Carolyn Vining

Carolyn Vining lived a life filled with grace, devotion, and a spirit that never stopped moving. She passed away peacefully on June 6, 2026, surrounded by her loving family.

Born in Missoula, Montana, on May 11, 1954, to Donald and Lorraine Crosser, Carolyn grew up with a gentle, steady presence and vibrant energy. She attended Beaverhead County High School in Dillon,

Montana, where she formed friendships that lasted a lifetime. She later attended Western Montana College, where her lively spirit shone as a cheerleader throughout both her high school and college years.

It was during her time in college that she met the love of her life, Brad Vining. Together, they shared 52 years of marriage; a partnership grounded in loyalty, laughter, and unwavering devotion that became a constant source of strength for the entire family. They began their family in Hamilton, Montana, later returning to Missoula so Carolyn could complete her pharmacy degree at the University of Montana. Soon after graduation, a new opportunity led Brad and Carolyn to Glendale, Arizona, where they built a beautiful life and remained ever since. Carolyn was a proud and devoted mother to her two sons, Tony and Tim, shaping their lives with compassion, humor, and unconditional love. She welcomed her daughters-in-law, Maritza Aguirre and Leesa Vining, into the family with open arms and a generous heart. Among her greatest joys were her grandchildren—Chase, Hunter, Cainen, and Ryder—and her bonus grandchildren, Patricia and Gabriel, all of whom she adored and celebrated wholeheartedly. She was also a dedicated sibling who will be missed sorely by Cathy, her loving sister and Mike, her brother. As a dedicated pharmacist, Carolyn served her community

with compassion and precision, offering care and comfort to countless individuals. Over her distinguished career, she initially worked at Revco, brought her expertise to several independent pharmacies (including Goot Pharmacy, AZ Home Care, S & G Pharmacy, and Rosie's Pharmacy), and later served at Bashas' before having City of Hope be the last pharmacy to finish out her career. For Carolyn, her work was far more than a profession; it was a natural extension of her generous heart. Beyond her professional life, Carolyn found a lifelong passion in ballroom dance; a language she used to express joy, resilience, and connection. For over 17 years, she danced alongside her partner, Nick, at the Arthur Murray Dance Studio. Together, they earned numerous titles, honors, and accolades, culminating most recently in her proud achievement as a World Champion. Whether performing on a grand stage or simply moving to the music, she carried a rhythm that touched everyone fortunate enough to know her.

Those who knew Carolyn will forever remember her warmth, her laughter, and her outgoing, vibrant personality. She was the kind of person who could light up a room simply by walking into it. Her legacy lives on in every life she touched, every dance step she performed, and every cherished memory held close by those who loved her.

At this time, the Vining family kindly asks for time and space to heal. They will host a celebration of life in her honor at a future date, and they deeply appreciate the support, love, and thoughtful messages shared by friends and loved ones during this difficult time.

She will be deeply missed, always celebrated, and forever treasured.

2nd Annual Stick Horse Stampede Brings Laughter, Competition, and Community Spirit to Jaycee Park

Jeremy Crawford, Southwestern Montana News

Families gathered at Jaycee Park on Sunday, June 14, for the second annual Tweedy Mountain Fun Club's Stick Horse Stampede, an afternoon filled with friendly competition, imagination, and community fun while raising money for The Village.

Children of all ages saddled up on their trusty stick horses and took to the makeshift arena to compete in a variety of events, including stick horse races and barrel racing competitions. Riders showcased their speed, agility, and creativity as enthusiastic spectators cheered them on from the sidelines.

Keeping the excitement rolling throughout the event was master of ceremonies Sky Jones, who entertained the crowd with humorous commentary and colorful introductions for both the young competitors and their loyal stick horse companions. Jones even invented a few tall tales and fictional accomplishments for the riders and their "illustrious" steeds, drawing plenty of laughs from the audience.

