about Adverse Childhood Experiences? Because knowing about ACEs helps to build resilience to buffer the impact of toxic stress on you and your child. It helps your child live a happier life and break free from cycles of trauma. Healthy families build strong communities.
