Dillon Lions Club Annual Live Lobster Fundraiser

The Dillon Lions Club is again holding its annual spring sale of fresh, delicious Atlantic lobster! The money generated by this lobster sale is the primary source the club uses to fund the many local community service projects it's involved with. If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, June 8, at the very latest. These order forms, with more detailed information including price, are available at the Vigilante Electric Cooperative Office near the Beaverhead County Courthouse and at Precision Eye Care and Optical at 25 Johnson Ave. immediately north of Safeway.

The approximately 1.5-pound lobsters are caught, cold packed, and flown out to arrive fresh on Saturday, June 13.

You can pick up your live lobsters on Saturday, June 13, between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the courthouse main entrance. If you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge!

Terminus Distilling Company Updates

Katrina & Derek Lewis

Building

We're putting the final touches on the Small Tasting Room. Derek built the bar, installed the window to the Production Space, cut custom thresholds, and has trimmed everything out. Katrina stained, oiled, spar varnished, and did some touch up paint. Other inside updates include the employee bathroom and a fully functional mechanical room (including internet). Outside, on the downtown-facing side of the building, locals will notice a row of outdoor lights – soon they'll be lighting up our sign.

Business / Community

From the list above, you can see we're close to opening the Small Tasting Room. Before that, we have some final steps – deep cleaning, setting up the machines, plugging in the refrigerators, hanging our health permit. Locals, stop in when you see the Open sign lit up this month. Hours will be posted in the window. We'll keep mostly evening hours so that Derek can use his days finishing the Production Space.

Distillery

Until we're ready to make spirits, we'll be open for just non-alcoholic drinks. We'll have ginger beer on tap, of course. Slushie flavors in June will include Orange Dreamsicle, Strawberry Rhubarb, and Coconut Lime. We'll also have shrubs – stop by the tasting room or look online for what's in stock. Each of these will be delicious on their own, but also tasty as a mixer in an evening sipper.

Cheers to the summer ahead!

Beavers Walk Off Columbia Falls, Advance to State Class A Championship Game

Jeremy Crawford, Southwestern Montana News

The Beaverhead County Beavers are headed to the State Class A Championship game after a thrilling 5-4 walk-off victory over Columbia Falls on Friday.

With the game tied at 4-4 in the bottom of the seventh inning, Gage Curnow delivered the biggest hit of the season so far, lining a single to center field to score the winning run and send the Beavers into Saturday's championship game.

Columbia Falls struck first in the top of the fourth inning. Jory Hill and Jaxson Cadwell each delivered RBI singles, while Lincoln Fisher added a sacrifice fly as the Wildcats built a 3-0 lead.

The Beavers battled back throughout the game and finally tied things up in the bottom of the sixth inning. Garrett Tackett drove in a run with a single, and Sawyer Tackett followed with an RBI groundout to even the score.

The Wildcats briefly regained the lead in the top of the seventh when Jett Pitts singled home a run to put Columbia Falls ahead 4-3.

But Beaverhead County had one more rally left.

In the bottom of the seventh, Levi Stonebraker drew a walk that forced in the tying run. Moments later, Curnow stepped to the plate and delivered the game-winning hit to center field, bringing home the winning run and setting off a celebration for the Beavers.

Stonebraker earned the victory on the mound, allowing just one hit and no runs over one inning of relief while striking out one. Sawyer Tackett started the game for Beaverhead County, allowing three runs on one hit while striking out three over three innings. Will Hansen also contributed a scoreless inning out of the bullpen.

Curnow led the Beavers offensively, going 2-for-3 at the plate and driving in the game-winning run. Trenton Moreni, Garrett Tackett, Sawyer Tackett, and Curnow each recorded an RBI. Beaverhead County showed patience at the plate, drawing six walks, with Cohen Hartman and Stonebraker collecting two apiece.

The Beavers also turned a key double play defensively.

With the victory, Beaverhead County continues its historic season and will play for the State Class A Championship on Saturday. The Beavers enter the title game looking to cap off one of the most successful seasons in program history with a state championship.

Historic Season Ends With State Runner-Up Finish for Beavers

For the first time in program history, the Beaverhead County Beavers reached the State Class A-B Championship Game, giving the program its first-ever opportunity to compete for a State A-B baseball title.

While the Beavers' championship dreams came up just short Saturday, the team capped off a historic season with a runner-up finish after falling 7-2 to the Bigfork Vikings in the State Class A-B Championship game.