The festivities extended well beyond the competition ring. Debbie from The Bookstore delighted children with cowboy- and cowgirl-themed story readings, while the Dillon Public Library offered hands-on crafts and activities for families to enjoy. Attendees could also have their faces painted, satisfy their sweet tooth with cotton candy, or grab a bite to eat from Maria's food truck.

The annual event serves as a fundraiser for The Village and once again drew an impressive turnout from the community. With plenty of spirited competition, creative costumes, and smiling faces, the Stick Horse Stampede proved that you don't need a real horse to have a true rodeo adventure.

From racing around barrels to showing off their prized stick horses, this year's participants demonstrated enthusiasm, sportsmanship, and plenty of imagination, making the second annual Stick Horse Stampede another memorable success for

Game Damage Hunt Roster registration opens June 15

Hunters interested in participating in game damage hunt opportunities need to register online for the Hunt Roster beginning Monday, June 15, through MyFWP. The roster is used by Fish, Wildlife & Parks to quickly respond to landowners who are eligible for game damage assistance in the prevention or reduction of property or crop damage primarily caused by deer, elk and/or antelope.

Hunters also can register to be placed on a bison game damage roster. Occasionally, a bison is found outside of the authorized hunting season and outside of the bison tolerance zone. FWP is compiling a list of interested hunters to call for quick removal of the animal. These hunts could be during the warmer months of summer and will require quickly field dressing the animal with a team of people armed with the appropriate tools. For more information about bison hunting, click here.

To register, hunters can log into their MyFWP account or click "look up draw results, register for lists" within the menu. Then select a preferred hunting district(s) for potential deer, elk, antelope and bison damage hunts and submit. Hunters are asked to sign up for districts where they know the landscape and can respond quickly to game damage issues typically within 24 to 48 hours.

It's important to note that hunters can pick only one hunting district per species and the choice is final. There is no guarantee that there is a damage hunt opportunity for a given species in a given hunting district. So, even being first on a list doesn't ensure an opportunity. Party registrations are not allowed.

The Hunt Roster sign-up closes Monday, July 15, and a randomly generated list will be created from the online registrations and will be posted to MyFWP accounts by July 20.

FWP will contact hunters if they are selected for a damage hunt opportunity via phone and/or email, so hunters are asked to ensure they have accurate contact information in their licensing profile. FWP may also use other means of hunter selection in lieu of the Hunt Roster, including first-come, first-served advertised opportunities, unsuccessful special license or permit applicant lists or lists of names supplied by landowners depending upon each damage situation. For more details on the FWP game damage assistance program visit: fwp.mt.gov/conservation/landowner-programs/game-damage-program.

High School Golf Meeting & Practice
Announcement

The High School Golf Program invites all interested students and parents to come meet the golf coaches for the upcoming fall season on Tuesday, June 23. We will gather at the golf course at 5:45 p.m. for introductions, a brief question-and-answer session, and an overview of voluntary offseason practice opportunities and expectations.

We understand that summer schedules are busy with vacations, sports, and other activities. Any students or parents who are unable to attend are encouraged to reach out to the coaching staff directly so we can review the information and answer any questions.

Voluntary open range and short-game practice sessions will begin Tuesday, June 30, at 5:45 p.m. at the golf course. We look forward to meeting everyone and helping golfers prepare for a successful season this fall.

Whole food Health Minute: Cherries

These little stone fruits pack a serious punch in a tiny package — available in sweet or tart varieties and a rainbow of colors, there's a cherry for every palate. Tart cherries in particular have shown real promise in easing common complaints like arthritis and gout, while their natural vitamin C and potassium content work to reduce inflammation, bolster immune function, and keep your heart and nerves happy. Toss them dried into a trail mix or slice them fresh over your next salad for an easy upgrade. A gentle heads-up though: cherries are generous with their benefits, but overindulging has a way of, let's say, expediting your digestive schedule — so enjoy them in moderation.

*Cherries land on the EWG's Dirty Dozen list, meaning they tend to carry higher pesticide residues. Opt for organic when you can, or give conventionally grown cherries a good soak in a light vinegar solution then rinse thoroughly before eating.

Good health is built day by day, starting with real food.