Despite outhitting Bigfork six hits to five, Beaverhead County was unable to overcome a big third inning by the Vikings.

The Beavers struck first in the bottom of the second inning when Levi Stonebraker singled to drive in a run and give the Beavers an early 1-0 lead.

Bigfork answered in the top of the third. Hayden Mayer delivered a three-run double to put the Vikings in front before Mason Lewis added an RBI single to extend the lead to 4-1.

The Beavers continued to battle throughout the game but could not generate enough offense against Mayer, who earned the complete-game victory. The Bigfork pitcher allowed six hits and two runs, only one of them earned, over seven innings while striking out one and walking one.

Cohen Hartman took the loss for Beaverhead County. The starter struck out five and allowed three runs on one hit over two and two-thirds innings. Garrett Tackett provided strong relief work, striking out eight batters over four and one-third innings while allowing four runs, only one of them earned.

Stonebraker paced the Beavers offensively, going 2-for-3 with an RBI. Beaverhead County also put pressure on the Vikings on the bases, stealing four bases during the contest.

Although the season ended one game shy of a state championship, the Beavers accomplished something no Beaverhead County baseball team had done before—reaching the State Class A-B Finals and earning the program's first chance to play for a state title.

The championship game appearance capped a remarkable season for Beaverhead County, which finished with a 19-1-1 record and established a new benchmark for the program. The Beavers not only qualified for their first state tournament but advanced all the way to the championship game, creating a season that will be remembered as one of the most successful in school history.

While the final result was not the one the Beavers hoped for, their run to the State Class A-B Championship Game marked a milestone achievement for Beaverhead County baseball and set the stage for future success.

Secretary Christi Jacobsen: Montana's business boom continues with record business applications in May

Montana Secretary of State Christi Jacobsen announced today that May 2026 set a new record for business applications, with more than 7,500 submitted. This milestone surpasses the 6,438 applications from May of 2025 and continues the trend of exceptional entrepreneurial growth across the Treasure State.

"Montanans are builders, doers, and problem-solvers, and they are proving it once again with another record-breaking month," Secretary Jacobsen said. "These numbers reflect the confidence entrepreneurs have in Montana's business-friendly environment and the incredible opportunities available across our state."

May's strong performance follows record business months in March and April, which each saw around 8,000 new registrations. This growth solidifies Montana's reputation as one of the best states in the nation to start a business.

To highlight the people behind the numbers, the Secretary of State's Office features hard-working Montanans in its Business Spotlight series. Recent spotlights include Rogue Brownies in Great Falls, a locally owned bakery turning a passion for baking into a growing small business, and Copper Creaxions in Helena, a family business specializing in handcrafted copper jewelry.

For more information about starting a business in Montana or to access online registration services, visit sosmt.gov/business.

Montana Western Professor Publishes New Book Exploring Montana's Geological History

The University of Montana Western is proud to celebrate a new publication from geology professor Robert C. Thomas. His book, "Montana Rocks! A Guide to Geological Sites Under the Big Sky", sets out to walk readers through Montana's geologic past by way of 60 standout locations across the state.

Released by the Geological Society of America, Montana Rocks! can be purchased through the GSA, Mountain Press Publishing in Missoula, and independent bookstores around Montana. It will be available through national booksellers soon.

Thomas started assembling the book after finishing the second edition of Roadside Geology of Montana with his co-author, Don Hyndman. Years of fieldwork and time on the road had already stacked up, but he wanted to put together something that went beyond a list of interesting places.

Instead of arranging sites by region the way many guidebooks do, Montana Rocks! follows a timeline. The chapters move readers through nearly four billion years, from the oldest rocks tied to the continent's early formation all the way to much more recent moments, including how people have interacted with the landscape. While the subject can get technical, Thomas wrote with non-specialists in mind.

"This book tells the geologic story of Montana over the last 4 billion years in language accessible to the non-geologist," he said. "With this book, a person can learn the geologic history of Montana at home, but better to use it as a guide and travel the state, immersing in the deep-time story."

Putting it together meant repeated trips across Montana over about five years. Thomas combined a heavy reading load with field notes, photos, and plenty of mileage, heading to places as far apart as Yaak in the northwest and Alzada in the southeast.

The work came with its share of stories. Thomas remembers being chased by a tornado between Fort Smith and Hardin. He also spent many nights sleeping in the back of his 4-Runner, either waiting for the right photo or returning to a site to catch better light.
